

2025 MODEL YEAR

 **BAYLINER™**

THERE'S A REASON  
OUR LEGACY HAS  
ENDURED FOR MORE  
THAN 60 YEARS

# When value comes standard.

## **CHARTING THE COURSE IS ABOUT MORE THAN RIDING THE CURRENT.**

We engineer every Bayliner to push the limits of our iconic brand without sacrificing its integrity, blending our legacy of trust with forward-thinking innovation.

Our ever-evolving range of models—that are as easy to use and maintain as they are to afford—puts the dream of boat ownership well within reach for millions each year.

Whether used for fishing, casual cruising or water sports, we design vessels to suit the first-time boater just as well as the seasoned mariner.

Versatility, combined with cross-generational customer satisfaction, makes us a top choice for recreational boating around the world.

## **DID YOU KNOW?**

Bayliner has one of the world's largest dealer networks, offering widely available parts and technicians.

# We've earned our reputation.

WHAT MAKES TODAY'S BAYLINER DIFFERENT FROM THE AVERAGE BOAT?

## INTUITIVE, RELIABLE

Simple, familiar controls paired with the top-rated name in marine propulsion makes it easier to feel comfortable and confident in the driver's seat.

## EXCEPTIONAL VALUE

Get the complete package:\* boat and motor. On board, our signature BeamForward™ designs offer more usable space (and more boat for your money).

## DESIGNED FOR THE FUTURE

Every Bayliner is designed at our state-of-the-art Technology Center in Edgewater, Florida using decades' worth of customer feedback to meet the needs of tomorrow.

## AWARDED FOR EXCELLENCE

Our expertly designed products have won multiple awards for consumer satisfaction.

\*Excludes select models. Ask your dealer about accessory packages.

# Whatever the adventure there's a Bayliner for you.

# VR & V Series

## BOWRIDERS

VR & V bowriders offer the same interior space as comparable boats up to a half-meter longer. Our BeamForward™ design carries the full width of the boat through to the end of the bow, and our AftAdvantage™ design shifts the seating to the aft—most point of the running surface to create more comfortable, usable space.
