

SPORTSCOACH® | ELITE

*stand out*

*Elite*

B E E X T R A O R D I N A R Y

To escape the ordinary, you need to soar above it. This explains why you enjoy interacting with nature from a more lofty vantage point, and love getting noticed as you

do so. It's no surprise, then, why you want a motorhome that

takes you beyond the expected to the

extraordinary. Elite by Sportscoach

does exactly this. The flagship of

the Sportscoach line, Elite delivers

more of the choice features you

demand in a premium diesel coach.

Rise above the crowd while you enjoy

the best in RV living.

## DON'T STOP NOW...

As an experienced RVer, you have huge expectations for your next motorhome. Elite was designed to surpass them all. We heighten your enjoyment with features like an 84-inch tall ceiling and home-style hardwood crown moldings. Deepen your pleasure with the rich tones of the available premium surround sound entertainment system and multiple LCD flatscreen televisions. And you'll sink into the plush sofa and residential furnishings. Also, with four space enhancing slide-outs and an array of full body paint schemes, Elite gives you more than enough to expand your motorhome fun.

Want to go even higher? Choose the Legend Package and enjoy the luxury of 100 percent solid hardwood interior cabinetry. Plus a heart pounding 400 horsepower Caterpillar® engine, performance driven independent front suspension and power adjustable foot pedals.

Inside and out, front to back, the Elite reflects your desire to stand out and make a statement.

The large living area includes everything for your enjoyment: pilot seats with integrated seat belt for safety and comfort, plus a 32-inch LCD flat panel TV. Elite goes farther — upping the anti with features like the “Smart Wheel” steering controls and an available all-in-one touch screen stereo/navigation system/backup monitor.

## A THOUSAND REASONS TO SAY “WOW”

Elite gives you reason after reason to be duly impressed. As you settle into the oversize passenger seat with power foot rest. Or experience the comfort of the dual zone climate control. Step outside, and you’ll notice features like the one piece windshield and aluminum wheels. Simply stated, Elite represents the designer look and lavish living that comes in bigger, more expensive coaches. No wonder you keep saying, “Wow”!

Our extraordinary bath includes a porcelain toilet, premium faucets, textured glass shower door and skylight. Masterful!

Expand your enjoyment. Elite’s exterior entertainment center includes a 26-inch LCD TV, CD/DVD stereo, built-in speakers and more. Let the good times roll.

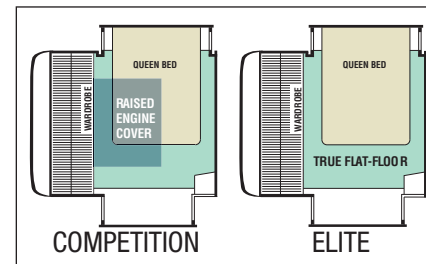

Wide open spaces. Doors to the huge, bus style storage compartments open sideways. You get maximum storage and easy access.

Details make the difference. Our keyless entry is one more example of why the Elite is an extraordinary motorcoach.

Even the bedroom has its fair share of lavish appointments. Like cedar-lined wardrobes, flat-screen LCD TV and wall mounted DVD/CD stereo. Plus, there is even a king bed option.

You expect a well-appointed galley for entertainment, and Elite delivers. Its features include a huge 15 cubic foot residential stainless steel refrigerator, convection microwave oven, solid surface countertops and ceramic tile flooring.

Elite's flat-floor bedroom is an industry first. It provides up to 10 inches of additional headroom around the bed. So you can enjoy easier access to the wardrobe – and no stubbed toes or head bumping the ceiling.

PERFORMANCE PLATFORM

READY FOR EXTRAORDINARY ADVENTURES

The 7.2 liter Cat® engine boasts 350 hp and 860 lb.-ft. of torque — all the power needed for steep inclines and easy passing on highways. (400 hp with Legend option.)

Sharp, 55 degree wheel cut enables superior maneuvering in tight spaces.

Dual side fuel fills allow refueling from either side of the coach for added convenience.

The bell crank helps eliminate “bump steer,” so you needn’t fight to keep control if the front wheels hit a bump in the road.

Standard full air ride suspension provides a comfortable ride with reduced body roll.

Allison MH-3000, 6-speed transmission smoothly transfers maximum power from the engine to the wheels.

The 10,000 lb. tow hitch has enough capacity for towing a full-sized SUV or a trailer full of toys.

Large 22.5-inch aluminum wheels look impressive and help provide a smooth, comfortable ride.

To enjoy the adventures of a lifetime, you need a motorhome that can meet — or exceed — the challenges of the open road and the campsite. Elite does.

### Sturdy foundation

Elite rides on the Thoroughbred™ Performance Platform, developed by Sportscoach® and Freightliner™. The platform starts on a laser-leveled stage to ensure a true and level surface for a much more precisely assembled coach. Plus all steelwork has a weather-resistant finish. These result in the best performance and durability in its class.

### Superior construction

We go the extra mile to make sure each coach is sturdy and dependable. Cabinets are mounted into steel backers instead of paneling. Each windshield is installed with automotive adhesive and sealant. Plus, electrical wires are grouped in a color coded automotive wiring harness for safety and ease of service.

### Rigorous testing

All water, gas and electric lines are multiple tested well beyond Recreation Vehicle Industry Association code requirements. In addition, each coach undergoes a 57-point inspection, extensive rain booth testing and road testing to make sure your coach is ready for all your adventures.

## STANDARD FEATURES

### CHASSIS/ENGINE/SUSPENSION

Freightliner XC Raised Rail Chassis

## ASSURING A POSITIVE OWNERSHIP EXPERIENCE THROUGH INDUSTRY LEADING CUSTOMER SERVICE SUPPORT.

Sportscoach customers are backed by the most technologically advanced service support system in the RV industry. Through our Service Support Center located at [www.sportscoachrv.com](http://www.sportscoachrv.com), our customers have immediate access to product service information, warranty coverage information, dealer locations, and much more.

In addition, our experienced team of dedicated service and parts personnel are trained and equipped to exceed your needs and expectations. Easily accessible through our toll-free Service Support Hotline (800-453-6064), we are available for our customers when you need us, including after-hours with our 24/7 Emergency Assistance Hotline.

Whenever or wherever you travel, rest assured that your Sportscoach is backed by our hassle-free "Buckstopper Warranty" and a team of professionals prepared to assure a positive ownership experience.
