3TRAX™ is our in-wall slideout system, housing all the moving and mechanical parts within the sidewall of the motorhome. This triple track design supports large rooms, like those found in full-wall slideouts, ensuring simple, reliable, maintenance-free operation. What sets 3TRAX™ apart is the patented rail system, in-floor roller guides and electric motor design. For more information, visit thormotorcoach.com/3TRAX.
