THE ROZ ROLL OFF DECK

The ROZ roll off deck completes Horizons Roll Off series with a brilliant display of utility and functionality. Available in lengths ranging from 14' to 20', this unit embodies the versatile nature of the series by being maximally adaptable. A classic 96" wide deck is accented with 2" treated pine lumber flooring.

The frame is composed of 2" x 5" square tubing with a 2" rubrail on the sides. The side rail includes pipe spools and 1,5/8" x 3,5/8" stake pockets. Once again, the ROZ comes ready to connect to a roll off trailer with a heavy-duty winch attachment and front and rear greaseable rollers for easy loading and unloading.

Horizon is committed to maintain a higher standard of quality in the design, engineering, and production of its products. This unit is no exception. It features a superior craftsmanship, quality components, and is supported by an exceptional warranty team and policy.

Available in durable powder coating in one of our 10 striking colors.

ABOUT US

Since its inception, the team at Horizon Trailers has kept sight on our core values of Excellence, Respect, and Passion. We have seen exponential growth in the efficiency of our designs, in the quality of our product assurance, and in the smiles of satisfaction on our customers' faces. We continue to focus on providing the most value to our customers by building our products lighter, stronger, and with industry leading appeal. Our implementation of the latest technologies and automation processes empowers us to produce more efficiently, more accurately, and with far less waste. These technologies provide us with interdepartmental visibility of customer orders, parts and configurations, and manufacturing

details, allowing our Warranty and Service teams to expedite customer requests and solve them quickly.

When it's time to go to work, you can trust that your Horizon trailer will be there for you, getting the job done right. When the work is done, you may want to just take your trailer for a nice country drive, crank up the radio, show 'er off to your friends. When you look in those truck mirrors, we want you to see a trailer that you know will follow you anywhere, and never let you down. We're proud to serve our customers, and we're excited to see what's on the horizon! Remember, Every Detail Matters.
