# Design-Driven For The Whole Family

## OUR LEGACY CONTINUES

Legendary Crownline quality is at the heart of our Finseeker Collection. Our team is always looking for ways to take our boats to the next level, and when it came to building a fishing boat worthy of the Crownline name, they exceeded every expectation.

Each model features the engineering, comfort, technology, and must-have features you need for perfect days on the water. We believe in designing for excellence — not excess — and the Finseeker Collection is proof.

## 30 YEARS IN THE MAKING

Our Finseeker boats are thoughtfully designed with well-placed fishing amenities to please even the most serious fishermen and fisherwomen, with luxurious touches and entertainment features included to create the perfect all-around family boat.

# New Addition 245 WA

The new Finseeker by Crownline 245 WA features a 360 degree walk around for increased fishability. A great fishing / family boat, the 245 WA is trailerable and has a spacious cabin area with more than 6 feet of headroom, U-shape seating with filler cushions to form a sleeping area, a portable head, microwave, and sink. The cockpit area seats six, with flip up features for enhanced fishing capability. The standard fiberglass hard top has rear facing LED work lights, 4 rod holders, overhead lights and walk around grab rails, providing protection from the elements during a full day out on the water.
