**DETAILS THAT PROVE SUPERIOR TOWABILITY.**

It is both quality construction materials and innovative engineering techniques that have set the Wildcat apart from the competition. Wildcat's ultra-strong steel I-beam frame serves as the foundation for our floor. Our aluminum sidewall and roof systems are the strongest, most durable in the industry. By taking the time to integrate each structural

## WILDCAT. SPECIAL FEATURES: INTERIOR

Extra large 2-tier Lazy Susan in overhead cabinet above the galley sink.

The 3-bulb make-up vanity lighting is standard in Wildcat bathrooms.

New multi-profiled raised panel doors with radius edges. This residential door and drawer front is normally reserved for high end products. It's standard on your Wildcat!

C.T.S. (Central Trash System) This is new and special to Wildcat. You're able to throw your trash away and remove it by opening an outside baggage door. Brand X makes you walk down four steps.

Floor track lighting is standard in all Wildcats letting you see where you walk at night. Great for the kids.

Safety deposit security box located under the main bed. A first at this price point.

Counter extension gives the Wildcat 75% more countertop work space. A first at this price point.

Wildcat bathrooms come standard with residential-style porcelain foot-flush toilets.

The 27BHWB comes standard with a 12-volt LCD Flat Screen TV.

(Right) Forest River's Exclusive 150 Watt 5.1 Dolby CD / DVD 10 + 2 AM/FM with Upgraded Remote. This is a 12V system great for dry camping.

Fifth Wheels feature extra large overhead cabinets standard in the slide out. At 12" deep, it will hold all your dinner plates.

## WILDCAT. SPECIAL FEATURES: EXTERIOR

Wildcat offers standard extra large baggage doors on the front and door side pass through storage compartment

**TRAILAIR® EQUA-FLEX™ FLEXIBLE EQUALIZER** – This product is designed to replace the standard cast iron equalizer between the leaf spring suspension. This Equalizer provides a reduction in road shock by 53–60% according to Roush Industries, Inc.

The hand-held, outside shower option provides quick clean-ups.

C.T.S trash can is accessible from the outside baggage door as shown above.

The water filtration system provides safe clean drinking water through all the water lines and water heater.

Hydraulic landing gear on Fifth Wheels (Optional) 10 times faster than conventional electric jacks. Quick release pins on Fifth Wheel feet. (Standard)

The 30LSWB features an outside entertainment center with a swivel T.V. pedestal to watch the game outdoors. A clear safety glass front ensures no bugs get in and no air conditioning gets out.

The standard outside entertainment center includes (2) stereo RV marine speakers and cable jacks to plug your T.V. into.

The rear bunk beds provide additional sleeping space. An industry first 80" fold away bunk beds. (27BHWB only)

Wildcat has a new feature: the aluminum radius roof corner molding wrap. This high-end feature is normally offered on much more expensive products but Wildcat has brought it to you now as a standard.

Fold away the rear bunk beds to access your huge walk-in roll-in storage space. (27BHWB only)
