The story of Harris

IN 1956, THE HARRIS BROTHERS
REPURPOSED AIRPLANE DROP
TANKS TO BUILD THEIR FIRST
PONTOON, SPARKING A LEGACY
OF RELENTLESS INNOVATION.

SINCE THEN, OUR STORY HAS
MERGED WITH YOURS. HARRIS®
PROPELS YOUR ADVENTURES
WITH EXHILARATING POWER,
SIMPLIFIES BOATING WITH
TECHNOLOGY, AND ELEVATES
YOUR EXPERIENCE WITH
LUXURIOUS COMFORT
AND BOLD STYLING.

All information contained in this brochure is believed to be correct as of printing. Not all accessories shown in pictures described are standard equipment or available as options. Options and features are subject to change without notice. Not all model year boats may contain all the features or meet the specifications described in the brochure. All weight specifications are approximate. Bimini lengths may vary slightly due to stretching and mounting. Towers, trailers, and other options may affect physical dimensions. Confirm availability of all accessories and equipment with your authorized dealer prior to purchase.

A trusted warranty*

WE TAKE YOUR ENJOYMENT ON THE WATER SERIOUSLY.

That's why we know our 10-year bow-to-stern and limited lifetime structural warranties* are vital to your peace of mind. Harris associates take pride in providing the best solutions the first time, so you can spend more days on the water creating memories. In concert with our extensive dealer network, Harris brings you the finest pontoons and service in the industry.

10 YEAR BOW-TO-STERN WARRANTY*

Harris provides warranty* coverage for ten years, including materials and workmanship. The engine is covered by the engine manufacturer's warranty.**

LIMITED LIFETIME STRUCTURAL WARRANTY*

Our warranty* covers the pontoon tubes, crossmembers, decking, motor mount, fence rail, and other structural components.

*Limitations and restrictions apply. Visit harrisboats.com or your local Harris dealer for complete details.

**See Harris dealer for details.

TIMELESS STYLE. BRILLIANT INSPIRATION.

THERE'S A FEELING YOU CAN ONLY GET ON THE WATER.

It's hard to define — a synthesis of sensations from the light reflecting off the waves, the smooth movement of the boat over the surface, and the sweet sounds of nature all around.

But most significantly, it's the excitement of new adventures with friends and family. At Harris, we see it as our job to get you to the place where you can revel in the wonder of the water and live in the moment with those you love.

Profound quality

Constant confidence

**AS WE BOLDLY CHARGE FORWARD INTO
THE FUTURE OF BOATING, OUR INTREPID
SPIRIT OF INNOVATION TAKES THE LEAD.**

Continual enhancements to deck space design optimize comfort and maximize the use of space. Improvements in hydrodynamic engineering increase speed and improve engine efficiency. And leaps ahead in technology integrate boat functionality at the console for the ultimate in control. With Harris, you really can have it all on the water.

CROWNE

PROFOUND ELEGANCE

Designed and created with the sophisticated boater in mind, the Crowne fulfills all your on-the-water needs. The unified design is one of stunning lines and crisp detail. The comfort-focused deck is impeccably populated with plush furniture and supple fabrics. Innovative RPM Technology provides power, performance, and a smooth, dry ride. With the Crowne, you can achieve the pinnacle of pontoon boating.

CRUISER

VERSATILE RELAXATION

The Cruiser delivers everything you and your family want in a pontoon boat without sacrificing quality, comfort or functionality. Soft-touch fabric wraps the roomy furniture—including a reclining captain's chair. Generous storage can be found throughout the deck, and Harris's remarkable RPM Technology provides optimized performance, easy maneuverability, and a smooth, quiet ride. You can also choose from multiple layouts and colors to make the Cruiser perfect for you and your crew.

GET A CLOSER LOOK

Anyone that truly knows
boats will tell you to
examine the details.

In the industry, it's called "fit and finish". The lines of the console. The perfect seams of the upholstery. The custom lighting. The brilliant finishes. These are the small things that make the whole, and when combined, they tell a story of experience and dedication to quality and comfort.

WITH OUR EXTENSIVE DEALER NETWORK, THERE'S ALWAYS A KNOWLEDGEABLE TEAM MEMBER NEARBY AND READY TO HELP.

CONTACT YOUR LOCAL DEALER TO LEARN MORE

CONSOLE

Sleek, ergonomic, and dynamically functional, Harris consoles are carefully designed with cutting-edge technology for ease of use and top performance.

UPHOLSTERY

Richly textured and perfectly fitted, all upholstery is hand-crafted for exquisite comfort and ultimate durability.

LIGHTING

Custom LED lighting packages let you command the spotlight in luminous style, shining through the night with a distinctive brilliance.

FINISHES

A spectrum of fence finishes with custom accent colors let you display your own style, helping you stand out from the everyday pontoon crowd.

RPM Performance Packages

MORE POWER. MORE CONTROL. MORE EVERYTHING.

Harris RPM Performance Packages allow you to customize your pontoon's RPM Technology for how and where your family will use your boat. Each package enhances ride, performance and maneuverability in different ways to make your on-the-water experience incredible.

RPM Technology

SMOOTH, QUIET RIDE

- ✓ 35% less vibration at helm*
- ✓ Flatter running angle

EASY MANEUVERABILITY

- ✓ Enhanced handling*
- ✓ Reduced spray*

OPTIMIZED PERFORMANCE

- ✓ 5–10% higher top speed*
- ✓ 10% faster acceleration*
- ✓ 10% more fuel efficiency*

*Compared to previous Harris models under comparable test conditions. Fuel efficiency based on average across various load conditions. Acceleration based on average improvement in 0-30mph time. Handling and spray based on characteristics in similar turns performed on the same models from prior years and under similar water conditions. Many factors may affect the performance of boats. Such factors include, but are not limited to, installation of certain options such as towers, vessel loading and trim, weather and sea conditions, engine condition, propeller condition and hull bottom condition.
