Greyhawk combines vacuum-bonded sidewalls, aluminum roof and wall frames and other high-tech construction with a Ford® twin I-beam chassis. Power is delivered by a 6.8 liter Triton® V10. The 33DS model increases payload and towing capacity by using Chevy's Kodiak chassis powered by their V8 Vortec® engine.

“Liveable” may mean what you see, what you feel or even what you trust about a Jayco. But one thing is for certain, “liveable” is the reason why more people across North America are making Jayco their choice in RVs.
Greyhawk standard features just keep coming. Solid maple cabinetry doors with oil rubbed bronze hardware add real distinction. A fiberglass front cap and extensive interior color options add real value.

Greyhawk. Get more than you pay for in a Class C.
1. Designed for convenient cooking, the kitchen features a 3-burner range with 9,000-BTU SuperBurner™, 8 cubic foot refrigerator, microwave with carousel, built-in cutting board and single lever faucet with pullout sprayer.

2. Jayco designs and builds the Greyhawk’s furniture for maximum comfort and versatility, like the sofa and dinette that both convert to beds.

3. The bedroom is your luxurious retreat—a pillow-top queen mattress, quilted bedspread and matching shams create a beautiful place to relax and ample storage keeps clothing out of sight.

4. The front entertainment center option (shown in optional Provincial Glazed Maple) includes a home theater system with Dolby® Digital 5.1 surround sound, 24” TV and DVD player.

5. To make long drives more enjoyable, we’ve equipped the cab with upgraded, fully adjustable recliners, premium AM/FM stereo, privacy curtains and a stylish dash kit.
Measurable Liveables.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options, or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo, and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.
Your Jayco Dealer

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari “flight” in your area, write Jayco, or visit our website.

- $1,000 auto theft or hit-and-run reward
- $2,000 trip interruption reimbursement
- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks

We Back What We Build.
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.

Jayco proudly sponsors Tread Lightly®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari “flight” in your area, write Jayco, or visit our website.
