

INTRODUCING THE NEW 2024

AMP 333SC CENTER CONSOLE

Beneath the stylish exterior lies a beast waiting to be unleashed. The AMP 333SC boasts a high-performance engine that’s ready to conquer any waters. Whether you’re racing across the open sea or leisurely exploring hidden coves, you’ll feel the rush of power and precision that only the AMP 333SC can provide.

Design

A masterpiece of handcrafted luxury, the AMP 333 SC is meticulously built with your comfort in mind. Its elegant lines, expansive cockpit, cutting-edge console, and unprecedented beam elevate your boating experience to unmatched levels of sophistication.

Luxury

The AMP 333 SC is a testament to opulence and refinement, making waves in the industry. Emphasizing lavishness and superior design, it exudes sophistication that sets it apart. With plush interiors and state-of-the-art entertainment, the AMP 333 SC defines waterborne luxury.

Lifestyle

The AMP 333 SC center console boat redefines luxury living, setting a new standard with lavish interiors and cutting-edge entertainment. Reserved for the most discerning tastes, it’s a lifestyle of unrivaled exclusivity.

Performance

The AMP 333 SC is a remarkable performance boat with a cutting-edge double-step hull design, reaching speeds from 72 to 95 MPH. It excels in safety, superb handling, and exceptional stability, ensuring an exhilarating yet secure water experience.

Length	33’	Fresh Water	36 gal	Deadrise	22 deg
LOA	35’5	Waste Tank	9 gal	Height on Trailer	12’
Beam	10’7	Fuel Capacity	276 gal	Bridge Clearance	8.5’
