With innovative floorplans starting around 5,000 pounds, Imagine hits the towing sweet spot for today's medium duty trucks and SUVs. Imagine does so without the compromise that other manufacturers feel forced to in pursuit of lighter weight.
2950RL LIVING/GALLEY AREA

2800BH BUNK AREA

ALUMINUM ENTRY STEPS
100% Aluminum, Easy open... won’t rust or bind.

OUTSIDE KITCHEN (2800BH shown)

EVENFLOW HEATING SYSTEM
Evenly distributes heat from the front to the rear without vents in floor that collect dirt and debris

UNIVERSAL DOCKING STATION
All-in-one location for utilities and hookups.

BEST-IN-CLASS STORAGE
Exclusive drop frame pass thru storage.
BUILT TO A HIGHER STANDARD

MAXIMUM INSULATION

1 FULLY LAMINATED WALLS (R-7)
Sidewalls, rear wall, slideroom endwalls, and slideroom roof are all laminated construction with rigid foam insulation. Many others use soft fiberglass insulation in the rear wall and slide rooms that can settle over time and leave uninsulated air gaps.

2 DOUBLE INSULATED FLOOR / UNDERBELLY (R-30)*
The enclosed and heated underbelly features a layer of radiant foil insulation and the main floor adds an additional layer of insulation. The slideroom floors are also insulated with radiant foil. (R-24*)

3 DOUBLE INSULATED ROOF (R-40)*
A layer of fiberglass insulation and a layer of radiant foil insulation covers the full length of the roof.

4 DOUBLE INSULATED FRONT CAP (R-40)*
Grand Design goes the extra mile by extending both the radiant foil and fiberglass insulation layers from the roof, and wraps them all the way around to the bottom of the front cap.

*Equivalent R-Value

MAXIMUM HEATING POWER
A high performance furnace delivers 35,000 BTUs of heating power.

MAXIMUM FUNCTION
- Heated and Enclosed Underbelly with Suspended Tanks
- Heated and Enclosed Dump Valves
- Designated Heat Duct to Subfloor

4-SEASONS PROTECTION PACKAGE
Imagine's design has been put to the test in extreme temperatures ranging from a frigid 15 degrees to a scorching 100 degrees. Third party extreme testing showed that the Imagine remained functional and achieved very comfortable temperatures.

BACKED TO A HIGHER STANDARD
Every Grand Design RV is backed with a class leading 3-year limited structural warranty. By selecting suppliers with similar philosophies, many components used on our coaches also carry an extended warranty through the component manufacturer.

- AXLES (5 Years)
- TIRE WARRANTY (5 Years w/12 Month no questions asked replacement)
- EXTERIOR GRAPHICS (5 Years)
- ROOF COVERING (12 Years)

Because of our commitment to continuous product improvement, Grand Design Recreational Vehicles reserves the right to change components, standards, options, specifications, and materials without notice and at any time. Photos may show optional equipment which may not be included in the standard purchase price of the featured unit. Be sure to review current product details with your local dealer before purchasing. Rev. 10/02/17
Thank you for taking the time to tour our coach. We would like to share some insights into what sets Grand Design RV Company apart from all other RV manufacturers and why this difference is important to you.

The three of us were part of the original ownership team that led a top RV Manufacturer to become the largest travel trailer and fifth wheel company in the world. While proud of our accomplishments at this company, it became difficult to stay in touch with the needs of our customers, employees, and ultimately the products we built.

In 2011, we set out to pursue our dream and re-establish the personal connection we had enjoyed with customers and dealers. The result is Grand Design RV Company. Starting with a blank canvas, we were able to do things differently than what had been done before.

After achieving unparalleled years of growth, Grand Design formed an alliance with one of the industry’s most iconic brands...Winnebago. Operating as an independent business within Winnebago Industries provides additional financial stability and enables us to continue Grand Design’s unique way of doing business for our current and future customers.

LONG TERM VALUE
Everything we do at our company is designed to build long term value in what we offer our customers, “more features and superior value for your dollar.”

CUSTOMER FOCUS
Our focus (from the very first day we opened our doors) revolves around our customers.

STAYING CONNECTED
Magic happens when the President and Senior Management are all actively working with the production facilities to help build the team and develop products.

EXPERIENCED WORKFORCE
Our local workforce has been hand-picked, and has an excellent reputation for quality craftsmanship that is second to none.

CLASS LEADING WARRANTY
We back every one of our coaches by a 3-year limited structural warranty.

RAISING THE QUALITY BAR
We put every Grand Design RV through a series of quality inspection gates during the manufacturing process. Once completed, the unit undergoes a comprehensive final finish inspection. From here, most manufacturers ship their coaches on to the dealer for retail sale. Not Grand Design...Every one of our coaches are shipped to a separate PDI (Pre-Delivery Inspection) location where they are again put through a 250+ point inspection process. It is only after this that we deem a unit ready to ship to our dealers.

SUPERIOR SERVICE
We deliver the highest quality in the industry, but anything built by humans can be subject to issues. It’s how those issues are addressed that stands out with Grand Design. Don’t just take our word for it, visit the owners page on Facebook (Grand Design RV Owners) and see for yourself how we take care of our customers after the sale. An informed customer will be a Grand Design customer!

At Grand Design our goal is simple... Continue leading the industry with quality products while improving the customer’s RV experience before, during, and after the sale. We would be honored to personally welcome you to the Grand Design RV family!

Warmest Regards,

Don Clark, Ron Fenech, Bill Fenech
President / CEO / Co-Founder Co-Founder Co-Founder

Grand Design RV was created in 2012 and founded by close friends Don Clark and brothers Ron and Bill Fenech (Representing over 80 combined years of experience in the RV Industry).
