COMPRESSION 09
GAS & DIESEL TOYHAULER

Live out loud.™

COLORFUL CHARACTERS.

Safari is taking the road by storm with the all-new Compression toyhauler motorhome. Choose from two striking color schemes, each with full-body paint and head-turning graphics. Inside, you'll enjoy contemporary fabric combinations and our signature residential-style cabinetry. Yes, this'll get you noticed.

THE HEART OF A COMPRESSION.

2009 COMPRESSION DIESEL

F4F - RAISED RAIL CHASSIS

- Allison® 2500 MH 6-Speed World Transmission and electronic shifter for smooth, even shifting and added horsepower and torque. Gross combined weight rating of 33,000 pounds for a solidly built coach.
- Leaf spring suspension with four air bags and gas shock absorbers, with superior front-to-rear balance and sway reduction, giving superb ride and handling. Automatic traction control (ATC) eliminates wheel spin during acceleration.
- Fully automatic hydraulic leveling system to adjust coach level for passengers' ease in entry and exit.
- Heavy-duty steel undercarriage and firewall provide strength and durability.
- Electronically controlled exhaust braking system, with chrome exhaust tip for engine, provides smooth braking with four-wheel anti-lock braking system (ABS) with full air brakes (drum).
- Fuel tank capacity of 100 gallons.
- Radial tires (255/70R/22.5) let you drive with peace of mind.
- A 5,000 lb. newly designed hitch receiver with dual connectors (4-Pin or 7-Pin).

Compression's rugged Cummins ISB 340 HP engine with 660 lbs./ft. of torque.

AIR BAG SUSPENSION

The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

9-Layer Roof (top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

4-Layer Sidewall Construction (left to right)

- Smooth gel coat fiberglass wall
- 1-1/2" thick foam insulation
- 1-1/2" x 1-1/2" square tubular aluminum frame
- Interior paneling

4-Layer Floor (top to bottom)

- Structurwood™
- High-performance thermal insulation foam
- 1-1/2" aluminum tube
- Three-ply poly underbelly

BODY CONSTRUCTION

- Laminated Sidewall Construction
- Steel Cage Cockpit Construction
- Smooth Gel Coat Fiberglass Exterior Walls
- Front Cap and Large, Chrome Grille, with Automotive Style Headlights
- Panaview™ 1-Piece Front Windshield
- Rear Cap with Fold-Down Ramp
- Rear Cap with Manual Lift Gate Ramp
- Living Area Interior Ceiling Height 84"
- Storage Area Steel Framed Floor on Steel Trusses

- Nine Tie-Downs on Floor with Steel Backer
- Partition Wall between Living and Storage Areas
- Diamond Plating Material for Wall Protection inside Rear Toyhauler Storage Area
- One-Piece Interior Engine Cover
- New Front-Mounted 17.5" Chrome Head Exterior Mirror with Power Control Heads and Heat
- Metal Fuel Door with Lock
- One-Piece Polyethylene Pass-Through Storage Compartment

- Side-Hinged Baggage Doors, All Door Locations
- Color Single-Stage Full-Body Paint with Vinyl Graphics
- Undercoating

OPTIONS

- Film Front Protection Mask

FORD CHASSIS/ENGINE/SUSPENSION — 24,000 LBS.

- 6.8L 3-Valve V-10 Gasoline Engine with Electronic Fuel Injection
- Engine Displacement: 6.8 Liters 415 Cu. In.
- Power: 362 HP; Torque: 457 lbs./ft.
- TorqShift 5-Speed Automatic Overdrive Transmission with Tow/Haul Mode
- Transmission Oil Temperature Gauge

- Charge Indicator Light (Replaces Volt Meter)
- Fuel Tank Capacity 75 Gallon

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Safari models. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

Safari

COMPRESSION 09
GAS & DIESEL TOYHAULER

BEING DIFFERENT MAKES
ALL THE DIFFERENCE.

Take a closer look, and you'll discover that Safari, a brand of Monaco Coach Corporation, gives you more industry "bests" than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 350 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of safarimotorcoaches.com. At Safari, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best. Find out more by visiting www.monacodifferent.com.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
