ROBALO

SINCE 1968

54 YEARS OF FISHING, FAMILY, AND FUN

Behind every Robalo is a story of family, performance, and one-of-a-kind craftsmanship. Since 1968, Robalo has proudly achieved legendary status by blending timeless style with durability second to none. A history created from a strong boatbuilding background with a passion for fishing, our boats incorporate those special elements that distinguishes and pleases the most demanding of fishermen and family boaters.

Today, our ambition to fulfill Robalo owners' expectations has not changed in 54 years of fishing, family, and fun. Each model is hand-crafted with pride by Robalo's team of boatbuilding experts. Global operations are located in Nashville, Georgia where we proudly employ many second and third generation boat builders who are passionate about boating just as you are. We welcome you to join the Robalo Nation and take on offshore angling adventures like no other.

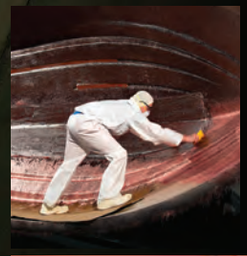

BUILT BY THE BEST

THE ROBALO DIFFERENCE

Our goal is to make dreams come true by meeting and exceeding expectations while creating a boat that will deliver a lifetime of excitement. Experienced professionals combine hand-crafted quality with cutting-edge technology as they exceed with the latest stringent material certifications and component regulations.

Distributed by an elite world-wide dealer network, the best team of men and women boat builders operate in our 1.25 million square-foot facility with a top priority of meticulous attention to detail. Robalo Boats is the largest, single-site, boat manufacturing plant in the world building each and every model with high-quality materials and incomparable functionality. Engineering that ultimately delivers safe, reliable boats with legendary hull ride and superior fishability the marine industry leader Robalo is known for.

QUALITY FIRST

DISTINCTIVE CRAFTSMANSHIP

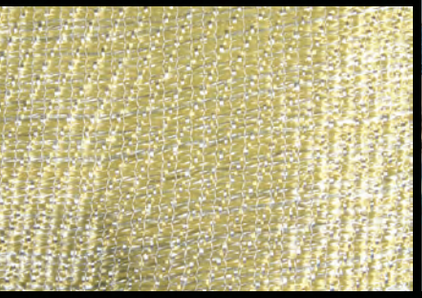

Boat building is not just a science, it's an art form. Robalo aims not only to be a leap forward in style and performance but also a new benchmark for dependability and versatility. Why compromise when all boats are not created equal?

Robalo's diverse line-up offers a distinguishing blend of state-of-the-art technology with the world's finest materials. Premium gelcoat, Vinylester resin, Kevlar® reinforcement, stainless steel hardware, plush seating with silicone upholstery, and many more unique elements are creatively engineered for the harshest of marine environments.

Step on-board and immerse yourself in Robalo's passion for dependable quality, family fun, and thrilling angling excitement that will last a lifetime.

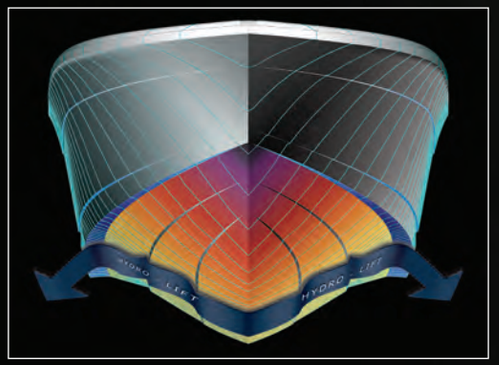

HI-TECH DNA

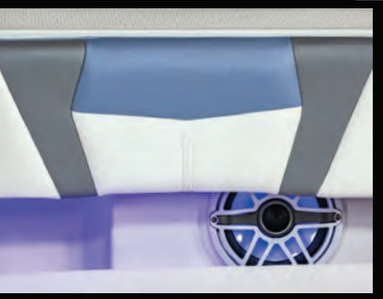

ENGINEERED TO ACHIEVE

The Robalo brand, synonymous with high-performance, durability and functionality, extends deeply into every boat. Over 5 decades of unique know-how and problem-solving expertise gives an undisputed advantage in new-product refinement. Each Robalo boat's DNA is inherently rooted in advanced technology, and a distinctive combination of tournament-level fishability and yacht-like comfort for any offshore environment.

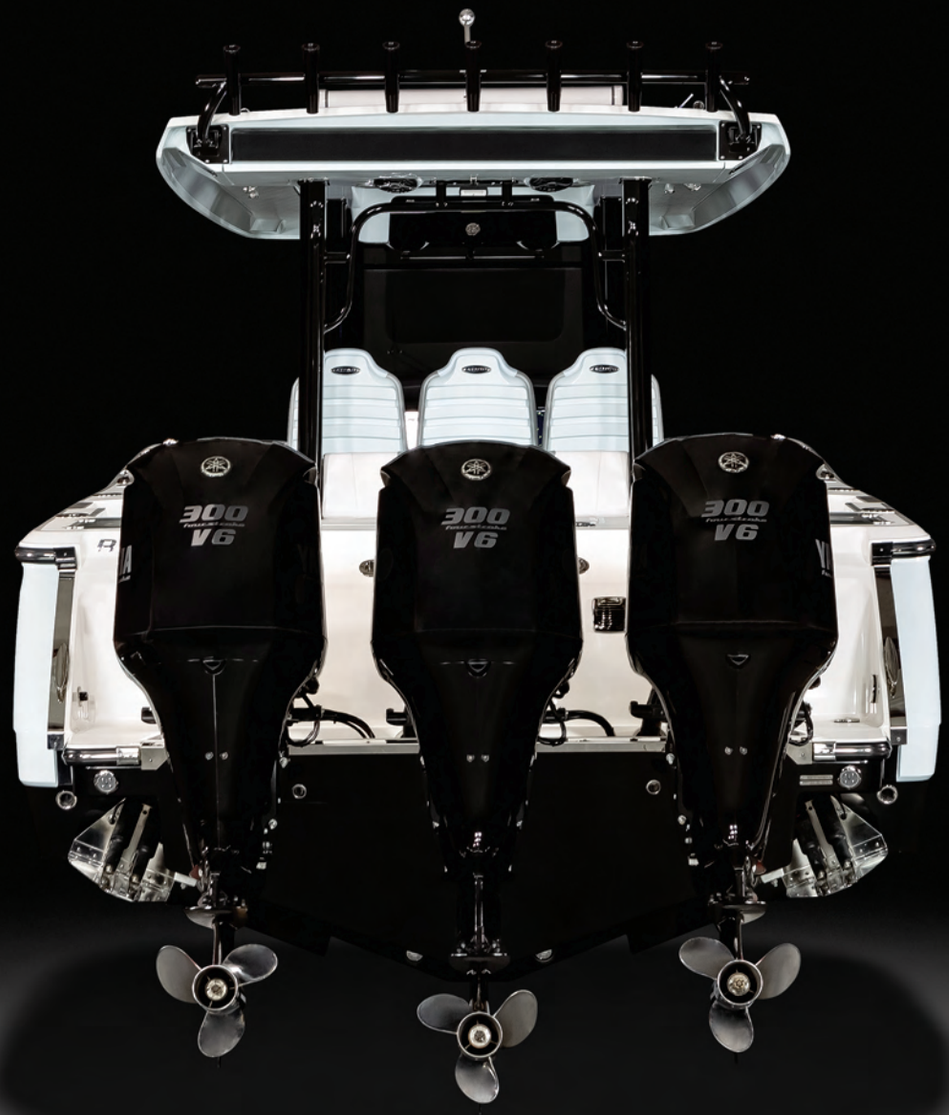

In addition to being engineered by some of the best in-house boatbuilding talent, Robalo's exlcusive choice for marine electronics is Simrad®. Our ongoing partnerships with the world's most respected vendor partners allows us to benefit from a continued transfer of knowledge, techniques, and the most innovative applications available.

LEGENDARY RELIABILITY

PARTNERS IN PERFORMANCE

If weathering tough marine environments and providing unmatched performance is the task at hand, two names stand above the rest; Robalo and Yamaha. When both team together, you get reliability, capability and engineering at its very best.

For more than 30 years, Yamaha Outboards have delivered superior power, performance and efficiency. Purpose-built from the ground up to withstand the rigors of offshore boating, Robalo owners get something that can't be measured in HP or RPM - legendary Yamaha reliability.

The end result is a comfortable, dry and stable ride with phenomenal performance whether operating at trolling speed or full throttle. No matter what length, style or horsepower you choose, Robalo Boats with Yamaha Outboards is a winning combination.

Factory Installed with YAMAHA

CENTER CONSOLES

CLASSIC MEETS CONTEMPORARY

Classic meets contemporary on Robalo's renowned Center Console lineup. This timeless style remains the perfect companion for high-powered offshore thrills, laid back sand bar trips, and everything in between. Effortless sleek designs and multipurpose floorplans loaded with tournament-level features are engineered for comfort, efficiency and performance. To exceed all expectations for offshore fishing and family boating, choose a Robalo Center Console.
