Star Stream expandables

Quality starts with attitude. At Starcraft, we've always referred to that attitude as *Starcraftsmanship!* It's a working philosophy that starts with research and design, and carries all the way through production to sales and service. It's our way of bringing you more in terms of value, service and warranty.

It's a standard of excellence, a frame of mind. *Our* frame of mind. *Our* standard of excellence. A standard of quality and craftsmanship we continually strive to expand every day.

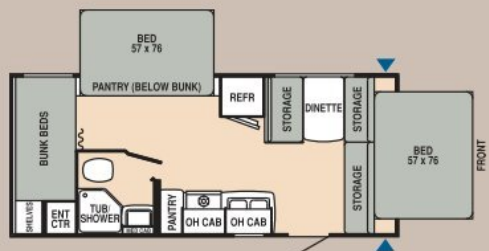

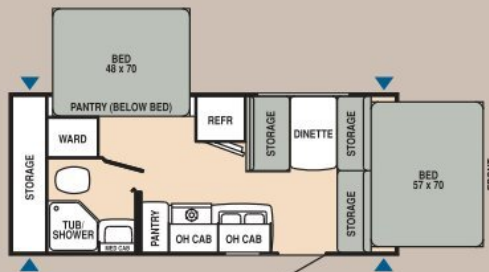

When you take the best ideas, designs, materials and people, and put them all together, year after year, you earn a reputation. That reputation goes on the line every time we sell another product. Add up the reasons for our success, and you have the best reason of all to buy a Starcraft ... *Starcraftsmanship.*

SS18RB Spa Blue w/Birch Décor

Looking for the perfect expandable? You just found it in Star Stream! Our expandable models have two large fold-down bunks – one in front, the other on the side. Additional standard equipment includes a full bathroom, complete kitchen, a large pantry and plentiful storage.

In our expandables, the dinette seats lift to reveal spacious compartments for extra gear. Standard are cable TV hookup, seamless countertops, smoked glass overhead cabinet doors, an electronic-ignition furnace and 4" foam reversible dinette cushion seats and contoured B-Back cushion backs with zippers.

Star Stream gets plenty of attention with a gleaming silver pre-coated Eura Vehicle®-Metallics exterior, boasting clean, contemporary black trim along edges and around radius doors and windows. Our unique 'no stoop' bed system means easy setup without having to stoop or crawl under bunks.

If this side fold-down bunk looks big and comfortable, that's because it *is*! All bunks have 4" cushions and an incredible amount of easily accessible surrounding storage areas.

Star Stream travel trailers

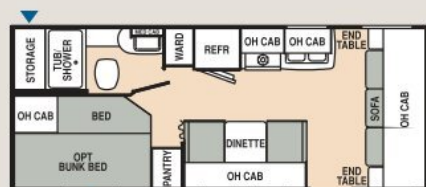

Leisure time should be leisurely. That's why Star Stream travel trailers have everything you need for comfortable relaxation and quick, easy kitchen duty. Interiors are bright and refreshing, with colorful patterned fabrics and coordinating wallboard, flooring and Thermofoil raised-panel cabinet doors in birch. Dinette seating lifts to reveal generous storage areas. Upper cabinet doors have smoked glass inserts. Indirect under-cabinet lighting brightens the dinette area.

Roomy baths make excellent use of space, and have the same great features as our expandables, including a large lavatory sink, installed toilet tissue holder and towel ring and excellent storage capabilities.

Want easy meals? Bring some groceries and come on in! Standard equipment includes a large double-bowl sink with hi-rise brushed-nickel faucet, a 3-burner black cooktop and hood with fan and light, a single door refrigerator (double door optional) and it's wired for an optional microwave.

Our largest Star Stream travel trailers have front queen size beds. Other models provide a rear double bed with an optional overhead bunk that's perfect for kids. Bedrooms have plenty of closet and drawer space, too.

GVWR – Gross Vehicle Weight Rating

The maximum permissible weight of the trailer when fully loaded with all systems filled. It includes all weight at the trailer axle(s) plus hitch.

UVW – Unloaded Vehicle Weight

Sometimes referred to as the Gross Vehicle Weight or Curb Weight, the UVW is the dry weight of the trailer as manufactured at the factory. It includes all weight at the trailer axle(s) plus hitch.

HW – Hitch Weight

Hitch Weight represents the portion of the trailer weight that is carried by the tongue to the hitch ball on the tow vehicle.

CCC – Cargo Carrying Capacity

Sometimes referred to as Rated Cargo Load, the CCC is equal to the GVWR minus each of the following: UVW, full fresh water weight (including water heater) plus filled propane tank(s) and battery weight.
