# PURE. PURSUIT.

## A MESSAGE FROM THE HELM

The entire team is excited to embark on the 2025 model year as we continue to offer the most compelling product in the industry. Prepare to be impressed. I am. And not just by our boats, but by our people, processes and commitment to integrity. I take great pride in the depth of experience of the Pursuit team, the unrivaled history of the Pursuit brand and the efforts that go into ensuring you have a world-class customer experience and unparalleled support.

Our model line has never been stronger, and the team's passion has never run deeper. It is this convergence of product and passion that continues to drive our team, fuel our operations and define Pursuit. Our ultimate goal is to create the best possible experience for you, your family and your friends on the water. We understand how special those experiences are and the lasting memories they create and feel privileged when anyone chooses Pursuit to play a role in that.

Every time we add a new model to the lineup, it exudes the Pursuit DNA. From striking lines, to rich feature content and strong performance, it is all refined into a package that is beyond compare. Even further, we strive to incorporate yacht-caliber standards, making each product truly special.

Behind every Pursuit is a team that remains focused on designing and building each model with craftsmanship, integrity and uncompromised functionality. Our dedicated craftspeople build every vessel with pride, leading to outstanding customer satisfaction. And that level of satisfaction is also due to the fact that our team is constantly innovating. We thrive on continuous refinement and our quest has recently led to the opening of a new, state-of-the-art tooling development center, which lies adjacent to our manufacturing facilities. This enables us to harness the latest technologies, have even more precise control of our tooling and to ultimately create better molds to produce our boats. The Pursuit campus is ever changing, growing and evolving as we strive to maintain our commitment to being made in the USA.

If you're curious about our new boats, or any of our 16 current models, make plans to attend an upcoming boat show, visit one of our dealers or hop on the website. We even offer plant tours for buyers who want to see how our boats are built. Whether you are setting out on a fishing trip, cruising over to your favorite spot for lunch or enjoying some time in the sun at the sandbar, we are certain that choosing Pursuit will exceed your expectations.

Don't hesitate to come by and visit us at one of the shows, join us on our annual rendezvous or engage with us on social media. Memories on the water are out there and waiting to be forged, go out and make the most of it!

Best Regards,

**Christopher Gratz**  
*President, Pursuit Boats*

*OUR DESIRE TO DELIVER THE  
BEST EXPERIENCE ON THE  
WATER, COMBINED WITH A  
LONG-STANDING, INTENTIONAL  
FOCUS ON OUR IDEALS, HAVE  
UNITED TO FORM THE PURSUIT  
TRIFECTA OF OWNERSHIP—THE  
POINTS OF DISTINCTION THAT SET  
OUR BRAND APART FROM THE REST.*

## PURSUIT TRIFECTA OF OWNERSHIP

These truths unite in the Pursuit trifecta of ownership: unrelenting performance that is built with integrity and ruggedly refined.

### UNRELENTING PERFORMANCE

When you're aboard a Pursuit, you'll feel the difference that our holistic engineering approach makes. With each and every Pursuit, the boat and propulsion system are meticulously designed together for optimal performance in ride and handling. The distinctive hull design—coupled with disciplined and ever-innovative manufacturing—provide the perfect balance of power and agility for an experience that is purely Pursuit. Your confidence is further bolstered by timeless designs, superior transferable warranties and resale values among the highest in the industry.

## BUILT WITH INTEGRITY

Pursuit's commitment to integrity shines through every inch of our craftsmanship. From the strength of our hulls' resin-infused fiberglass grid system to the custom-made components we choose to build ourselves, the Pursuit quality is unmistakable. Each model is grounded in what the most discerning customers expect, guided by the expertise and passion of Pursuit's naval architects and marine professionals, dealer partners and experienced owners. The Pursuit brand is an immense source of pride for our family of employees, including the gratification of being designed, developed and manufactured in the USA.

5 PURE. PURSUIT.

## RUGGEDLY REFINED

With exquisite attention to aesthetic detail and vigorous design, every offering delivers the Pursuit commitment to uncompromised functionality and versatility. Designed to withstand extreme conditions, with intelligently built helms and yacht quality execution, every detail matters. You'll see this in the strength of our hulls and the detailed fit and finish – both born from the strength of our engineering and the elegance of our designs. You'll delight in every element of Pursuit's distinct, unrivaled style and excellence.

## PURSUIT VENDOR PARTNERS

Pursuit has a strong foundation of partnering with the most well-respected manufacturers in the industry in order to provide the best in quality, innovation and reliability to each and every boat we build.

The partnership between Garmin and Pursuit delivers significant advantages to the consumer through mutually designed and engineered packages from layout to installation. Garmin representatives audit each application, present system certification of approval and sign Quality Control reports for complete ownership of installation. Through the partnership, a Garmin representative provides a two-hour onboard orientation for every customer who purchases Pursuit factory-installed Garmin Electronics.

Seakeeper gyroscopic stabilizers are designed to virtually eliminate boat roll. Pursuit has partnered with Seakeeper to offer factory-certified installations in select Pursuit models. Designed and validated with naval architecture and performance, Pursuit builds the Seakeeper stabilizer into the boat with comprehensive structural integration, allowing for no forced options or modified features. The factory installation process maintains the structural warranty of the boat in lieu of after-market installs which, in turn, ensures water-ready delivery. Plus, our installation includes Seakeeper's Gold-Level Extended Warranty with coverage of 4 years / 3,000 sea hours.

Yamaha Marine and Pursuit Boats have been partners in performance since the beginning. But Yamaha Marine is far from just an engine supplier; it's a true partner in design. Because, as new technologies are developed, Pursuit plays a key role in their research and refinement. Being able to integrate precise propulsion with each Pursuit model results in superior performance that our customers can rely on in virtually every imaginable boating climate around the world.

## **JL AUDIO**

Pursuit's continued focus on high-quality audio makes for a very rewarding partnership with JL Audio. All Pursuit audio systems contain only JL Audio components for a fully matched and integrated system. Basic systems include JL's Media Master source units, amplifiers and premium M6 marine loudspeakers. In addition, all Pursuit models offer premium upgrades that enhance aesthetics and sound quality. These premium upgrades include JL Audio's most advanced marine audio technologies, like their revolutionary MVi amplifiers with DSP technology. To get the most from the technology, each Pursuit model has an audio system specifically designed and acoustically tuned by JL Audio's team of audio experts. The resulting dynamics and sound accuracy are second to none, clearly raising the bar for audio quality in an OEM factory-installed audio system.

## ADVANTAGE CLUB

*EXPERIENCE LIFE ON THE WATER AS A  
PURSUIT ADVANTAGE CLUB MEMBER*

The Pursuit Advantage Club membership is yours automatically when you purchase a new Pursuit Boat. This complimentary, one-year membership is administered by Marinalife and includes the following benefits, plus the coverage extends throughout the United States, Canada, the Bahamas and the Caribbean.

One Free Year of 24/7 Sea Tow Gold Card  
Towing Coverage

- Up to 10% in Fuel Discounts
- Marina and Dockage Savings
- Service and Travel Deals
- One Free Boat Show Ticket
- One-Year Marinalife Magazine Subscription
- And Much, Much More

Please consult with your factory-authorized Pursuit dealer to review available options and get complete details.

## BOAT WITH CONFIDENCE

Pursuit's Confidence on the Water Course is available for you or up to four of your family members when you purchase a new Pursuit Boat. There is something for everyone to learn, no matter your level of skill on the water. Safety is very important to us and we want you to feel comfortable boating with your entire family for years to come.

This specially designed two-day module was custom-created for Pursuit owners in partnership with the Chapman School of Seamanship, a world-renowned facility for boater education. The course features six hours of classroom instruction and six hours of on the water training. It covers waterway rules, boating safety, docking and boat handling instruction, all aboard a Pursuit boat — a twin-engine S 288 Sport. Even seasoned boaters say they have learned valuable lessons from the Chapman School instructors.

# OFFSHORE

OS 445 | OS 405 | OS 355 | OS 325

Ranging from 32-44' with twin and triple outboard engine options, Pursuit Boat's Offshore Series combines seaworthiness and fishability with luxury interior appointments. You'll find true live-aboard space with full amenities for cruising, entertaining and fishing.

Their elegant yacht-caliber exteriors pair with well-appointed cabins finished in interior hardwoods and modern fabrics, equipping you for many overnight stays in your private cove or harbor. The Offshore Series features staterooms or berths to allow sleeping accommodations for four to six people and a separate enclosed head with a stand-up shower. Functional galleys allow for cooking and entertaining.

If fishing is on the agenda, the Offshore Series is equipped with a multitude of rod holders, livewells, fishboxes and tackle storage. Plus, the bridge deck serves as a raised helm area for exceptional visibility and a separate climate-controlled social zone. The Pursuit Offshore Series is the perfect combination of amenities and necessities, ready to go wherever the water takes you.

## OS 445

MAGNIFICENTLY APPOINTED AND ABOUNDING WITH POSSIBILITIES FOR EVERY ANGLER, THE OS 445 IS PURSUIT'S BIGGEST, MOST CAPTIVATING BOAT YET.

Luxury exudes from every thoughtful design detail, maximizing the live-aboard yachting experience with expansive room for any whim—from dining to fishing to relaxing.

Yacht-style bulwarks provide ease of passage from cockpit to foredeck, where you'll find a finely crafted entertaining and cabana space. The bridge deck is the real star, with its galley-up design that puts the chef in the middle of the action, surrounded by ample seating and luxurious amenities for everyone onboard. Once you're in your favorite port, dual staterooms accommodate both you and your guests.

## OS 405

THE SENSE OF LUXURY STARTS ON THE BRIDGEDECK, BEHIND THE LARGE SINGLE-PIECE WINDSHIELD, WHERE THE CAPTAIN AND THE COMPANION RIDE IN STYLE ON STIDD SEATING.

The wide-open cockpit lets you unleash your fishing potential at a moment's notice or angle all day long in comfort with the standard Seakeeper gyro stabilizer. Pull your biggest catch in through the hullside door, then celebrate by relaxing on the plush foredeck under the Mediterranean sunshade.

Not only is it spacious above and below deck, with a mid-cabin room for guests and an island-style forward berth, the conversion-free entertainment areas mean no one needs to give up their seat to enjoy the finer aspects of boating life.

# DUAL CONSOLE

DC 365 | DC 326 | DC 306 | DC 266 | DC 246

With lengths ranging from 24-36', the award-winning Dual Console Series has been perfected by Pursuit. Stylish, comfortable and innovative features have been engineered to suit any experience on the water—whether that be cruising, fishing or your favorite watersport.

The Dual Console's most distinct feature includes a wide path through the center of the boat with all the accommodations to the port and starboard sides of the walkway. The large tempered glass wrap-around windshield with opening center glass and bow block-off door provides superior weather protection with climate control. It's also ready to fish with more than enough rod holders, livewells, fishboxes and tackle storage.

Pursuit's Dual Console Series is family friendly, so more passengers can ride in comfort thanks to the multi-function layout that allows you to enjoy three primary social zones: on the aft cockpit, bridge deck and bow area. Plus, our larger models feature a cabin for overnight excursions, where the head and resting areas are separated beneath each console. Dual Console really means double the versatility.

## DC 365

WITH MORE COMFORT, INNOVATION AND FEATURES, THE DC 365 HAS BEEN ENGINEERED TO BRING YOUR SPORT UTILITY EXPERIENCE TO THE NEXT LEVEL.

Forward bow and port side lounge seating, a swivel seat at the helm and patent-pending fold away seating at the transom and under the gunwale give your crew a comfortable place to enjoy whatever types of water activities you choose.

Features include a large tempered glass windshield with walkthrough, wide walkways from bow to stern and plenty of large storage compartments. Instrumentation and controls

at the helm are ergonomically engineered and an optional Garmin® Electronics suite makes the DC 365 a joy to operate.

The cabin is easily accessible with a fiberglass door and features solid wood accents with modern finishes, a full berth forward and a comfortable aft berth. A small family or couple may overnight with basic amenities for the weekend. Hull side windows reveal plenty of natural light below.

## DC 326

THE DC 326 IS A POPULAR MEMBER OF PURSUIT'S INNOVATIVE AND AWARD-WINNING DUAL CONSOLE FAMILY.

The DC 326 features a fully integrated fiberglass hardtop with tempered glass windshield, thoughtfully designed storage and starboard hull side door—all with the distinctive aesthetic of Pursuit's Dual Console Series.

A port side wrap-around lounge, rotating helm seat, forward bow and fold away cockpit seating offer plenty of room for friends, family and crew while rod holders, recirculating livewell and dedicated tackle storage are ready to fish.

## DUAL CONSOLE

### DC 306

THE PURSUIT DC 306 BUILDS ON THE REPUTATION OF ONE OF THE BRAND'S MOST POPULAR DUAL CONSOLES, THE DC 295.

An integrated hardtop, crystal-clear tempered windshield, convertible seating arrangements and item-specific storage are a few of the highlights in our latest luxury Dual Console boat.

The forward bow seating is perfect for lounging when the weather is right, or you can enjoy the protection of the full windshield hardtop system to escape the elements. The wide-open layout is built around sport utility, allowing you to fish, cruise, dive and entertain in a Pursuit that sets the standard for the category.

## DC 266

PURSUIT'S DC 266 HAS ALL THE VERSATILITY AND INNOVATION OF THE FLAGSHIP DC 365 WITH A STYLE THAT IS UNMISTAKABLY PURSUIT.

Featuring a fiberglass hardtop and tempered glass windshield with roomy walkthrough and plenty of storage, the DC 266 has an L.O.A. of 27' 4" and is powered by dependable twin Yamaha® Outboards. The adjustable helm seat allows for excellent access to the controls as well as the optional Garmin® Electronics.

The exterior styling is complemented by the open bow design with full wrap-around seating and a stowable sunpad. A head and sink allow for freshening up dockside.

Fold away seating quickly transforms a social venue to a wide-open, fish-ready cockpit with 20 gallon livewell, gunwale-mounted rod holders and transom fish box.

Whether you're looking for family time, cruising or casual fishing, the versatile DC 266 is ideal for any experience on the water.

## ***SPORT*** CENTER CONSOLE

S 428 | S 378 | S 358 | S 328 | S 288 | S 268 | S 248

Ranging from 26-42' in length, the Pursuit Sport Series provides an athletic exterior that takes the Center Console to a whole new level—with industry-leading features, award-winning innovations, best-in-class amenities and the quality, fishability and versatility that you've come to expect from Pursuit.

Extra-wide cockpits, oversized fiberglass integrated hardtops and windshield systems are well equipped for salty sea or freshwater adventures. For your fishing exploits, you'll find plenty of rod holders, in-floor fishboxes, livewells and dedicated storage for your gear. Looking to cruise or entertain? Larger Sport models have additional seating for more guests, plus cabins, heads and berths below deck and a wet bar and cooking amenities for weekend getaways.

## S 428

WHEN IT CAME TO CREATING THE FLAGSHIP OF OUR CENTER CONSOLE SPORT BOAT SERIES, WE DECIDED TO MAKE IT ICONIC. THE SIZE, POWER AND AMENITIES BUILT INTO THE S 428, DEEM IT THE EPITOME OF A LEGEND— WITH THE ABILITY TO FISH, CRUISE AND ENTERTAIN IN UNRIVALED STYLE AND COMFORT.

Remarkably, not only is the S 428 one of the largest Pursuit boats ever built, it's also the most powerful. Quad Yamaha® 425 XTO engines work in perfect unison, becoming the driving force behind your adventures. With the

largest aft cockpit in its class, you can haul in record-breaking catch through either of its hull side doors.

Within this grand footprint you'll find an abundance of rod holders, three fishboxes, ample tackle storage and bait prep areas, plus extra-large fridge and freezer boxes. There's even an industry-first second row of powered, convertible seats under the oversized hardtop. Because there isn't anyone who won't be begging to tag along for the day.

## **S 378**

THE S 378 IS A SIGNIFICANT ADDITION TO PURSUIT'S POPULAR SPORT FAMILY AND FEATURES ADVANCED INNOVATIONS AS WELL AS THE QUALITY, FISHABILITY AND VERSATILITY THAT YOU'VE COME TO EXPECT.

Enjoy a full day of fishing from the ample cockpit until it's time to socialize. Then experience our groundbreaking feature—the patented entertainment center that moves into place at the touch of a button, providing uncompromised functionality.

Take a seat at the adjustable helm with enhanced ergonomics, where you'll feel the power of the triple Yamaha® 425 engines and

effortless maneuverability that is designed to enhance your fishing prowess while indulging your senses. It even has an optional fishing package that includes upgrades such as a secondary livewell.

Guests will vie for a spot on the multi-function forward lounge seating or set their sights on the amazing views provided by the hull side and cabin side windows. Step aboard and gain a whole new perspective on what life on the water can look and feel like.

## S 358

DESIGNED TO CATCH YOUR EYE AND MAKE IT EASY TO HAUL IN THE PERFECT CATCH, THE S 358 IS OUR FIRST-EVER 35' CENTER CONSOLE. NOT ONLY ARE YOU GETTING A BOAT THAT HAS BEST-IN-CLASS AMENITIES, YOU'RE GETTING A BOAT IN THE HIGHLY COVETED PURSUIT SPORT FAMILY.

Pivotal to its purpose is functional versatility. Like the split mezzanine seat that folds out of the way to access the entertainment center amenities. Ergonomically designed helm seating and dash for the ultimate in comfort and control. And the fact that it's the only

Center Console in the 34' to 35' market to have an enclosed head.

Whether you are socializing on deck, driving to your secret fishing spot or taking a moment to yourself, you'll appreciate the thoughtful craftsmanship instilled in every inch. Plus, forward-facing lounge seats in the bow, side coaming storage and built-in rod holders add to the ways you and your family can enjoy this boat.

## **S 328**

THE INTENTIONAL FOCUS PAID TO EVERY DETAIL ON THE REVOLUTIONIZED S 328 SPORT IS UNMISTAKABLE. THIS RUGGEDLY REFINED CENTER CONSOLE HAS A 34'6" LOA POWERED BY TWIN YAMAHA® 300 OR 350 ENGINES. FROM THE ONE-HANDED SETTEE-TO-BERTH CONVERSION IN THE CLASS-LEADING CABIN TO THE IMPROVED HELM ERGONOMICS, EACH ENHANCEMENT WAS CRAFTED TO FEEL LIKE SECOND-NATURE. WE DIDN'T OVERLOOK A SINGLE SQUARE INCH IN THIS OVERHAUL.

The improved wide-open layout and seating configuration make transitions from heart-pounding reeling to comfortable cruising incredibly easy. Upgrade options at the helm include additional teak accents, solid teak Edson steering wheel and leather dash pad, for the utmost luxury in captaining.

Jump aboard the S 328 to cruise, dive, fish or overnight with the utmost ease and comfort. Once you've experienced Pursuit's unrelenting performance paired with its timeless styling and fine lines, you'll never look back.

## S 248

STEP ABOARD THE S 248 AND HAVE YOUR EXPECTATIONS SHATTERED WITH FEATURE-PACKED AMENITIES AND LUXURIOUS FIT AND FINISH.

With a single Yamaha® engine, this entry-level, 25' 8" Pursuit is the definition of class-leading. Designed to cater to anglers, the in-floor fishboxes, ample storage bays and spacious aft cockpit are sure to impress. The generous oversized fiberglass hardtop with full windshield over the center console will protect from the weather when you are running and the sun when you are anchored. Even details like our patented folding aft seat and easy-pull slide out for your cooler demonstrate that nothing was left to chance.
