

CHAPARRAL

*Take a "virtual" ride on a 2012 Chaparral
and see why no other boat compares.
From 18' to 42' Chaparral truly is
Leading By Design*

CHAPARRALBOATS.COM

*“There are four cornerstone reasons why Chaparral is “Leading By Design.”
We’ve built our company around these time tested ideals. Yes, other boat
builders share some of these same common denominators...
the difference is nobody puts it all together like Chaparral.*

Jim Lane, President and Buck Pegg, Founder, Chaparral Boats

LEADING BY DESIGN

DESIGN INNOVATION New product development drives Chaparral forward. We’ve introduced 20 new boats in the last seven years, 7 new boats in 2012 alone. How does Chaparral’s new product development rate against rivals? Ask the experts. The fact is, in our 46 year history we’ve won an unparalleled 41 awards for product excellence including 12 Boat of the Year trophies. When we win, you win. Case closed.

CUSTOMER SERVICE Chaparral is determined to keep the pleasure in pleasure boating. Customer Service is priority one. We want your boat buying experience to match the quality of our boats. So, how do we rate? At the top of the charts. Chaparral has earned the NMMA CSI Award for Excellence In Customer Satisfaction four years in a row and we’ve won in every segment of boats that we build: bowriders, deckboats, cuddy and express cruisers.

FINANCIAL STRENGTH Is performance the way a boat handles or the financial horsepower of your boat builder to weather any storm and maintain the highest quality standards? At Chaparral it’s both. Consistent and steady, our top management team has steered a true and steady course from day one. Traded on the NYSE under the symbol MPX, our strong zero-debt balance sheet is a verifiable matter of public record...a claim most rivals can’t make. When you turn the key on a Chaparral you’re not buying just a boat, you’re also buying a company. Choose wisely. Choose Chaparral.

WORLDWIDE DEALER NETWORK Chaparral’s dealer network spans the globe and ranks among the industry’s finest. Professional, knowledgeable and keyed into all aspects of owning a Chaparral, your dealer is dedicated to helping you create the ultimate boating lifestyle. Loyalty and experience are key.

OWNING A CHAPARRAL HAS NEVER BEEN EASIER

SSi BOWRIDERS 19' TO 21'

196 SSi

For more than 46 years, nobody does family bowriders like Chaparral. Our legendary SSi Series is the most awarded line of boats on the water today. Time tested Quad Radial lamination, stainless steel hardware and premium vinyls set us apart. Fiberglass molded side panels keep the look wide and clean. Our cockpit drainage system helps keep your new boat looking new. Stainless steel engine vents, edgy hull contours and a custom designed windshield fashion a distinct SSi style. A Limited Lifetime Hull Warranty proves we back what we build.

224 SUNESta

244 SUNESta

Sunesta is irresistible fun on the water. The keyword here is “More”. More fun. More room. More storage. More bow space. More ride comfort. Chaparral’s patented Wide Tech hull design distinguishes the Sunesta Series from other bowriders. Equipped for long distance adventures, all of the boats have an enclosed head. A cockpit galley, standard or optional depending on the model, is ideal for entertaining. All of these innovative sport decks have a platform lounge and a high tech dash that keeps you up to speed while creating a feeling of total control.

204 XTREME

224 XTREME

Chaparral's Xtreme Series has soared wakeboarding to new heights. We shattered the inboard myth with unmatched levels of performance, comfort and style. Our deep-V hull design and sterndrive power combine to create a great ride and a sky high wake height. All new graphics for 2012 create an Xtreme look you won't eye anywhere else. Ballast is standard (except 264X) and you also get the added bonus of an enclosed head, a rockin sound system, adult-sized legroom, vast storage and Chaparral's phenomenal attention to detail.

267 SSX

285 SSX

As the centerline goes up, so do the expectations. Chaparral's SSX Series has the power to change your boating life. SSX is widely recognized for its innovation, quality and creature comforts. Last year, our 327 SSX flagship ran away with the NMMA Innovation Award. Only Chaparral could design the world's first bowrider with a full-beam cabin. All SSX offerings have a cockpit galley (standard or optional depending on model), a high tech dash, an enclosed head and an enormous integrated platform. Bold graphics and embroidered upholstery add a custom look.

SIGNATURE

We had you in mind when we crafted our Signature Series. Upscale and carefree, Signature sets the pace when it comes to styling, high tech innovation, ride comfort, and, most importantly, cabin design. At home anywhere, the Signature line is refined luxury in motion. Belowdecks, the cabin designs are functional elegance at its very best. Scotchguard protected fabrics, stainless steel appliances and oversized aft cabins are a cut above. Premium DVD flatscreen TVs, a phenomenal sound system and high tech electronics keep you tuned in.

350 SIGNATURE

370 SIGNATURE

You've just arrived at the top of the line. Our Signature flagships and Boat of the Year winning 420 Premiere Sport Yacht are world class in every way. We could tout the workmanship, rave about the innovation and marvel at the cabin appointments. However, the best way to experience the top rung of our 2012 fleet is to take a test drive. One ride and you'll agree Chaparral truly is Leading By Design. Finally, when you get to the bottom line, remember Chaparral includes a wide variety of standard equipment extras that most rivals offer as costly options.
