**LUXURY TO THE MAX** With LaCrosse, this is more than just a catchy phrase found inside a brochure – it's the strategy that guides us every day as we strive to create the perfect Recreational Vehicle. A simple example of this strategy is LaCrosse's 82" sidewall height. Your senses will tell you that the extra headroom "feels" great. Then you notice that the kitchen cabinets are huge, vented windows are 20% larger – very nice, indeed. Finally, as you settle into the Residential Furniture, you will appreciate that LaCrosse has extra tall, very spacious slide-outs. Luxury To The Max. It's our strategy to MAXimize your enjoyment.

**LUXURY TO THE MAX** In the past, luxury and value were contradictory terms – not any more! LaCrosse redefines value to include the very best in price and quality but without sacrificing luxury, comfort, and convenience. LaCrosse is loaded with upgraded features like: LG Solid Surface Kitchen Countertops, beautiful Golden Cherry cabinet doors, and large LED TV's. To **MAXimize** your convenience, many floorplans offer an amazing 12 cubic foot refrigerator! The unmatched storage, residential appeal, and plush comfort of LaCrosse is normally reserved for units costing thousands more. Your search for the perfect combination of luxury and value is over. We have created it. It's called LaCrosse!

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
