**A** Our large and spacious slide out room features comfortable dinette cushions and extra large dinette seating. Our oversized windows usher an abundance of light into the unit.

**B** Our large entertainment area is accented with a beautiful faux rock wall. This feature, found in our optional Limited Package, is an attractive focal point while enjoying your favorite movie or TV program.

**C** Grey Wolf's spacious bedrooms feature available overhead cabinets above the bed for added storage and long, mirrored wardrobe for all of your camping needs.

**D** A huge, residential pantry is featured in select models; giving you an abundance of storage for camping supplies.

**E** Grey Wolf's residential style wooden blinds found in our optional Limited Package add a touch of home to your unit. The shelf behind the sofa gives you a perfect location for your decorative accessories.

**F** Grey Wolf's drop in cooktop with a glass cover found in our optional Limited Package gives a beautiful upgrade look to our spacious kitchens.

**G** The under mount kitchen sink serves as a large basin to wash dishes or fill large pots for cooking. An optional sink cover provides a flush surface for cooking and meal preparation. Our high rise faucet allows you extra room to clean up with ease.

# GREY WOLF EXTERIOR FEATURES

**H** Grey Wolf's Power Awning, found in our optional Limited Package, provides an easy way to shade the exterior patio area with just a push of a button.

**I** Grey Wolf's friction hinge door eliminates the bothersome door latches found on other brands. These hinge allow you to swing open the entry door at several different angles.

**J** The elegant LED strip lighting under the awning rail is offered in the optional Limited Package. This beautiful accent lighting provides a warm and inviting glow to your patio area.

**K** The Grey Wolf's exterior speakers and TV bracket and hook ups, found in our Limited Package, provides excellent sound quality and a place to watch your favorite movie or show.

**L** The heavy duty power tongue jack found in the optional Limited Package provides you an easy way to load your trailer with a push of a button.

**M** The rear travel rack, in the optional Limited Package, is an ideal location to store coolers, bicycles and any extra items that you want to take with you on your outdoor adventure.

**N** The self- adjusting brakes and quick super lube axles are two superior features found on the Grey Wolf. These features give you added safety and convenience while enjoying your trailer.

**O** The radial tires also found in the optional Limited Package provide a smooth ride as you head out on your outdoor excursion.

# EXPERIENCE THE FUN WITH GREY WOLF.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

## PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
