SPORT

Lightweight and nimble, the Airstream Sport line sets a new standard for ease of use – perfect for those who want to just hitch-up and go. Airstream Sport travel trailers are true premium compact trailers that let you live large.

Smart floorplans maximize space and minimize waste in two easy-to-handle lengths. Spacious and airy with its own lights, water, shower and fuel for cooking – plus more creature comforts than some trailers twice their size – the Airstream Sport offers the best travel trailer investment available. So choose your floorplan, choose the styling, then choose a destination. Whether it's a week of canoeing in Minnesota's Boundary Waters or three nights of music at California's Monterey Jazz Festival, you'll enjoy all the comforts of home no matter how far the road takes you. The Airstream Sport offers nothing less than a personal declaration of independence. So get out there – your adventure awaits!

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.

Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

Dry Weights - based on standard features; optional equipment not included. Net Carrying Capacity (NCC) is determined by subtracting Unit Base Weight (UBW) from the Gross Vehicle Weight Rating (GVWR), and is the capacity available for water, options and cargo. Liquid capacities and weights are approximations only.

Warning – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.
