A man and a woman are sitting on a boat, smiling and looking at each other. The man is wearing a light-colored button-down shirt and sunglasses. The woman is wearing a light-colored tank top and sunglasses. They are both wearing swim trunks. The background shows a body of water and some trees in the distance. The entire image has a warm, orange-red tint. There are some decorative lines in the bottom left corner, including a vertical yellow line and some black and red wavy lines.

# ENHANCING YOUR BOATING EXPERIENCE.

NauticStar is engineered to provide the best boating experience from bow to stern. With wider standard beams, thoughtfully constructed deck layouts, and an abundance of customizability, NauticStar ensures every adventure on the water is enriched for maximum comfort and convenience.

# HAVE THE ADVENTURES OF A LIFETIME, FOR A LIFETIME.

Choose NauticStar for a lifetime of worry-free boating backed by our Limited Lifetime Hull Warranty that sets a new standard for hull construction assurance. Our advanced hull technology provides a higher-quality, smoother, and better-protected ride for everyone on board.

- » 100% wood-free composite hull.
- » One-piece fiberglass stringer creates a more comfortable, wake-ready ride.

- » A marine vinyl ester barrier coat produces a more durable hull that resists wear.
- » Coated stainless-steel fasteners bond the deck to the hull.

- » Closed-cell marine foam bonds the deck to the hull while adding safety and reducing hull noise.
