Understated sophistication and distinctive styling are hallmarks of the Tuscany. The rich residential cabinetry with solid hardwood raised-panel doors warmly invites you to enjoy life. Other special features include the Corian® countertops with matching flush-mount sink and range covers in the kitchen, plus beautifully appointed ceramic tile flooring.

Attention to detail, always apparent in the Tuscany, is even more noticeable in 2008 — from the elegant decorative feet under the kitchen cabinets and the classic archway framing the hallways to the stylish glass in the select upper cabinets and the decorative slideout fascia trim.

The Tuscany power package now provides mountain-crushing torque. Its Cummins® ISC engine with 360-horsepower and 1,050 lb.-ft. of torque outperforms comparably priced coaches that use the Cummins ISB 350-horsepower and 750 lb.-ft. of torque by nearly 50 percent. More torque means better performance when cruising at slower, more efficient speeds. Lower engine speed also produces less wear and tear and greater fuel efficiency.

Luxury that wraps you in comfort. Or is it the other way around?
Depending on the floor plan, a 32” or 42” LCD TV (shown) in the living area allows you to watch your favorite sporting events, movies or other programs you love.

Recessed halogen lighting with dimmer switches provides a fashionable contemporary touch.

Damon introduced the dream dinette to the RV industry. This popular feature allows you to quickly and easily convert your beautiful dinette to a comfortable bed with just the flip of a lever. Go to our website (www.DamonRV.com) for a video demonstration. An optional free-standing dinette with buffet can be ordered for select floorplans.
The living area has a well appointed entertainment center including a home theater with Surroundsound®, DVD/CD player which includes a 42" LCD TV with full function remote on most models. By customer request, all Tuscany TVs are no longer in the cockpit overhead, but you won’t lack for entertainment. In addition to the 42" LCD TV mentioned earlier, there is also a color TV in the bedroom. The soft Ultradeather sofa (optional on 4072 and 4076) allows you to lay back and enjoy all of this entertaining magic. (And the sofa converts to a comfortable bed with air mattress for extra sleeping quarters at night.)

In the cockpit, there’s a new AM/FM audio system to play your favorite MP3 music, plus a weatherband function to help you steer clear of foul weather. A push of a button on the dash activates an electric sunscreen on the windshield to keep the cockpit cool or an electric privacy shade for complete seclusion at night.

Other luxurious amenities include the full height, one piece, fiberglass shower with door and skylight in the bathroom and electric step cover. In addition, to allow cockpit chairs to be used for TV viewing (when parked, of course), the arms on the Flexsteel® driver and passenger seats are adjustable and there is even a foot rest on the passenger seat.
The Tuscany kitchen boasts a four-door refrigerator with icemaker and a raised-panel hardwood front to match the handsome cabinetry, plus a space saver microwave/convection oven. Corian® countertops with matching, flush-mount sink covers and ceramic tile flooring are beautifully enduring.

(Above)

The curved headboard is the first thing you notice in the Tuscany’s very attractive bedroom. This floorplan (4072) and floorplan 4054 feature a 76” x 80” king-size bed. A mirrored wardrobe provides ample storage space and pin-up lights fill the room with a soft glow.

(Left)

A rich, low-boy type chest of drawers with solid hardwood drawer fronts and full-length, double-ball bearing drawer guides rival those found in luxury homes. Recessed lighting and a built-in color TV complete the luxurious picture.
Understated sophistication & distinctive styling

Paint
All of our beautiful full-body paint packages are clean, contemporary and quite dramatic. The stunning designs are utterly eye-catching – and one will unquestionably catch yours.

Décor
Many smart décor choices are offered, including Driftwood Mocha, Metro Coin and French Cognac. All are coordinated with fabrics, valance treatments and woods to make a simple statement about your taste and style.

Additional Standard Features
1. Keeping your Tuscany clean is easy with this standard central vacuum system and a convenient toe-kick dustpan (toe kick dust pan not available on 4076).
2. The full extension metal drawer guides throughout assure smooth operation. Now items in the back are just as convenient as those in the front.
3. The Fantastic® vent with wall mount operation switch helps circulate interior air, plus it automatically keeps out the elements with a rain sensor.
4. The premium AM/FM radio also plays your CDs, MP3s and more. Plus, the system is Sirius® Satellite Radio ready (subscription required).
5. Three backup cameras, plus the cockpit monitor system, help you see down the sides and rear of your Tuscany for safer passing and backing up.
6. The cockpit features comfortable Ultraleather driver/passenger seats with 6-way power.
7. The raised-rail chassis gives you tons of extra basement storage space and an optional slide tray is available.
Floor Plans
We've created an exciting choice of floor plans – offering 3, 4 and 5 slides for an extra large living space. All of them will make you feel right at home – even if it's your home on the road.

Seamless Windshield
The seamless windshield offers panoramic visibility and a wide-open view of the road ahead. The invisible bra and chrome mirrors give the exterior a polished look.

Our “Golden Thread” – “Value by Design.”
Damon has a golden thread that weaves its way into everything we do.

When we design motorhomes, we always design more standard features and value into them than our competitors. “Value by Design” we call it. It's our guiding principle, our way of doing business. When we offer more of your favorite amenities as standard, we become more efficient, construction is more streamlined, and you get more motorhome. For less.

“Value by Design.” It's more than a golden thread, more than a slogan; it's our way of delivering more motorhome and value for less money, by design.
### Exterior
- Full-body paint package including color-coordinated slideout awnings
- Color-coordinated awning package including electric patio awning with remote control and wind sensor and manual entry door awning
- Fog lights
- Wide-body design
- Radius corner domed TPO roof
- Rear ladder
- Front and rear fiberglass caps
- Upgraded gelcoat wall
- Locking aluminum exterior storage doors
- Three side-hinged compartment doors (passenger side)
- Custom-designed front entry door with screen
- Black-framed, dual-pane radius corner windows
- Two patio lights (one on each side)
- Lighted storage compartments
- Full basement pass-through storage
- Gas pistons on exterior storage doors
- Invisible bra

### Chassis
- Freightliner® XC raised-rail chassis
- 360-hp Cummins® engine 1050 lb-ft torque
- 10-speed transmission
- 1000-watt engine heater
- Leece Neville 170-amp, 12-volt alternator
- In-block, 1000-watt engine heater
- 360-hp Cummins® engine 1050 ft/lb torque
- King Dome automatic-tracking satellite dish
- Haldex® 
- Allis-Chalmers®
- Leece Neville 170-amp, 12-volt alternator
- 2000-watt inverter/100-amp converter
- Interstate 6-volt auxiliary batteries (4)
- Battery disconnect
- 50-amp, 120-volt service
- Exterior GF2 recapturant
- Enclosed heated potable and holding tanks
- Black tank flush
- 3-Way valve for tank/城市 water fill
- Washer/dryer prep
- Cable TV/satellite hookup
- Carbon monoxide, LP gas and smoke detectors
- Monitor panel with LPG readout
- Central vacuum system w/toe kick dustpan (toe kick dustpan N/A 4076)

### Cockpit
- Molded ABS dash
- Electronically controlled dash air conditioning
- 4-speaker sound system
- Electronic cruise control
- Padded steering wheel
- TRW® tilt/telescoping steering column
- Map lights
- Dash fans

### Living Area
- Ultralight sofa bed (passenger side) (4055 only)
- Ultralight sofa bed (driver side) (4054 only)
- Two Euro recliners with coffee table and lamp (driver side slideout) (4072 and 4076)
- Decor fabric sofa/air bed (driver side slideout) (4055)
- Decor fabric sofa/air bed (passenger side) (4054, 4072, 4076)
- Day/night shades
- 100% nylon carpeting with stain treatment and padding
- 32” LCD TV w/full function remote and antenna, booster, jack and built-in HD receiver (4055 and 4076)
- 42” LCD TV with full function remote and antenna, booster, jack and built-in HD receiver (4054 and 4072)
- Home theater with DVD/CD player with surround sound
- Soft touch padded vinyl ceiling
- Receded halogen lighting in living area and kitchen with dimmer switch
- Living room pin-up lights (N/A on 4055)
- Aisle lights

### Kitchen
- Refrigerator: four-door w/icemaker
- Refrigerator: raised-panel hardwood front (maple or cherry)
- Cooktop
- Corian® flush-mount range cover
- 1.1 cubic-foot space saver microwave/convection oven
- Two Corian® flush-mount sink covers
- Single lever faucet with sprayer
- Kitchen faucet water filter
- Corian® countertops
- Solid wood cabinet doors throughout (maple or cherry)

### Bathroom
- Full height shower with door
- Skylight in shower
- Obscure glass window in private stool area
- Power vent
- Foot flush porcelain toilet with sprayer
- Wall/ceiling tile/wood paneling
- Ceramic tile flooring

### Utilities
