“Liveable” may mean what you see, what you feel or even what you trust about a Jayco. But one thing is for certain, “liveable” is the reason why more people across North America are making Jayco their choice in RVs.

Jay Feather™
The #1 Ultra Lite Weight.

Invisible Liveable.

Super light and super rigid frames coupled with our TuffShell™ vacuum-bonded laminated walls, roof and floors make for easier and more aerodynamic towing.

1. Jay Feather EXP’s lightweight steel frame is 10-15% lighter and significantly more rigid than the frame of conventional travel trailers. Tapered rails place the strongest part of the frame over the axles. Instead of welding, our modular frame design features “huck” bolt assembly and interlocking dimples.

2. TuffShell™ walls and floor are constructed using a vacuum-bonded lamination process. TuffShell™ construction results in a smoother finish and a more durable body than traditional pinch-roller construction.

3. FRP layer

4. 1/16” luan board

5. R-7 bead-foam insulation (R-9 in SPORT and EXP roof, R-17 in LGT roof, R-9 in EXP & LGT floor)

6. Aluminium backing strips

7. Welded tubular aluminium sidewall framework

8. Seamless one-piece TPO rubber roof with 12-year warranty

9. Corrosion-resistant frames are finished with a 12-stage E-Coat™ finishing system and come with a lifetime warranty

10. Tor-Flex® independent torsion-axle suspension gives more ground clearance, provides a smooth ride, makes towing easier and reduces wear and tear by absorbing bumps.

11. Tinted safety glass windows

12. Stay cool in the shade of our Carefree® patio awning.

13. Our MaxiStor™ system, with a large oversized door, gives you plenty of storage room for bulky items.

14. EZ Lube® axles with removable caps make maintenance a snap.

15. Heavy-duty retractable entrance steps

16. Large, lockable storage compartments keep extra equipment close at hand but out of sight.

17. Enclosed underbelly with PolyFlex™ one-piece moisture barrier covering reduces drag for better fuel economy and protects from grime and road debris

18. Carpet pad provides enhanced durability and comfort

19. Attractive, easy-care carpet

20. A sturdy gas bottle cover made of molded ABS offers protection from road debris (EXP & LGT)

21. All models come equipped with an outside shower, making it a breeze to rinse off after fishing or hiking which helps keep the inside of your Jay Feather clean.

22. A spare tire and tire carrier are included as part of the Customer Value Package with all Jay Feather models.
Desirable Liveables.

The Jay Feather Sport, everything you need and then some. Full kitchen, full bath and definitely full of fun. The perfect ultra lightweight weekender.

Jay Feather™ Sport
The #1 Ultra Lite Weight.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.
The Jay Feather Sport’s expertly designed interior makes the most of every inch, so you can make the most of every weekend. There’s plenty of sleeping space for up to 5, plus all the essentials for delicious meals and convenient storage.

For extra accommodations, a comfortable bunk with a 300-lb. capacity is located above the queen bunk.

Get cooking with this 3-burner range with 9,000-BTU SuperBurner™, 17” oven and residential-style kitchen sink.

The Jay Feather Sport's expertly designed interior makes the most of every inch, so you can make the most of every weekend. There’s plenty of sleeping space for up to 5, plus all the essentials for delicious meals and convenient storage.
Live large...tow small is what the Jay Feather EXP is all about. Bedrooms expand to allow maximum liveability while weight and towing length are kept to a minimum.

**Jay Feather™ EXP**
The #1 Ultra Lite Weight.

Expanding Liveables.

Whip up a meal in no time in this handy kitchen featuring a microwave with carousel, 3-burner range with 9,000-BTU SuperBurner™, flush-mount refrigerator and double-bowl sink.

Once you get where you're going, stretch out in an expanded bedroom area courtesy of Jay Feather EXP's slideout models.

An internal cable support system eliminates the need for bothersome external bunk supports.
Enjoy relaxing ends to busy days in the bedroom that features a queen bed, Manchester Oak shirt wardrobe and cabinets, and handy TV shelf.

Incredible Liveables.

Those who think ultra lightweights must give up space and amenities haven’t been inside a Jay Feather LGT. From 25 to 32 ft. all with queen beds, complete kitchens and full baths. Incredible!

Jay Feather™ LGT
The #1 Ultra Lite Weight.

Incredible Liveables.

LGT in Ginger

LGT 28D in Ginger

Enjoy relaxing ends to busy days in the bedroom that features a queen bed, Manchester Oak shirt wardrobe and cabinets, and handy TV shelf.
All furniture is designed and made by Jayco, including the comfortable convertible sofa and swivel rockers.

We designed the bathroom to feel like home with an ABS tub/shower, plenty of storage and a mirrored medicine cabinet.
### Standard Exterior Equipment

- 170V G.F.C.I. protected exterior receptacle
- 13" radial tires
- 2" hitch coupler (select models)
- 2½x16" hitch coupler (select models)
- ABS fender skirts
- ABS tub surround
- Manchester Oak, flat-panel doors and drawers
- Painted bottom radius skirting
- Heavy-duty and retractable entrance step
- E-Z Lube™ axles
- Fiberglass, radius cornered entrance door and screen door
- Front window with flush-mounted stone guard (select models)
- HDPE wheel wells
- Heavy-duty and retractable entrance step
- MaxiStor™ (select models)
- Molded rain guttering with drip spouts
- Painted bottom radius skirting
- Pass-through storage compartment
- Patio light with inside switch
- Prep for RVD™ outside grill
- Self-supporting lockable end-bunks (no poles required)
- Sewer hose storage compartment
- Stabilizer jacks (2 pair) with sand pads
- TorFlex® independent torsion-axle rubber ride suspension system
- White spoke wheels

### Standard Interior Equipment

- Cable TV hookup with RG6 coax
- Crank-up antenna with signal booster
- Manchester Oak, raised-panel upper doors and drawers
- Overhead cabinetry is slanted (when possible)
- Painted night shades
- Residential furniture, designed and made by Jayco®
- Swivel rockers (select models)
- Vinyl flooring

### Standard Bathroom Equipment

- 12V roof vent
- ABS tub surround
- Marine toilet w/foot flush
- Medicine cabinet with mirror
- Residential 3-panel passage door
- Residential 6-panel passage door
- Shower curtain with curved shower track (select models)
- Skylight in tub/shower (select models)
- Towel holder

### Standard Kitchen Equipment

- 3-burner range with 9000-BTU SuperBurner™ and piezo igniter
- 5-cu. ft. flush-mount refrigerator
- Cutting board/sink cover (1)
- High-rise mixing faucet
- Large kitchen window
- Microwave oven with carousel
- Oversized drawer in U-dinette (select models)
- Oversized oven
- Range hood with light and exhaust fan
- Wall paper border
- White, residential-style, double-bowl kitchen sink

### Standard Construction Features

- 5/8" seamless Structurwood® main floor decking with PolyFlex™ underbelly
- 78" ceiling height
- Bead-foam insulation (R-7 sidewalls, R-17 roof, R-9 floor)
- Cabinetry crafted w/screwed stile construction
- Cable support system for bunk ends (inner porch)
- E-Coat® protected frame
- Electric-powered slideout (select models)
- FRP smooth fiberglass sidewall exteriors
- One-piece, seamless, TPO roof
- PolyFlex® one-piece covering for underbelly
- TuffShell™ vacuum-bond laminated roof and sidewalls
- Unitized, 1-1/2” laminated construction of floor
- Welded tubular aluminum sidewall and roof framework
- Weld-free modular HSLA steel frame with E-Coat® protection

### Standard Safety Equipment

- Breakaway switch
- Carbon monoxide detector
- Dual hitch safety chains
- Fire extinguisher
- Lock and dead bolt on entrance door
- Multiple egress windows
- Propane/gas leak detector

### Customer Value Package

- 13,500-BTU A/C
- 312 coil linskrip spring mattress w/bed struts
- 6-gal. gas/electric DSI auto-ignition water heater
- A/C central (13,500 or 15,000 BTU) with wall thermostat and fanned directional ceiling vents
- ABS gas bottle cover
- ABS tub surround
- AM/FM/CD stereo w/2 speakers
- Bathroom power vent
- Bi-fold cover for range
- Carefree® patio awning
- Chrome wheels
- Microwave oven with carousel

### Optional Equipment

- Bedroom carpet
- CSA Standards
- Customer Value Package
- Home theater system, Dolby®
- Exterior entertainment center
- Heated bed mats (1) (26L EXP only)
- Heated bed mats (2) (228 EXP, 19H EXP only)
- Heated bed mats (3) (232 EXP only)
- Portable, outside gas RVD™ grill w/carrying case
- Queen bed w/Bunk (218 only)
- Suspension lift kit (select models)
- Water purification system

### Standard Heat, Power and Water Equipment

- 12V demand water pump
- 12V electrical system with deluxe 110V 45-amp power converter
- 18,000-BTU furnace with auto-ignition
- 20-lb. propane gas bottle
- 30-amp power cord
- A/C chill grill
- Auto-ignition furnace with wall thermostat
- Double 20-lb. (EXP) or 30-lb. (LGT) propane gas bottles, with auto-regulator
- Gravity fill for water
- Hookup for city water
- Outside shower
- Rotocast fresh water holding tanks
- Systems monitor panel
- Water heater bypass system
- Winterization kit

### Smoke Detector

- Smoke detector
- Tinted safety glass windows

### Standard Kitchen Equipment

- 3-burner range with 9000-BTU SuperBurner™ and piezo igniter
- 5-cu. ft. flush-mount refrigerator
- Cutting board/sink cover (1)
- High-rise mixing faucet
- Large kitchen window
- Microwave oven with carousel
- Oversized drawer in U-dinette (select models)

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up, and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart to the left.

*Includes water heater capacity.*

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options, or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, cargo, fluids, options, and dealer installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo, and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight:** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.
### 2006 Tow Ratings

The following tow ratings are the highest available for the respective 2006 model year vehicles shown. Certain optional equipment may be required and other restrictions may apply. Consult the latest manufacturer’s towing guide (available at your automotive dealership) or your vehicle owner’s manual to verify the tow ratings provided.

- **Free custom trip routing and full color map service**
- **Free dispatch of on-site mechanical service**
- **$1,000 auto theft or hit-and-run reward**
- **$2,000 trip interruption reimbursement**
- **Free jump starts**
- **Free tire changes**
- **Free fuel delivery**
- **Free lockout service**
- **Free travelers checks**

### We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred.

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at [www.jayco.com](http://www.jayco.com).
