## TOY HAULERS

2012

**Jayco**

AMERICA'S MOST LIVEABLE RVs.

OCTANE ZX T26Y | CRIMSON

## AMERICA'S MOST LIVEABLE RVs

Liveability means making your camping experience more comfortable, in an RV you can depend on, at a price you'll feel good about. It's spending quality time together, without spending a fortune. And it's what makes Jayco America's Most Liveable RVs.

# BUILT FOR YOUR TOYS AND FOR YOU, TOO

Extreme liveability meets extreme versatility in the 2012 Jayco ZX toy haulers. With three models to choose from, all packed with Jayco's legendary durability, there's no reason to sacrifice comfort for garage space. In fact, there's plenty of room for everything—and everyone—you need for an unforgettable time with all your favorite toys. No matter which ZX model you choose, you're always ready for an off-road adventure.

## OCTANE ZX

Octane ZX boasts four phenomenal floorplans, each with ample living space and plenty of garage storage. Octane ZX Super Lite weighs in at just 4,060 pounds, making it one of the lightest toy haulers on the market, while Octane ZX sports a full-featured kitchen with Concord Cherry cabinetry.

SLEEPING CAPACITY | **UP TO 9**

EXTERIOR LENGTH | **20' 7"– 33' 6"**

UNLOADED WEIGHT | **4,060–7,600**

FLOORPLANS | **4**

## RECON ZX

Combining the liveability you expect from Jayco with the toughness and durability you demand, Recon ZX is a hard-core hauler. Thanks to its vacuum-bonded garage floor, Recon is built to support the weight of your toys, while an integrated electric lock and a hinged spring-assist ramp door make it easy to access your garage.

SLEEPING CAPACITY | **UP TO 12**

EXTERIOR LENGTH | **42' 7"– 43' 6"**

UNLOADED WEIGHT | **13,440–14,010**

FLOORPLANS | **3**

TOY HAULERS

OCTANE ZX AND OCTANE ZX SUPER LITE

OCTANE ZX

OCTANE ZX  
SUPER LITE

# EASY ACCESS

Loading your toys just got easier thanks to the Octane ZX's rounded-corner ramp door, angled at 11 degrees for easy access. Complete with Gripstar anti-slip, non-skid material, you'll never have to worry about packing up your motorcycles or ATVs in the rain.

OCTANE ZX SUPER LITE 161 | WALNUT

OCTANE ZX T26Y | CRIMSON

OCTANE ZX SUPER LITE 161 | WALNUT

## MAKE ROOM

With so many fold-away features, including a fold-away dinette and a fold-away sofa, Octane gives you room to stow all your stuff without sacrificing the comfort you expect.

## SLEEP TIGHT

There's plenty of space to spread out with a queen bed, the garage's retractable electric bunks, fold-away dinettes and sleeper sofas. So rest up. Tomorrow's another adventure.

## DIG IN

Thanks to innovative floorplans, the Octane ZX sports a full-featured kitchen with deep, double-bowl sink, microwave with carousel and Concord Cherry cabinetry.

# NOBODY OFFERS A BETTER WARRANTY THAN WE DO

**YOU WANT YOUR RV TO LAST A LONG TIME.** And nobody stands behind their RVs like we do. Our exclusive 2-year Co-Pilot Warranty is the best in the business. But it's more than just a number. Each and every Jayco undergoes rigorous quality control testing to make sure it holds up to that warranty, which in turn means less maintenance and a more reliable resale value.

## ↑ BETTER AVERAGE RESALE VALUE

In the last three years, Jayco owners have been banking on their investments. According to the NADA, Jayco's average resale value was 4.81% higher than the competition, giving Jayco the top resale value in the RV industry.

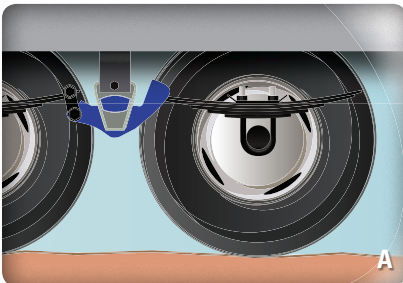

### A TOY HAULER'S DREAM

Five years down the road, the ZX will still be a toy hauler's dream. Complete with **A** | in-floor steel storage compartment, **B** | flush floor-mounted tie-down rings anchored to the frame and **C** | an integrated hinged spring-assist ramp door, it's packed with amenities for every adventure.

## ↑ LESS MAINTENANCE

Our top-quality materials and production techniques let you spend more time enjoying your new RV and less time maintaining it.

### EXTREME DURABILITY

You want your toy hauler to be tough enough to handle whatever the road throws at it. That's where the **A** | MOR/ryde suspension system comes in. Replacing typical steel equalizers, MOR/ryde uses rubber springs to create a smooth ride while helping isolate road shock, so ZX will hold up for the long haul (n/a Super Lite).

### ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through National Motor Club, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance with one simple call.

## TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. **Simply put, you won't find another RV packed with more TRUE VALUE — from the time of purchase to the time you sell.**

RECON ZX

# ROOM TO RELAX

With a super-roomy living area, multiple slideouts, a full-sized kitchen and a freakish amount of storage space, you won't have to sacrifice comfort. Plus, with Recon's optional cargo area electric queen beds, there's plenty of room for your friends.

RECON ZX 39C | WALNUT

RECON ZX 39C | WALNUT

RECON ZX 39C | WALNUT

## STUNNING

Hard-core on the outside, but stylish inside, Recon ZX boasts a stunning kitchen with high-gloss countertops and a stonecast integral kitchen sink.

## SWEET SUITE

The Recon ZX rocks a private bedroom complete with queen-sized bed, a shoe shelf in the closet and residential-style dresser drawers.

## CLEAN UP

Don't worry about tracking dirt into your Recon ZX. With a second bathroom connected to the garage, wash away the grit of the day (select models).

# BUILT FOR LEGENDARY LIVEABILITY

Liveability means making your camping experience a comfortable one. Unlike other brands, more features and brand-name components come standard in a Jayco because we believe it's the details that make your RV your home away from home.

## ↑ MORE STANDARD FEATURES

We pack more standard features into our RVs than anyone else. Even better, they're features we know you'll want, designed to make your RV more home-like, comfortable and convenient. Because at Jayco, it's always been about liveability.

### EQUIPPED FOR YOUR TOYS

With standard features like **A** | Recon' 30-gallon fuel station, **B** | jalousie crank windows and **C** | keyed ramp door lock(s), the ZX is set up for the ultimate toy-hauling experience.

## ↑ BRAND-NAME COMPONENTS

We like living up to the name we've built for ourselves. That's why we only use dependable components in our RVs, made by companies that value their reputation as much as we do ours.

### SWEET FEATURES

Whether you're cooking in your kitchen, cranking tunes in your toy hauler or powering up your ATVs, the ZX offers up top-notch names, like **A** | a Sony stereo system with exterior speakers, **B** | Recon's Corian high-gloss kitchen countertops and **C** | a fuel-efficient Onan generator.

With Jayco, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. **Simply put, you won't find another RV packed with more TRUE VALUE — from the time of purchase to the time you sell.**

# A TRADITION OF LIVEABILITY

**THE JAYCO STORY BEGAN IN 1968** when Jayco founder Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more comforts and conveniences, Lloyd believed his camper would bring people closer together because it was more liveable. A devoted family man, Lloyd's passion extended to his business as well. In fact, our company's success stems from his insistence on treating everyone at Jayco as family — from our factory to our front office, our salespeople to our suppliers, and our customers to our community.

**BLENDING OLD WORLD AMISH CRAFTSMANSHIP WITH INNOVATIVE TECHNOLOGY**, Jayco is the nation's largest family-owned and operated RV manufacturer today. And while our product line has grown considerably over the years, every unit we build is still guided by Lloyd's vision and a humble desire to help make it easier for families to explore together and relax together. It's what separates us from other RV manufacturers. And it's what continues to make Jayco America's Most Liveable RVs.

AMERICA'S MOST **LIVEABLE** RVs.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
