WANDER OFF.

CAMPING | pure and simple.
CHASE ADVENTURE. 
CHERISH THE JOURNEY.

We are seekers and boundary pushers, and this is our time. Time to chart our own course. To leave with nothing but our gear and a free spirit, and to discover everything along the way. Starcraft RV has been satisfying adventure seekers for over 50 years. Our heritage is deeply rooted in family values, exceptional craftsmanship and leading edge innovation. Like you, we look forward to seeing where our next journey takes us. Create your next experience of a lifetime in a Starcraft RV.

  rims

NOTES

LOCAL DEALER INFO

536 Michigan Street | Topeka, IN 46571 USA | (800) 945-4787 | starcraftcamping.com

Unloaded Vehicle Weight (UVW): Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other
promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. Hitch Weight (HW): The hitch weight, as used in product literature and other
promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from
the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review
weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow
vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in
a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective
pages of this brochure.
