All-In-One Gear Closet and Wet Bath

Power Lift Bed and Gear Garage

The true 4x4 RV opens up a world of possibilities

Designed specifically for active outdoor enthusiasts, the all-new Winnebago® Revel takes a no-nonsense approach to adventure, with a straightforward design and function-driven features. Taking full advantage of the proven 4x4 Mercedes-Benz® Sprinter chassis, the Revel's 3-liter turbo-diesel puts 325 lbs./ft. of torque through an on-demand 4WD system, complete with high/low range and hill descent mode for added off-road capability. Inside, the Revel's unique features start with a floorplan designed around a 140-cu. ft. gear garage with a

power lift bed. A full galley, including a 2.5-cu. ft. compressor refrigerator, makes meal prep a breeze, while the all-in-one wet bath and gear closet boasts a cassette-style toilet that eliminates the need for a separate black water holding tank. Add a standard 200-watt solar power system, diesel-powered heating, a dinette with a pull-up table that converts to additional sleeping space, and many more innovative features and the result is the new Revel: quite simply the most off-road capable RV Winnebago has ever built.

FEATURED WINNEBAGO TRAVELER

Whether venturing through mountains, deserts, or forests, spending time with his favorite humans, or just goofing off with his furry best friend, Bentley Bean, **Kyle Kesterson** is always armed with a camera, pen, and an unquenchable curiosity to capture and share the stories unfolding around him.

A storyteller, inventor, and full-time nomad who calls a red Winnebago home, Kyle's work is focused around youth, poverty, creativity, community, inspiration, and entrepreneurship.
