HOLIDAY RAMBLER®

This is Living®

Aluma-Lite®

RICH HERITAGE, VALUE-PACKED

The Aluma-Lite nameplate has a long and distinguished history with Holiday Rambler, and its story continues with the reintroduction of the new family-friendly, fuel-efficient Aluma-Lite Class A gasoline motorhome. Holiday Rambler responded to the needs of its customers, who desired a smaller, low-profile, aerodynamic class A without having to sacrifice storage space, comfort or amenities.

Enter the Aluma-Lite Class A, built on an 18,000-pound GVWR Ford Super Duty chassis and powered by a 362-HP Triton V-10 engine; available in three inspired floorplans in lengths of 31 and 32 feet, including a single-slide, double-slide, and an all-new full-wall slide featuring the innovative slide-in-a-slide design.

Other amenities include an expandable L-shaped sofa with hide-away sofa/dinette table (31SF3), U-shaped booth dinette and hide-a-bed sofa (32PBS), 32-inch LCD TVs, and 100-plus cubic feet of exterior storage space. *(Pictured: 31SF3/Turning Leaves/Fulton Cherry)*

CHANGING THE WAY YOU THINK ABOUT RVING

Although smaller in stature, the Aluma-Lite A stands tall against larger motorhomes when it comes to spacious living.

The 31SF3 floorplan features a telescoping 7-foot slideout inside a 23-foot full-wall slideout, allowing for a large expandable L-shaped sofa with retractable section behind the driver's seat, with a hide-away sofa/dinette table (shown at left and inset).

The 32PBS and 32SBD floorplans feature standard U-shaped booth dinettes, hide-a-bed sofas, full-height kitchen

roll-out pantries and kitchen countertop extensions, and an optional fireplace (32PBS Only).

All floorplans boast an abundance of standard features, including hardwood cabinetry, molded laminate countertops with rounded edges, linoleum flooring throughout with plush carpet in slideout rooms and cockpit, 32-inch LCD TVs, double-door refrigerators and microwaves.

The home theater system in the living area is a can't-miss option. (Pictured: 31SF3/Turning Leaves/Fulton Cherry)

AT THE END OF THE DAY, IT'S ABOUT COMFORT

The Aluma-Lite A's bedroom features beautiful raised hardwood cabinetry throughout, a queen bed, king-size wardrobe, molded laminated countertops with rounded corners throughout, and new-style window treatments.

The 31SF3 bedroom features two-tiered upper and lower dressers with plenty of storage and counter space (shown at

right). Nice touches include the optional 19-inch LCD TV and DVD player, and day/night blackout shades for privacy.

In the bathroom, Aluma-Lite boasts a large shower with glass door, a vanity with stainless steel sink and large wall mirror, medicine cabinet with shelves, and lots of storage. (Pictured: 31SF3/*Turning Leaves/Fulton Cherry*)

FORM AND FUNCTION

Choosing the Aluma-Lite Class A was easy. Now it's time to choose a floorplan that best fits your needs. Aluma-Lite offers a stylish interior décor and two exterior color themes, not to mention three creative 31 and 32 foot floorplans from which to choose, including a single-, double- and an all-new full-wall slide featuring a telescoping slide-in-a-slide design. Together with Aluma-Lite's elegant hardwood cabinet styling, you've got an interior that excels in both form and function.

Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production. See your dealer for actual fabric and paint chip samples.

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications

as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are

fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.

AROUND-THE-CLOCK SERVICE AND SUPPORT

When you take delivery of your new RV, it's just the beginning of our exclusive around-the-clock Owner Advantage Program. We offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. We've teamed up with the largest RV emergency road service company in the country to give you immediate access to fast, dependable service when and where you need it. Add our toll-free service appointment assistance, plus a technical assistance hotline, and you have the security of full-time support at your fingertips.
