

Safe. Secure. Smart.

The original aluminum

Horse Trailer

Thank you for considering an aluminum

Long recognized as the industry leader for its premium grade aluminum construction and innovative features, Featherlite trailers have set the industry's highest standards for quality and design excellence since we introduced the first aluminum gooseneck trailer in 1973.

Today, Featherlite offers you the industry's widest selection of standard model horse trailers, as well as highly customized bumper pulls, goosenecks and living quarters horse trailers.

Featherlite's innovative designs have been continuously developed for three decades in close cooperation with our international network of dealers and their customers. We look forward to having you join an elite group of satisfied customers who proudly transport their horses in a Featherlite.

For over thirty years, Featherlite® has built horse trailers designed for discerning people who value their animals and are uncompromising in their desire for safety, style, durability and value.

um Featherlite® horse trailer.

The high-quality standard. When you buy a Featherlite®, you get a range of reliable, high quality standard features that many other companies offer only as expensive options. This is one reason why Featherlite horse trailers are the overwhelming preference of horse owners throughout the country. Our premium standard features include heavy-duty extruded aluminum floors; a seamless, one-piece aluminum roof; rubber torsion axles and Featherlite's own deluxe camper doors.

The hand-picked options. Horse owners may hand pick from a wide selection of exterior and interior options to add to their horse trailer to suit their needs and tastes.

An Innovative Transformation. A fresh, distinctive trailer design awaits horse owners with Featherlite's new 'Wave' side panels on its horse trailers. Notably altering the exterior look of the Featherlite horse trailer, the sleek undulating 'Wave' design of the new side panels is now standard on all horse trailers with aluminum side panels. This striking enhancement turns heads wherever it goes.

* Because of the publication date of this brochure, not all photography shows the new side panels.

This is me!

Bumper Pulls

Featherlite bumper pull trailers incorporate many features that other manufacturers might offer as options while utilizing the same high quality construction methods and materials that have made Featherlite the world's #1 horse trailer manufacturer and the "Official Trailer" of many equine organizations and events. Featherlite offers a wide selection of bumper pull trailers to provide you with a premium trailer at a competitive price. In fact, by building on more than three decades of market leadership, Featherlite now offers the industry's most complete line of bumper pull horse trailers.

Each model offers a carefully designed package of features to meet the diverse hauling needs of our customers. Industry leading features include straight load and slant load models, dressing rooms, fold-up and removable rear tacks, walk-through mangers and Featherlite's own patented slam latch system. With the aerodyne nose standard on bumper pull models, towing has never been easier or more economical.

The Featherlite Medalist is available on over **eighty-five models** in bumper pull, gooseneck and living quarters platforms.

Medalist Series

The essence of the Featherlite Medalist Series™ is its unique blend of dramatic styling and inventive features designed exclusively for discerning horse owners.

This new generation of custom horse trailers has redefined horse transportation. Everything. Your way.

16

Advanced Style, Incredible Amenities

Cast corner caps. Distinguished polished cast corner caps with the word 'Featherlite' engraved.

Radius rear frame. The stylish radius rear frame includes wraparound stop/turn lights for added visibility.

Chrome glass. Chrome glass windows and feed doors help reflect light and heat from the horse area and add to the distinctive appearance of the Medalist Series.

Aluminum feather. A three-dimensional cast aluminum feather on the front of the trailer signals the arrival of the industry's finest.

Functionality

Exterior L.E.D. lights

Distinctive L.E.D. lights enhance visibility of your trailer during travel.

Heavy-duty camper doors

Extra durability is a given with Medalist Series heavy-duty camper doors.

Additional storage

Six inches is added to the nose length of gooseneck models for additional space and storage.

Side sheets

The trailer's side sheets are a sturdy .063 aluminum skin, available in black or white.

Options

S-drop enclosure

Brilliant stainless steel S-drop enclosure is available as an option on gooseneck models.

Aluminum wheels

The 06 series aluminum wheels, available as an option, add a splash of flash.

Electric saddle rack

Super-slick electric saddle rack extends down and out from the trailer with the push of a button, making it easier to maneuver saddles.

The list is endless!

FEATHERLITE

MEDALIST SERIES™

Check out the Medalist brochure and find out about the **Full Medalist Jacket.**

Custom

Featherlite/Sierra Interiors

Featherlite's Interiors Division is dedicated to providing you with the industry's most exceptional finished interiors and living quarters. A finished interior is the ultimate custom design feature. Your Featherlite interior can be as elegant or as casual as you desire. A wide variety of furniture and appliance options,

fabrics, carpets and finish materials can be used to personalize your interior exactly to your good taste. No two customized interiors are the same – they are all unique, just like you and your horses. Styles range from the casualness of a camper to the elegance and sophistication of a luxury motorcoach.

17

Your home away from home can be equipped with beautiful pleated shades, full electronics and top-of-the-line appliances. Choose from a wide array of laminates, Corian®, linoleum and fabric colors and patterns.

Relax. Featherlite living quarters give you a place to relax at the end of the day. The typical Featherlite living quarters is equipped with a bed, sink, stove, refrigerator, dinette or sofa and bathroom as well as plenty of storage space.

Eat. Many seating options available.

Expand. Slideouts dramatically expand the interior space of your Featherlite living quarters.

Comfort. Living quarters offer the comforts of home including restrooms with showers, sinks and toilets.

Eat. Kitchen available with numerous seating options, including this breakfast bar arrangement.

Custom-Built

Featherlite customizes horse trailers from the ground up and from the inside out. You can put Featherlite's engineering and production team's unparalleled experience to work for you. They will build a trailer to best suit your specific needs.

With the extraordinary resources at Featherlite's disposal, including our own Interiors Division, if you can imagine what you want, chances are we can build it for you.

19

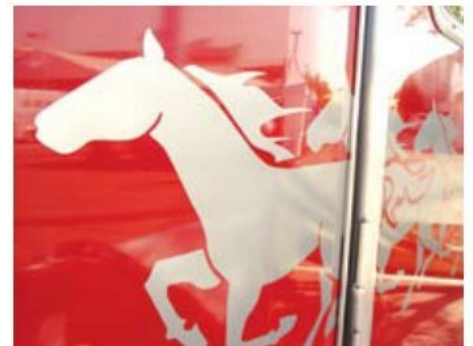

You can design just about anything into versatile Medalist trailers.

Featherlite Graphics add the perfect touch.

Individualize your new Featherlite horse trailer with custom-designed graphics, paint schemes, logos and lettering done by Featherlite Graphics. Featherlite Graphics uses the latest in paint technology by Sikkens paint systems, considered the premier paint system available today.

This technology features state-of-the-art computerized mixing to assure perfect OEM color matches. Whatever your paint & graphics needs, you can rely on Featherlite Graphics for high-quality professional work.

Custom horse trailer
 Unique design options are available when custom building a horse trailer.

Feather Fact. Aluminum is the metal of choice for jet aircraft components. Why? Extreme durability with less weight. Like modern jets, Featherlite all-aluminum trailers are legendary for their rugged durability.

Popular Features

Featherlite listens to horse owners. That's why they've incorporated features and options that are important to keeping your horses safe and comfortable during travel into each Featherlite.

21

Safe. Secure. Smart.

What does that Featherlite tagline mean?

Safe.

With Featherlite's all-aluminum construction and lightweight, easy tow, horse owners can rely on their Featherlite for many years of safe travel.

Secure.

Featherlite's relentless design of innovative features keep horses secure.

Smart.

Smart design translates into a smart investment for horse owners.

L.E.D. light bar for increased visibility

Solid mount adjustable saddle racks

Featherlite's standard features give you more.

'Light-Flo' Feed Door. Unique in the industry. Featherlite's exclusive "Light Flo" Drop Down Feed Door has redefined horse transportation. And it's now standard on most slant load models. Featherlite's "Light-Flo" feed doors now have lower and easier to reach centered handle bars for more convenient use by horse owners. These new doors provide dramatically more light and air flow into the horse area for easier loading and a calmer, healthier environment for your horses during transport. Featherlite is a sponsor of Clinton Anderson Downunder Horsemanship.

L.E.D. Lights Featherlite horse trailers are now equipped with sharper looking L.E.D. lights that enhance visibility when traveling down the road. Plus, two additional stop/turn L.E.D. lights are now standard on horse trailers.

Advanced Manufacturing & Interiors Complexes

23

Featherlite blends a highly skilled workforce with the latest in high technology robotics, computer aided design and computerized machining centers to build your horse trailers with extraordinary precision and quality.

Continuing advances in technology are one reason why the Featherlite brand maintains its leadership position in the industry and consistently high levels of customer satisfaction.

All Featherlite trailers are manufactured in compliance with the National Association of Trailer Manufacturers (NATM).

CLINTON ANDERSON
DOWNUNDER HORSEMANSHIP®

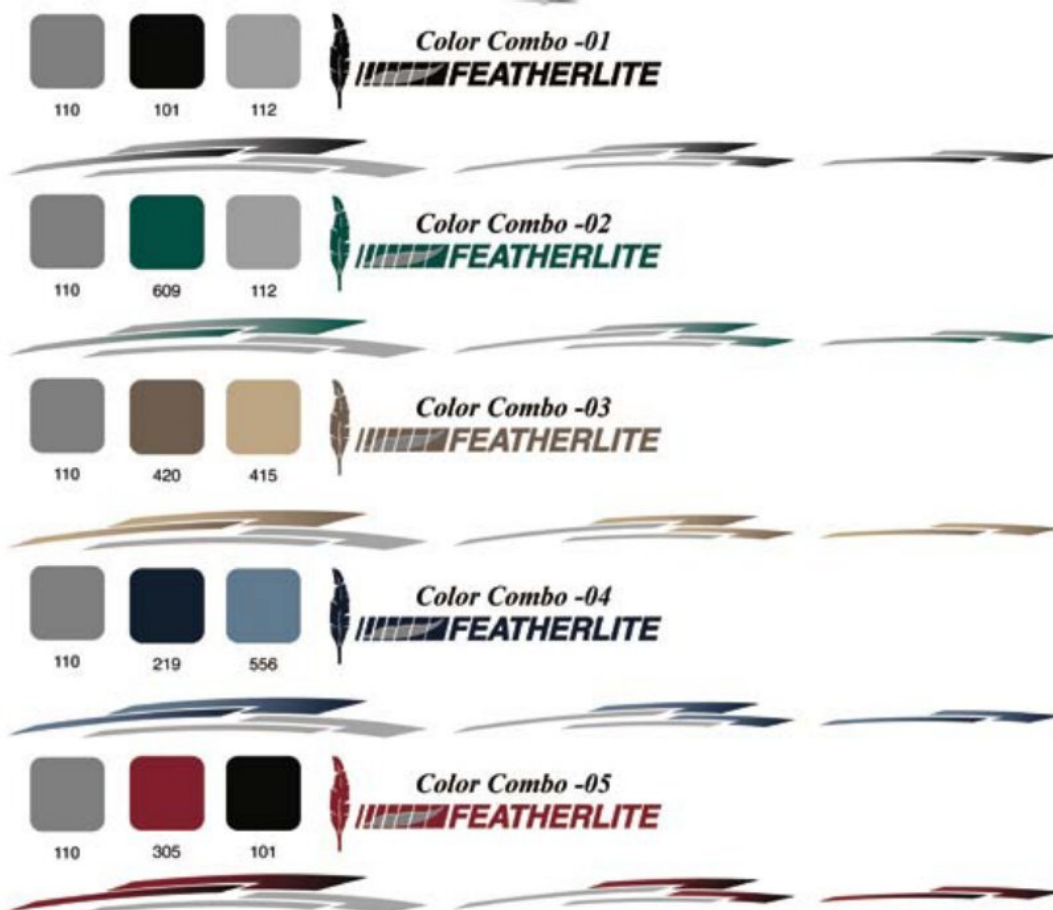

Featherlite is pleased to be a sponsor of Clinton Anderson Downunder Horsemanship and the Clinton Anderson Downunder Horsemanship Wahl Walkabout Tour.

“ The safety and comfort of my horses while I’m traveling is the biggest concern I have. That’s why I only haul my horses in aluminum Featherlite trailers. Safety. Comfort. Durability. Innovation. What more could you want, Mate! ” **Clinton Anderson**

Exterior Graphics

Eye-catching graphics add style to your trailer's exterior. Many standard options are available or add your own custom graphics.
