

TUSCANY

2008 DAMON MOTOR COACH

Tuscany model 4072, Metro Coin décor, Cherry wood.

Luxury that wraps you in comfort. Or is it the other way around?

Understated sophistication and distinctive styling are hallmarks of the Tuscany. The rich residential cabinetry with solid hardwood raised-panel doors warmly invites you to enjoy life. Other special features include the Corian® countertops with matching flush-mount sink and range covers in the kitchen, plus beautifully appointed ceramic tile flooring.

Attention to detail, always apparent in the Tuscany, is even more noticeable in 2008 — from the elegant decorative feet under the kitchen cabinets and the classic archway

framing the hallways to the stylish glass in the select upper cabinets and the decorative slideout fascia trim.

The Tuscany power package now provides mountain-crushing torque. Its Cummins® ISC engine with 360-horsepower and 1,050 lb.-ft. of torque outperforms comparably priced coaches that use the Cummins ISB 350-horsepower and 750 lb.-ft. of torque by nearly 50 percent. More torque means better performance when cruising at slower, more efficient speeds. Lower engine speed also produces less wear and tear and greater fuel efficiency.

(Above)

Depending on the floor plan, a 32" or 42" LCD TV (shown) in the living area allows you to watch your favorite sporting events, movies or other programs you love.

Recessed halogen lighting with dimmer switches provides a fashionable contemporary touch.

(Left)

Damon introduced the dream dinette to the RV industry. This popular feature allows you to quickly and easily convert your beautiful dinette to a comfortable bed with just the flip of a lever. Go to our website (www.DamonRV.com) for a video demonstration. An optional free-standing dinette with buffet can be ordered for select floorplans.

Tuscany model 4076, Metro Coin décor, Cherry wood.

Tuscany model 4076, Metro Coin décor, Cherry wood.

The living area has a well appointed entertainment center including a home theater with Surroundsound®, DVD/CD player which includes a 42" LCD TV with full function remote on most models. By customer request, all Tuscany TVs are no longer in the cockpit overhead, but you won't lack for entertainment. In addition to the 42" LCD TV mentioned earlier, there is also a color TV in the bedroom. The soft Ultraleather sofa (optional on 4072 and 4076) allows you to lay back and enjoy all of this entertaining magic. (And the sofa converts to a comfortable bed with air mattress for extra sleeping quarters at night.)

In the cockpit, there's a new AM/FM audio system to play your favorite MP3 music, plus a weatherband function to help you steer clear of foul weather. A push of a button on the dash activates an electric sunshade on the windshield to keep the cockpit cool or an electric privacy shade for complete seclusion at night.

Other luxurious amenities include the full height, one piece, fiberglass shower with door and skylight in the bathroom and electric step cover. In addition, to allow cockpit chairs to be used for TV viewing (when parked, of course), the arms on the Flexsteel® driver and passenger seats are adjustable and there is even a foot rest on the passenger seat.

Sun Screen

Privacy Shade

The most beautiful motorhome under the Tuscan sun.

(Left)

The Tuscany kitchen boasts a four-door refrigerator with icemaker and a raised-panel hardwood front to match the handsome cabinetry, plus a space saver microwave/convection oven. Corian® countertops with matching flush-mount sink covers and ceramic tile flooring are beautifully enduring.

Tuscany model 4072, Metro Coin décor, Cherry wood.

(Above)

The curved headboard is the first thing you notice in the Tuscany's very attractive bedroom. This floorplan (4072) and floorplan 4054 feature a 76" x 80" king-size bed. A mirrored wardrobe provides ample storage space and pin-up lights fill the room with a soft glow.

(Left)

A rich, low-boy type chest of drawers with solid hardwood drawer fronts and full-length, double-ball bearing drawer guides rival those found in luxury homes. Recessed lighting and a built-in color TV complete the luxurious picture.

Metro Coin

Additional Standard Features

1. Keeping your Tuscany clean is easy with this standard central vacuum system and a convenient toe-kick dustpan (toe kick dust pan not available on 4076).
2. The full extension metal drawer guides throughout assure smooth operation. Now items in the back are just as convenient as those in the front.
3. The Fantastic® vent with wall mount operation switch helps circulate interior air, plus it automatically keeps out the elements with a rain sensor.
4. The premium AM/FM radio also plays your CDs, MP3s and more. Plus, the system is Sirius® Satellite Radio ready (subscription required).
5. Three backup cameras, plus the cockpit monitor system, help you see down the sides and rear of your Tuscany for safer passing and backing up.
6. The cockpit features comfortable Ultraleather driver/passenger seats with 6-way power.
7. The raised-rail chassis gives you tons of extra basement storage space and an optional slide tray is available.

4054

4 slideouts, extra large living space, Dream Dinette, 42" LCD TV, king-size bed.

4055

5 slideouts, extra large living space, sofa and hide-a-bed, back-to-back 27" and 32" LCD TVs.

4072

4 slideouts, extra large living space, Dream Dinette, 42" LCD TV, euro recliners, king-size bed.

4076

3 slideouts, extra large living space, front kitchen, Dream Dinette, 32" LCD TV, euro recliners.

Floor Plans

We've created an exciting choice of floor plans – offering 3, 4 and 5 slides for an extra large living space. All of them will make you feel right at home – even if it's your home on the road.

Seamless Windshield

The seamless windshield offers panoramic visibility and a wide-open view of the road ahead. The invisible bra and chrome mirrors give the exterior a polished look.

Our "Golden Thread" – "Value by Design."

Damon has a golden thread that weaves its way into everything we do.

When we design motorhomes, we always design more standard features and value into them than our competitors. "Value by Design" we call it. It's our guiding principle, our way of doing business. When we offer more of your favorite amenities as standard, we become more efficient, construction is more streamlined, and you get more motorhome. For less.

"Value by Design." It's more than a golden thread, more than a slogan; it's our way of delivering more motorhome and value for less money, by design.
