

2009 EXPRESS CRUISERS

RINKER

THE WINDOW OF DESIGN OPPORTUNITY IS HERE...

Since 1945 Rinker has not pulled down the shade, and this year is no exception. There is so much going on in the 2009 model year that you need to sit down and go through every page of this brochure. The Express Cruiser line has been revitalized. Both options and standards have been upgraded: check out the handsome maple cabinetry and Corian® surfaces, the 360EC rectangular windows, Versa-Teak on the swim decks and walk-thrus, the exclusive GX48 vinyl, to name a few. MerCruiser® DTS is now standard on all twin engine Rinkers. An Express Cruiser Cuddy Cabin, the 230, has joined the fleet. Visit us on the web at www.rinkerboats.com to "Build-a-Rinker" and to find your local Rinker dealer. Exciting changes await; go take a test drive!

Our boats are not just designed, built and tested by engineers – but by Rinker personnel and their families. This experience of years of building, enjoying and racing quality boats is so paramount that we stand behind every boat with our "Limited Lifetime Warranty." Rinker has been recognized by industry leaders as "Boat of the Year"/"Best Value"/"Best Performance" – Powerboat Magazine, "Pocket Cruiser Shoot-out Winner" and "Wakeboard Round-up Winner" – Boating Magazine, "Best Bowrider Value" – Boating Life Magazine, and N.A.D.A. Guide's "Top Boat."

So, whether your boating passion leads you to a Deckboat, Sportboat or Express Cruiser – Rinker has designed and built your boat with passion and the most Valued Features of any boat builder.

RINKER BOATS...DESIGNED AND BUILT BY BOATERS, FOR BOATERS.

SINCE 1945 RINKER HAS ENGINEERED AND BUILT BOATS TO MAKE SURE YOU GET WHAT YOU PAY FOR

Exceeds guidelines set by the United States Coast Guard.

National Marine Manufacturers Association

International models are CE certified.

Mercury Quality Certified installation.

You get more boat for your money when you choose Rinker. When shopping for a new Express Cruiser, make sure you weigh all the numbers. No other manufacturer gives you more standard value features, more length, more smooth riding weight and more choice.

Rinker Quality starts in the cockpit with our exclusive GX48 vinyl. Designed to withstand the test of time, GX48 resists the fading caused by harmful UV rays. This expanded vinyl resists stains, tears and scuffs and is easy to clean. Strong interlocking backing ensures that the upholstery keeps its shape and remains firm, yet forgiving. Exceptional tailoring gives GX48 a soft, supple feel and a great look.

Rinker boats are wave crushers and rock steady. Express Cruisers ride smoothly through the water because they are constructed with up to 16 overlapping layers of strengthening fabmat and fiberglass. For over sixty years, we have utilized the best hull and decking, and we stand behind our choices with our Limited Lifetime Warranty.

Only 316 L stainless steel hardware and fasteners are used on all Rinker models making them salt water or fresh water durable. Rinker utilizes double and triple fastened construction with electro-chrome plated and thru-bolted stainless steel fasteners with large stainless steel washers and lock-nuts.

Every component that goes into your Rinker has been tested and inspected to insure consistent and dependable quality, fit and finish. A strenuous 140 point checklist and the Rinker Test Tank provide assurance that each Rinker has passed our certified manufacturing process.

Rinker stands apart by offering MerCruiser® and Volvo Penta® sterndrive gas or diesel power selections. We also have power applications for fresh or salt water.

The Rinker choice means we are not obligated to purchase any particular engine package due to our association with an engine company. Our team of engineers selects the most appropriate and effective engine applications for each model, and Rinker offers them to you at the best value possible. Sterndrive instead of inboard offers better low speed maneuverability, lighter steering feel and touch, better shallow water capability, and is less likely to suffer major damage if grounded. Sterndrive has better parts availability, better running efficiency with trim characteristics, and twin counter-rotating propulsion is proven to be the most efficient and economical (MPG) way of pushing a boat through water.

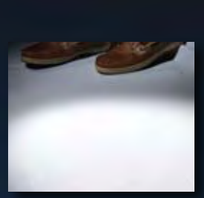

Aluminum Arch Construction instead of fiberglass puts Rinker above the rest. Express Cruiser arches come with spreader lights, stainless steel covered speakers, TV antennas, available folding transport hinges and some include the stylish new "Eyebrow" shape.

Exclusive GX48 Vinyl

The "Integrated" Extended Platform is molded into the hull and deck for a sleek, smooth hull line. Stainless steel pull-up cleats on the platform make it easy to secure at the dock without line entanglements, and the "Rumble" seat with stainless steel drinkholders adds a comfortable touch.

R4-90° Non-Skid is engineered for slip resistance, and is molded into the deck and cockpit for exceptional fit and finish. Squares, instead of diamonds, maximize the friction coefficient and minimize the potential for accidents.

The Rinker Test Tanks

"It'Shore Choice" Stainless Steel Shore Power Receptacles and Cable TV Connections – Choose from port or starboard side inlets for ease and safety.

MERCURY MerCruiser. VOLVO PENTA®

Mercury or Volvo Penta Power Options We offer a choice so that you can select the best available power for your geographical boating needs. No need to worry about corrosion from salt water with the available MerCruiser SeaCore® and Volvo Penta Ocean Series® drives.

LIMITED LIFETIME WARRANTY RINKER

OUTSTANDING PERFORMANCE

SOPHISTICATED HELM

- Lifetime guaranteed Faria® gauges with "Jeweled" faces and stainless steel bezels are surrounded by a "Butterscotch Burl" glare resistant helm. Ease of control also falls into place with 5-position tilt wheel and power steering that is accented by an Italian-designed, Polished Aluminum Sport Wheel on the 340 EC and up.
- Rinker Cruisers are all equipped with trim tab controls with LED indicators for maximum load leveling capabilities and adjustable ride comfort. All twin engine models come standard with MerCruiser® Digital Throttle and Shift controls, and it is available for single engine models as well. Also available for all models is Electronic Vessel Controls (EVC) from Volvo Penta®.
- Raymarine® and Lowrance® electronics are industry standard brands that Rinker utilizes in providing the most accurate and safe navigational tools for you and your family. Standard VHF radios are common, and the twin engine models have dedicated external speakers.
- Backlit instrumentation, illuminated rocker switches and helm stereo remotes are all features, not options on Rinker Cruisers.

REFRESHMENT OASIS — All models feature the cockpit refreshment galley with sink and pressurized water, Corian® countertops and removable integrated trash container. Refrigerators and ice makers are available to keep beverages and snacks cool, but the standard built-in blender* really outshines the competition by bringing your favorite frozen beverage right to your cockpit. (*available on twin engine models)

DURABLE COMFORT — All Rinker Cruisers are manufactured with exclusive GX48 stain resistant vinyl. The protective finish not only provides UV, stain, salt water, and mildew protection; but is also anti-microbial and anti-bacterial. Cockpits are also furnished with fiberglass liners covered with solution dyed, marine grade snap-in carpet, for easy removal and cleaning.

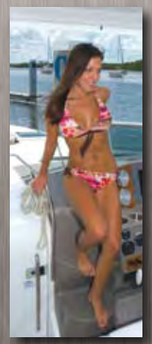

PREMIUM SOUND

High power premium marine grade sound systems with AM/FM/Sirius®/CD players, MP3/iPod®/Aux-In Stereo Port, and high quality stainless steel covered speakers provide the ultimate in music pleasure.

SPACIOUS LAYOUT— The forward deck is great for sun bathing and molded-in steps provide easy access. The aft cockpit of all models provides an acrylic snack/picnic table and ample seating.

SAFETY FIRST — Rinker's safety-conscious engineering is evident in the cockpit area. LED cockpit lighting in traffic areas provides safety at night and does not attract insects. Locking cockpit doors to swim platform protect passengers and pets.

EXCELLENT ACCOMMODATIONS

LIVE BEAUTIFULLY – RINKER INTERIOR DESIGN

- Upholstery fabrics, vinyl cushions and headliners are custom cut and sewn to precise computer specifications. Interior fabric ensembles come in Champagne, Sage, Miami and the new Midnight selections. (see page 48 for color details) Our exclusive Soft Touch stain and odor resistant vinyl protects against the wettest of swim suits and environments. Central vacuum is standard on the 360 EC and larger.
- Check out the Cherry and Holly flooring shown above. This package includes dinette table, steps and flooring. Aft flooring available on 340EC and larger.
- All Rinker Cruisers include hot and cold showers, stainless steel sinks, porcelain toilets, vanity mirrors and waste holding tanks. VacuFlush® toilets are standard on twin engine models, along with Corian® solid surfaces. Larger models have enclosed, separate showers.
- Rinker cabinets are custom made and assembled with stainless steel screws instead of staples to ensure structural integrity. They also include drawer glides and finished interiors. Brushed nickel knobs complement the wood.

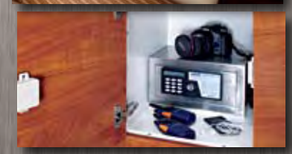

- The salon entertainment is enhanced with available LCD Flatscreen TV/DVD players. Most models also include "It'Shore Choice" dual cable TV inputs. An MP3/iPod® Aux-in Port completes the package.
- No other express cruiser manufacturer offers the security of knowing that your valuables are secure as Rinker with our available electronic cabin safe.
- Prepare your favorite cuisine in one of our fine galleys. You have a choice of "Night Sky" or "Pebble Dusk" Corian® countertops and custom cabinetry in Cherry or High Gloss Maple to surround premium appliances.

Italian designed polished aluminum sport steering wheel and Faria® gauges, standard MerCruiser® DTS and available Color Radar, GPS and Chartplotter.

THE ART OF LIVING LARGE...

The 380 Express Cruiser packs in the features that separate it from the competition – Standard MerCruiser® Digital Throttle and Shift, aluminum radar arch, windlass with foot switches, camper canvas, “Rumble” seat. Enhance your 380 EC with the available Dinghy package and the elegant Hard Top with stainless steel speakers, DVD player, lights and opening ventilation hatches. Big features for living on the big water.

Double wide helm seating with separate flip-up bolsters and a forward port side lounger.

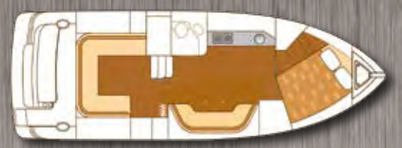

Aft cockpit seating provides a spacious environment for snacking or lounging.

Available Dinghy Package provides easy access to the beach and the camper canvas adds another room on your cruiser.

RELAXING AND EXHILARATING...

You've been waiting for this...watch a sunset on deck, then go below to an impeccably handcrafted cabin that is both convenient and luxurious. The well appointed galley inspires gourmet, but handles fast with elegance. Corian® surfaces, stainless steel appliances and a flatscreen TV/DVD make entertaining easy. The custom, full-sized convertible couch converts to a large double berth. Indirect lighting sets the mood and the reading lights are ready when you are.

380EC

Convenient central vacuum in custom cabinet.

Separate shower and AC/heat vent, full-sized mirror on door.

Aft U-shaped sitting couch and table converts to an expansive double berth.

Private Forward Stateroom with oversized double berth, flatscreen TV and hanging clothes locker.

THREE SIXTY
EXPRESS CRUISER

L.O.A.	BEAM	BRIDGE CLEARANCE	DRAFT, DRIVE DOWN	DRAFT, DRIVE UP	APPROX. WEIGHT	FUEL CAPACITY	FRESH WATER CAPACITY	WASTE WATER CAPACITY	DEADRISE	HULL WARRANTY	PERSON/WEIGHT CAPACITY
37′ 11″ 11.56 M	12′ 00″ 3.66 M	12′ 08″ 3.86 M	36″ 91 CM	24″ 61 CM	15,550 LBS 7,068 KG	235 US GAL 889.6 L	51 US GAL 193.1 L	45 US GAL 170.3 L	18°	LIMITED LIFETIME	YACHT CERTIFIED

The 360 exciting helm is big enough for two. MerCruiser® DTS standard, available Axius joystick control, color radar, GPS and chartplotter, electric windlass controls, stereo remote, to name a few.

SEDUCTIVE AND SENSIBLE, READY FOR FUN...

As quick and agile as she is stylish and seductive, this responsive Express Cruiser is perfect for the first time Skipper or the experienced Captain. A classic in the making, the 360 sports new rectangular windows and round port lights. Time on the water is true magic in this 37 footer.

Comfortable and stylish cockpit has room for the whole crew. Double helm seat with flip-up bolster. Port side lounger adds to the fun and friendly atmosphere of the 360.

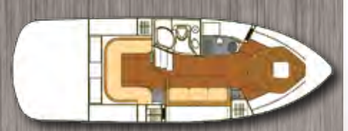

Flip-up Corian® countertop houses the built-in blender. Refrigerator/freezer and ice maker.

Plush wrap around aft cockpit seating.

HAVE IT YOUR WAY...

New for 2009 is the option of having a privacy wall to partition off the forward stateroom. At left, the wall is in place, below, the cabin remains open with privacy curtains. Either way, the 360's thoughtful utilization of cabin space feels grandiose. Choose between custom cherry cabinetry or the available high-gloss maple cabinetry, and the four different designer fabric packages. New rectangular salon windows set you apart in this unique cruiser.

360EC

Galley has unique windows, pull-out pantry cabinets and stainless steel appliances.

Aft Stateroom's U-shaped seating and table converts to a double berth.

Forward stateroom layout changes with the privacy wall layout (above). Both layouts have opening, screened port lights and hanging clothes storage.

The 360's private separate shower is unique in its size category. The stall door glides on an arc making the enclosed area much larger.

33′ 02″ 10.11 M	10′ 06″ 3.20 M	9′ 06″ 2.89 M	36″ 91 CM	22″ 56 CM	11,100 LBS 5,034 KG	150 US GAL 567.8 L	33 US GAL 124.9 L	47 US GAL 177.9 L	18°	LIMITED LIFETIME	YACHT CERTIFIED

Remote spotlight.

Well equipped helm has standard MerCruiser® Digital Throttle and Shift.

BEST EQUIPPED TWIN ENGINE 300 ON THE MARKET.

Standard air, windlass, VHF radio, remote spotlight, Sirius® Satellite radio, aluminum radar arch, TV with dockside cable inlets, camper canvas, and the list continues. It's all here to get you started in your quest for Rinker Value.

Comfortable cockpit with hugh aft bench seating area.

Cooler, sink and built-in blender. Available ice maker or refrigerator.

Anchor windlass with deck switches.

IT'S ABOUT DOWN TIME...

Take a swim, go for a cruise, soak up some sun. Check out the new snorkeling site, catch a fish. Drive fast enough to make your eyes water. When you can't do that anymore, the main salon is waiting for you and the whole crew. At nightfall, the bow area converts to a master berth. Just slide the table down, insert the standard filler cushions, and you have a comfortable place to lay your head. The main salon sofa makes into a single berth. Crew quarters aft for two make privacy and comfort standard. Standard LCD flatscreen TV/DVD provides extended entertainment for all aboard with dockside cable access. This dual function cabin is as versatile as the Rinker owner who enjoys it!

300EC

Galley has stainless steel refrigerator/freezer, one burner alcohol/electric stove, lots of storage.

Private head with shower, Vacu-Flush® porcelain toilet, and opening port light with screen.

Aft crew quarters can be equipped with a TV/DVD player or standard reading lights let you enjoy the classics.

DINGHY PACKAGE
The davits act as a hinge, just use the extension wand to easily raise and lower the dinghy. Rinker designers created a molded storage space, concealed in the transom, for the dinghy's gas powered outboard and fuel.

DINGHY PACKAGE INCLUDES:
270 RIB (Rigid Inflatable Boat), 4 stroke outboard motor, concealed transom storage, snap davits on swim platform, and all mounting hardware required.

OH YEAH, WATCH THIS...

Impress your mates and turn heads at the marina when you effortlessly slide your cruiser into a tight spot. This revolutionary system makes docking easy with the pinpoint control of an advanced joystick, and its advanced technologies provide greater control and accuracy for the ultimate in boating confidence. Simply move the joystick the direction you want to go, and you are there. You can also keep your boat in an exact position no matter the tides or the wind with MerCruiser's Skyhook feature....child's play.

MerCruiser SeaCore
Premium
Saltwater Protection

ANGLERS, YOUR SHIP HAS COME IN...

We've taken our impeccably engineered 340 and 360, and added state of the art fishing equipment so that your sport is now "Rinkerized." This exciting option is designed to bring the family together by providing the fishing features of a premium Sport Fishing Machine with the amenities and cabin comfort the family deserves when bedding down for the evening. The angler package includes rod holders, a bait prep station, slide in tackle storage, and a uniquely designed pass thru transom with giant ice chest storage. Choose between a lighted live well or retain the aft bench seating. Add the fish finder and the cockpit wash-down and you have elegantly transformed your cruiser into a very capable off-shore angling machine.

The 230ECC Fish Package includes 2 rod holders, cockpit rod storage, built-in tackle box, and GPS with fishfinder.

CUSTOM HARDTOPS

HARDTOP FOR 400 AND 380

360 AND 340 HARDTOP

Give your 340, 360, 380 or 400 Express Cruiser the ultimate in fashion and function with our available hardtop. This addition adds comfort, convenience and has recessed overhead lights for night operation. The 380 and 400 hardtop has a built in flatscreen DVD player, stereo speakers and twin hatches for lighting and ventilation. The integrated enclosure comes with color coordinated acrylic canvas featuring special isinglass in the visor and side curtains.

SPORT ARCHES

The Rinker Sport Arch Package includes the aluminum arch, arch lights, and a salon flatscreen TV/DVD player with an arch-mounted TV antenna. This package is standard on cruisers 300 and larger, and available on the 260 and 280.

CANVAS

All Rinker Express Cruisers feature standard complete camper canvas sets and bimini tops. Marine grade acrylic canvas sets contain dielectric-welded seams, which eliminate water leaks and seam deterioration. Multi-point inspections insure proper fit on every model. Aft "Bungee" style canvas connections make short time of canvas installation and removal. Hardtop equipped models (shown above) come with white canvas. Individual acrylic cockpit covers are available for all models. Choose from black, linen tweed, navy, or white.

Color-coded tabs for ease of canvas installation and canvas removal.

WINNING COMBINATIONS...

Make your cruiser unique! Four designer fabric ensemble choices, solid surfaces by Corian®, cherry veneer cabinets and stain resistant carpets are all standard. Equip your cabin with the available Cherry and Holly Package for a touch of class. Add the new High Gloss Maple cabinetry for extra zing. Make a statement with new choices from Rinker!

We're Giving Away

$20,000!

In partnership with

BOATER'S WORLD Marine Centers

We'd like to thank you for spending time with our brochure. Starting in January 2009 through August 2009 we're giving away five (5) $500 Boater's World gift certificates each month.

The only way to qualify is by reading our brochure.

The only way to win is by registering online at:

RinkerBoats.com/BrochureRewards

Monthly rewards will be given away from January - August 2009

Boater's World is the premier resource for all of your boating accessory needs. Boater's World Gift Cards may be used at any Boater's World Marine Center. Complete rules available online.

©2008 – The information printed in this brochure is based upon the latest product information available at the time of printing. Rinker reserves the right to make changes at any time to prices, colors, materials, equipment, specifications and models, and to discontinue models without notice or obligation. All specifications are approximate and dimensions are nominal. Text may mention optional equipment which may not be included as a standard item in your model choice. Photographs may also show optional equipment available at additional cost.
