Dream Dinette ■ 24DS Cedar Décor With our Dream Dinette you enjoy the comforts of a dinette with no cumbersome table legs getting in your way giving you more comfort and room in your dinette, plus with a flip of a lever you push the table down to make into an additional bed when needed... another Eagle Cap "Best of Class" standard feature!

Galley ■ 24DS Cedar Décor You will enjoy the beautiful, full featured, functional galley's designed in our motorhomes, from the rich and elegant Richmond Cherry interiors, large double bowl sinks with residential style faucets to the large convenient storage, pantries with full extension drawer, ball-bearing guides and bright LED lighting... another Eagle Cap "Best of Class" standard feature!

U-Shaped Dinette ■ Nickel Décor With the comforts of our u-shaped dinettes (as seen here in the 19RD also in the 31DS) you enjoy the comforts of seating for family & friends or the room and comfort of snuggling up with that special someone... With the ability to make our u-shaped dinette into an additional bed you have all of the comforts and versatility of a "Best of Class" motorhome.

Dinette/Galley ■ 19RD Nickel Décor Why buy an expensive Class B conversion van when you can own the Eagle Cap 19RK or 19RD (as seen here) with more room for half the price? With the Eagle Cap 19RD galley/dinette shown here you can see all of the room, storage and the open concept of the rear u-shaped lounge/dinette and open window design... compare to the competition and you will see why Eagle Cap is "Best of Class".

Electric Awning With our large, easy operation electric awning you will enjoy using an awning once again, with the push of a button in seconds your patio is ready!

Enjoy Best of Class Standard LED Lighting

Interior and Exterior LED Lighting

Enjoy the safety of your exterior LED porch/entry light, shown here with the optional coach stereo & exterior speakers. Also note all interior LED lighting in the interior photos to the left of your new Eagle Cap motorhome giving you the best lighting available without the heat and power drain of the traditional incandescent lighting... another Eagle Cap "Best of Class" standard feature!

Clearance & Tail/back up LED Lights

With all exterior LED lights you not only use less power, enjoy additional safety but you have a motorhome with a clean innovative new look... another Eagle Cap "Best of Class" standard feature!

Eagle Cap takes great care in providing accurate motorhome weights and measures information on its units by weighing each unit individually. However, weights in this brochure are approximate. Please check the wardrobe or closet for an accurate unit dry weight with factory installed options at time of manufacture.

A - Bath/Shower You will enjoy the oversized separate shower and the new Hotel style "Arc" shower enclosure giving you more room and comfort in the privacy of your own personalized bathroom. When you add the standard residential style porcelain toilet you truly are home away from home... another Eagle Cap "Best of Class" standard feature!

B - 24DS Bedroom • Cedar Décor Eagle Cap bedrooms are designed with residential queen beds, warm interiors, personal reading lights and ample storage with plenty of head room making your RVing experience a true enjoyment.

C - LCD TV's & Coach Stereo You can dress up your new Eagle Cap Motorhome with all of the features from home or keep it simple with your choice of these popular options. Both components are manufactured by Jensen. Designed specifically for the Marine Industry, these quality components are designed to handle hard bumps, knocks and are reliable even in moist environments.

D - Skylight w/Blind • 24 & 31DS With the standard double pane skylight w/blind you will enjoy the open roomy feeling of your Eagle Cap Class C, yet have the option to close for privacy.

E - Lounge Chair . 24DS Cedar Décor The 24DS swivel rocker lounge chair is comfortable for that morning cup of coffee or that private time with your favorite book.

Finding Your Perfect Floorplan – Small Easy to Drive 19'ers to our full featured 31' family coach

If you want the go anywhere, do anything then the Eagle Cap 'Best of Class' motorhome is the perfect choice!

ALP has been manufacturing motorhomes since the mid 80's exclusively for the tough and rugged rental Class C market in Northern Canada. Rental class C's receive 20 times more use and abuse than any retail customer could ever dish out and that is why ALP has finally answered the call to build our tough, durable "Best of Class" motorhome for the retail market.

The new Eagle Cap motorhome is built with welded aircraft quality aluminum framing and bonded with ALP's exclusive TCC Construction providing the strongest construction in the industry, thus a 3 year structural warranty. See Eagle Cap's 'Best of Class' standard features and you too will agree Eagle Cap is Best of Class!
