AN EXPANSIVE AWNING
All Aspen Trails come standard with a power awning with LED lights, allowing you to stay close to Mother Nature whether it's rain or shine.

FRONT TO BACK FREEDOM
Every inch of the Aspen Trail has been designed for full-featured living. Aspen Trail’s amenity-rich kitchen areas have undermount farm-style sink with cover and seamless countertops throughout. The design also provides ample amounts of additional storage space and radius overhead cabinets for keeping essentials close at hand.

GO ON THE JOURNEY OF A LIFETIME WITH THE ASPEN TRAIL
With a name that reminds you of beautiful mountain vistas and once-in-a-lifetime excursions, the Aspen Trail is one travel trailer that lives up to its name, then exceeds all expectations.

With the Aspen Trail, you'll journey with wall-to-wall interior features, like an undermount farmstyle sink, 3 burner range with oven and glass cover, high output furnace, real maple hardwood doors and drawers, and 82" interior ceiling height. Plus, you'll have peace of mind in any location with mega pass-thru storage that has oversized baggage doors on both sides, a heated and enclosed underbelly, and seamless one piece roof. The only thing the Aspen Trail can't do is plan your next adventure... but it can try.

1. FULLY ENCLOSED UNDERBELLY
Prevents water tanks from freezing, and protects the tanks and floor from road damage to extend your camping season.

2. ROOM TO STRETCH

3. MORE STORAGE
Overhead cabinets in the slideouts, larger cabinets, and real hardwood doors and drawers give you more storage for all of your camping gear.

4. CONVERTIBLE DINETTE
With the option to set up as straight or U-shaped, the industry-leading convertible dinette comfortably sits a group of adults as well as a family. At night, arrange the cushions into a bed to accommodate extra sleeping campers.

100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is our standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Typically, a competitor performs random inspections, meaning you won’t find this commitment to quality anywhere else.

THE INDUSTRY’S BEST WARRANTY

Every Dutchmen RV comes with our all-new 3-year limited structural warranty. Dutchmen owners can expect an extra two years of protection and peace of mind.

MORE STANDARD FEATURES

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” We’ve built a reputation for bringing RV owners more standard features for less money for more than 25 years . . . and it’s a reputation we plan to keep.

NATION WIDE DEALER NETWORK

More than 300 Dutchmen dealers across North America and our industry-leading service center in Goshen, Indiana, combine for your peace of mind before, during and after the sale. Rest assured no matter where your travels take you, the best-resourced RV manufacturing company in the world is behind you all the way.

300 STRONG

From giving advice to servicing products, we consider our loyal dealers the best resource for learning about Dutchmen products.
