TAKES YOU TO OTHER WORLDS OF VALUE AND ENJOYMENT. AR-ONE
AR-ONE TRAVEL TRAILER.
This is the best value in lightweight travel trailers! The AR-ONE 7'-wide travel trailer line is an entry-level camper that is priced right, yet comes with many quality features. Key features are bolder exterior graphics, honey-glazed cherry wood cabinetry and genuine Denver Mattress® brand ultra plush bunk mats. A 2-year limited warranty is still standard as well! With a lot of quality and time-tested features packed into a small, lightweight camper, the AR-ONE includes user-friendly amenities to help ensure an enjoyable camping experience. And many of these AR-ONE floorplans are towable by SUVs and minivans.

AR-ONE MAXX TRAVEL TRAILER.
The AR-ONE MAXX line features an 8'-wide body and plenty of top-quality standard amenities. Solid ball-bearing drawer guides, brand name appliances and Denver Mattress® brand bunk mats are among the many standards you’ll find. A 2-year limited warranty also sets the Starcraft brand apart. With 11 floorplans, you’ll find a variety of layouts, including double-over-double bunk beds, a front and rear queen bed design, and additional bunk bed models (for the family campers), along with plenty of storage in this lineup. Packing a lot into a lightweight travel trailer, the AR-ONE MAXX will provide years of use.

AR-ONE AND MAXX TOY HAULER.
New for this model year, AR-ONE offers several 7'-wide and 8'-wide toy hauler floorplans. For those on the go, and wanting to take golf carts, ATV’s, pets and hobbies along; the extra “garage” space will accommodate. AR-ONE toy haulers feature over 8’ of cargo room while the MAXX toy hauler provides over 14’ of usable space. Fold-down bunks, in-floor tie-downs, ramp door and fold-up sofas are all unique features of these toy haulers. Model 17XTH even comes with an expandable bed for maximum use of living space. With all of the quality features of the AR-ONE series, take one of these toy haulers on your next adventure!
AR-ONE MAXX FIFTH-WHEEL.
Get the MAXX out of your RVing experience with one of these all-new AR-ONE MAXX fifth wheels. And as with many other models of the AR-ONE line, standard features include fiberglass front cap, electric awning with LED lighting, black front diamond plate, Magnum Roof System, LED interior lighting, and many more features including a long list of optional accessories. For more information on the AR-ONE fifth wheel, see your authorized Starcraft dealer or visit www.starcraftcamping.com today.

UNBELIEVABLE FEATURES & OPTIONS.

For over 50 years Starcraft RV’s reputation has been built around top-quality products. Each is designed to provide years of trouble-free use. Backed by a 2-year limited warranty, our innovation and quality start with a solid foundation. Compare and you’ll see just how much care and meticulous attention to “doing it right” goes into every Starcraft.

STRONGEST ROOF EVER!
Strength is one of the basic principles of engineering, the stronger something is built, the longer it will last. At Starcraft, we understand strength comes from within, which is why we focused on the smallest of details when constructing our exclusive Magnum Roof System. From sturdier vertical studs to 7” header beams, we pride ourselves on staying at the top of our game building stronger products that last.

Our optional Climate Package extends your camping season, providing protection against cooler temperatures with its insulated, heated and enclosed underbelly.
**LIVING ROOM.**
Standard features include vinyl flooring for ease of cleaning, convertible dinette, arched ceiling design, air conditioner and more. See page 7 for more standards and optional items.

**KITCHEN.**
Even for a lightweight, affordable travel trailer, you’ll find the conveniences of home: large sink, 2-burner cooktop, microwave, power range hood and plenty of countertop space for food preparation.

**BEDROOM.**
Perfect for family camping and sleeping, AR-ONE 7-wides come with ultra plush Denver Mattress® bunk mats.

**BATHROOM.**
A foot flush toilet, sink with mirror, shower vent and tub/shower surround are all standard equipment with AR-ONE. See floorplans for bathroom configurations.

**AFFORDABLE VALUE. WITH SUPERIOR QUALITY.**
The AR-ONE 7’ wide toy hauler models are an economical choice for the adventurous. The folding sofa/sleeper and expandable offer more sleeping capacity. The ramp door is sturdy and secure, plus there are floor tie-downs mounted to the frame.

AFFORDABLE TOY HAULERS.

The AR-ONE 7’-wide toy hauler models are an economical choice for the adventurous. The folding sofa/sleeper and expandable offer more sleeping capacity. The ramp door is sturdy and secure, plus there are floor tie-downs mounted to the frame.

OVER 50 YEARS

LANDED IN 1964. Starcraft is one of the oldest and most respected names in the RV industry. In fact, we’ve been around since 1903. Back then, we made our name building livestock tanks and other metal farm equipment. In the 1920’s, we added a variety of boats to our product lineup. And in 1964, we entered—and revolutionized—the modern camping industry.

2-YEAR WARRANTY. The Starcraft warranty is a manufacturer’s limited warranty. Each Starcraft is warranted to the original purchaser for 24 months from the original date of purchase against defects in materials and workmanship. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

SAVING THE PLANET. The Starcraft EcoAdvantage™ is our company’s commitment to protecting the environment. Through smart sustainability efforts, we’re creating better ways to build better RVs using fewer or renewable natural resources. This is our commitment to you—to build a better RV so that we can do a better job of protecting our planet. Learn more at StarcraftRV.com/EcoAdvantage.

Unloaded Vehicle Weight (UVW): Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. Hitch Weight: The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and backing in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment.
