*N/A ON SUPER-LITE MODELS

We instantly fell in love with our Arcadia when we toured it at the Tampa RV show. Wise use of space, huge, panoramic windows that bring the outside in, a large private bath with a roomy shower, a walk around queen bed with big wardrobes, massive amounts of storage, and cutting-edge technology. The clean, crisp, modern décor was the icing on the cake.

SUPER LITE FIFTH WHEELS

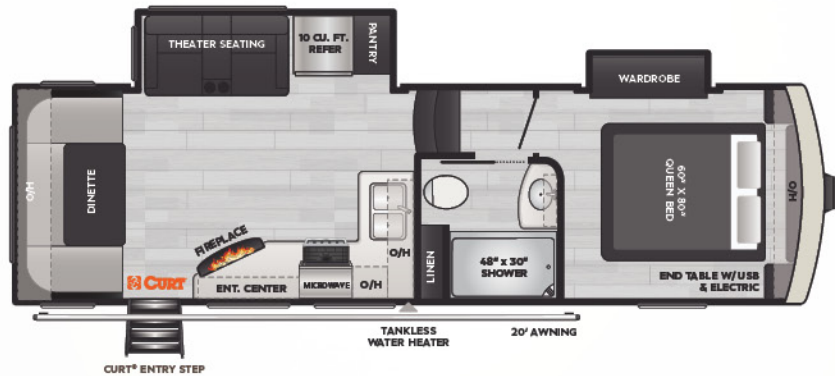

Utilizing the most advanced construction techniques in the industry, Arcadia Super Lite models are specifically engineered to provide maximum comfort, convenience and livability while maintaining lengths and weights that are easily towed by properly equipped half-ton trucks.

Like Arcadia's full-size floorplans, Super Lites feel open and expansive, thanks to their breathtaking styling and décor, oversized windows, unique cap design and Spacesaver chassis.
