Casita<sup>®</sup>  TRAVEL TRAILERS

Manufacturing since 1983, Casita Enterprises, Inc., has owned the road as America's Favorite Lightweight Travel Trailer. It's the quality of workmanship and materials that sets Casita® Travel Trailers apart. Exceptional customer satisfaction is another plus. Family owned and operated, our pride shows in the level of comfort experienced every time you and your Casita travel highways and byways.

## A Light-Weight Solution To A Heavy- Weight Task!

“When it comes to ease of towing, the only thing that can follow you better is your shadow.”

Trailer Life Magazine

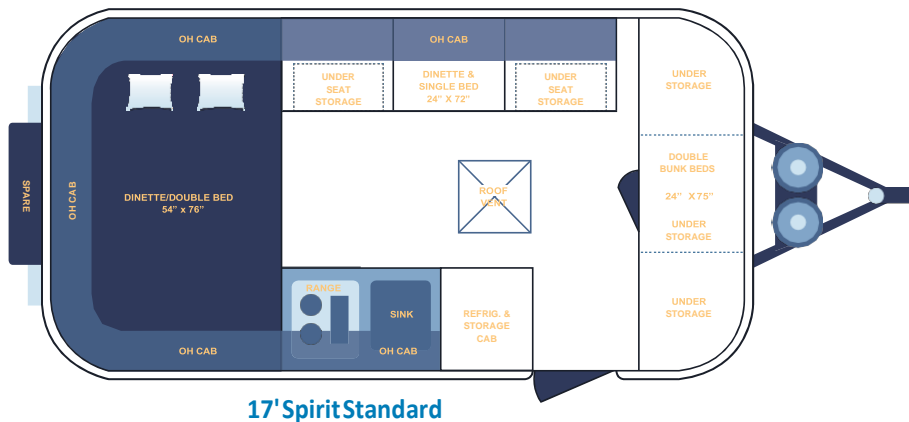

Every Casita travel trailer is manufactured to order in our manufacturing plant in Rice, Texas. 1-800-442-9986.

A Customer Loyalty Program is available with our Casita Owners. This program allows you to view the quality of a Casita in your area.

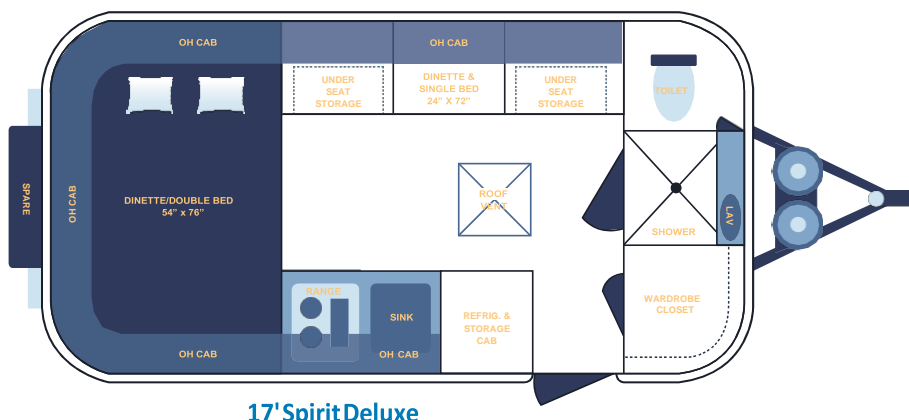

We understand it is much easier to make a decision on what to buy if you can make comparisons. We believe if you can see the Casita, and compare it with other units on the market, you'll understand why so many people are investing in a Casita.

With two separate sleeping areas that convert into dinette tables providing comfortable seating for six, the Spirit model is the perfect choice for families on the go. For convenience, the rear dinette can be left permanently in the double bed position, while utilizing the side dinette which is positioned at a large fully-operational screened picture window for the ultimate in dining enjoyment!

- Great for the family
- Simple sleep/dine converting options
- Standard Model (no bathroom) can sleep up to five people.
- Deluxe model features

## UNIQUE FEATURES AND BENEFITS

<b>Marine Grade, two-piece fiberglass-shell construction</b>	Strong and lightweight construction. Eliminates siding over frame construction. Easily repaired. Easy to clean. Eliminates rusting and other deterioration, and will last and last, no roof seams.
<b>All fiberglass bottom pan</b>	Eliminates rust problems, eliminates under-carriage water leakage. Wood floor completely sealed inside of trailer. Prevents rotting from road moisture and dust penetration.
<b>Heavy duty steel frame</b>	Improves underbody strength. Protects unit from road and rough terrain damage and carries heavy duty suspension mounts.
<b>Rubber torsion bar suspension</b>	Reduces coach vibration, maintenance-free and isolates coach from rough terrain, with independent suspension.
<b>Insulated interior</b>	Eliminates interior condensation. Keeps cool in summer, warm in winter and reduces outside noise levels.
<b>Lightweight, fiberglass interior furniture</b>	Eliminates warping, easy to maintain, fits décor and makes trailer lighter.
<b>Aerodynamic design Lightweight</b>	Low wind resistance when towing. Low cross-wind resistance. Good towing stability, and provides good road stability. Pulls with a small vehicle, EASY to hand when towing, SAFER to control on the road, less wear-and-tear on car, and SAVES on gas when towing.
<b>Spacious private shower and toilet combination</b>	Gives privacy and convenience of larger coaches. Allows families privacy in use, with more versatility.
<b>Choice of sleeping accommodations</b>	Choose a layout for the whole family
<b>Nearly 50 cu. ft. of storage space</b>	Can store necessary travel gear conveniently.
<b>Large screened windows</b>	Provides Open Feeling and Natural Light
<b>Complete, usable galley as standard equipment</b>	Store and Prepare Foods Properly
<b>Potable onboard and city water hook-up with water heater</b>	Fresh, hot-water at all-times.
<b>Top brand-name components</b>	Quality Products insure long life.
<b>Warranty</b>	1 Full Year on Casita Manufactured Items
