2026
Model Lineup

 **ADVENTURER**

GO WHERE YOU'VE NEVER BEEN BEFORE.

For over 55 years, Adventurer Campers has built hard-side truck campers that stand the test of time - trusted by dealers, proven by customers, and backed by real-world performance. Designed for four-season comfort and long-term reliability, every model is built with purpose, not pretence.

📍 SOMEWHERE ALONG
A ROAD TO NOWHERE

THE ADVENTURER DIFFERENCE

BUILT IN YAKIMA, WASHINGTON

Adventurer has been family owned for more than 55 years. Three generations of craftsmen, engineers, and RV builders have shaped our approach: build it right, build it to last, and build it for the people who depend on it. That heritage lives in every unit we ship across North America.

VERIFIED, TRANSPARENT WEIGHTS

Our true weight promise means no hidden add-ons - just honest specs, real numbers, and no surprises. So truck pairing is based on facts, not assumptions.

REAL FOUR-SEASON PERFORMANCE

True four-season capability, without shortcuts. Industry-leading 360° thermal coverage means closed-cell block foam insulation throughout - including fully insulated B-panels - keeping you warm in winter, cool in summer, and comfortable year-round.

3-YEAR STRUCTURAL WARRANTY

Built with confidence and backed to match. Our 3-year structural warranty is supported by dedicated customer care and a trusted dealer network - so you can focus on the journey, not the "what ifs."

ADVENTURER

65RB

A true half-ton truck camper engineered for light trucks and big plans. At 1,600 lbs dry it slips onto popular rigs without sacrificing comfort. It's compact and efficient, but packed with quality, performance, and smart design.

Off-Grid Ready Power

Built around our in-house UPT Unbound Power Tower, the 65RB supports up to 264Ah of battery power and 600 watts of solar.

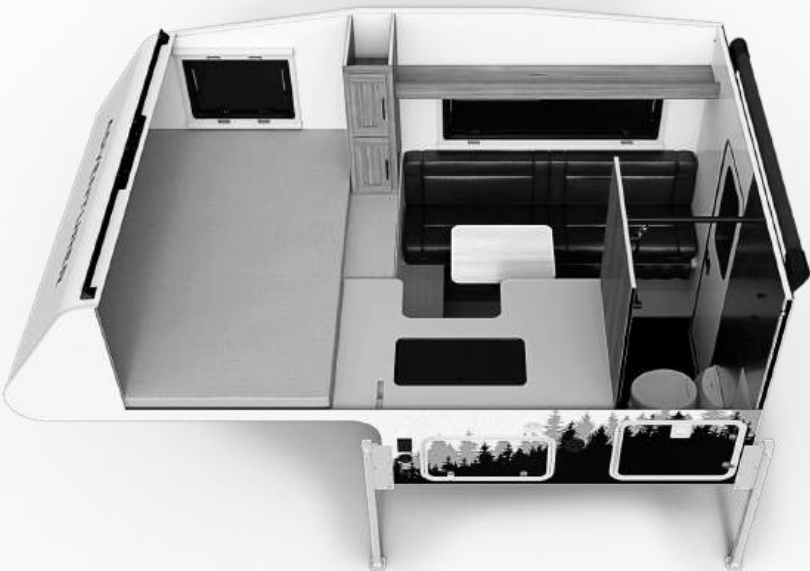

The Adventure Locker

Is a waterproof, modular bathroom that doubles as a heated gear locker. Full shower and toilet when you need it, compact storage when you don't.

Sleep 4. Seat 4. No issue

Fits a queen bed and a rollover sofa bed, to sleep five and seat five. Designed for cooking, playing, and resting together.

Dry (lb / kg)	Fresh Water (gal / L)	Gray Water (gal / L)	Black Water (gal / L)
1560 / 708	10 / 38	N/A	2.5 / 9.5

ADVENTURER

80RB

The Adventurer 80RB is a lightweight, hard-side camper that's become a cornerstone of our lineup. Built for short and long-bed trucks, it features a smart layout, full wet bath, and true four-season performance - making it one of the most trusted and widely chosen models we offer.

Compact, Fully-Featured

Big capability, small footprint. It packs a full rear galley, wet bath with flush toilet and shower, north/south queen bed, and convertible dinette.

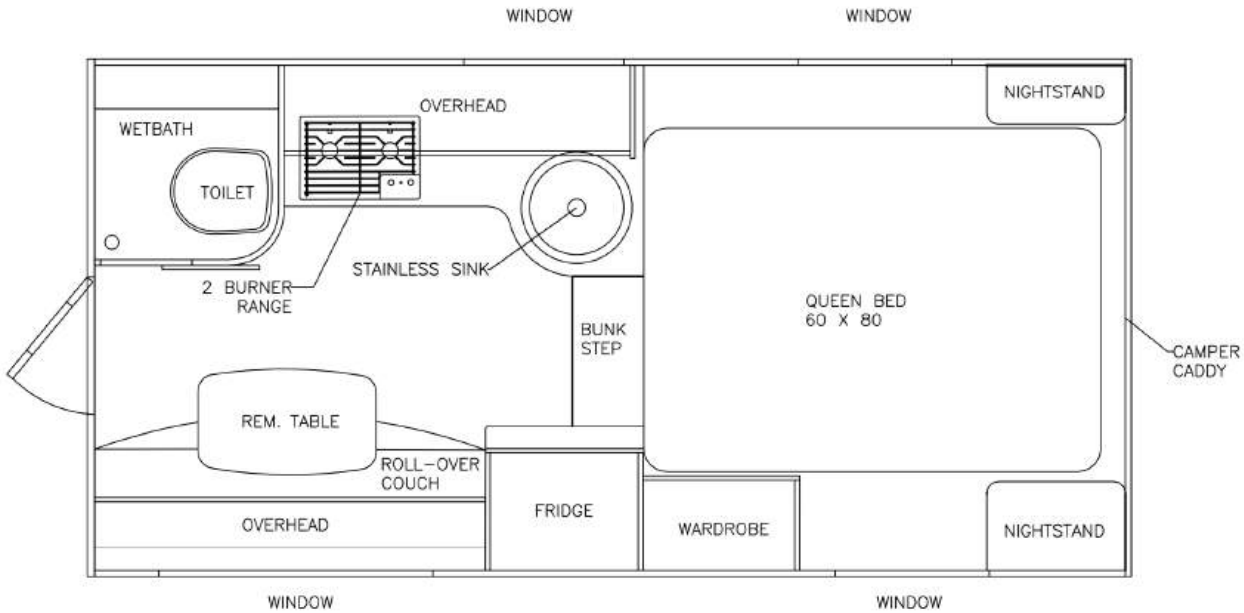

Queen Bed Comfort

True queen comfort. A north/south 60"x80" bed gives full-length sleep without climbing over your partner. Home comfort with better views.

Overlander Edition

Adds 400W rooftop solar, portable Bluetooth speakers, synthetic leather seating, and exclusive graphics for rugged style and easy upkeep.

ADVENTURER

86FB

The Adventurer 86FB is a spacious, hard-side truck camper built for both short- and long-bed trucks. With a full-size queen bed, expansive Dream Dinette®, and one of the largest wet baths in its class, the 86FB delivers comfort and practicality. Its smart layout, generous storage, and four-season construction make it a versatile choice for travellers who want room to breathe.

Easy Awning Access

Optional 12V power awning deploys at the push of a button - no cranks, no straps, just instant shade and rain protection.

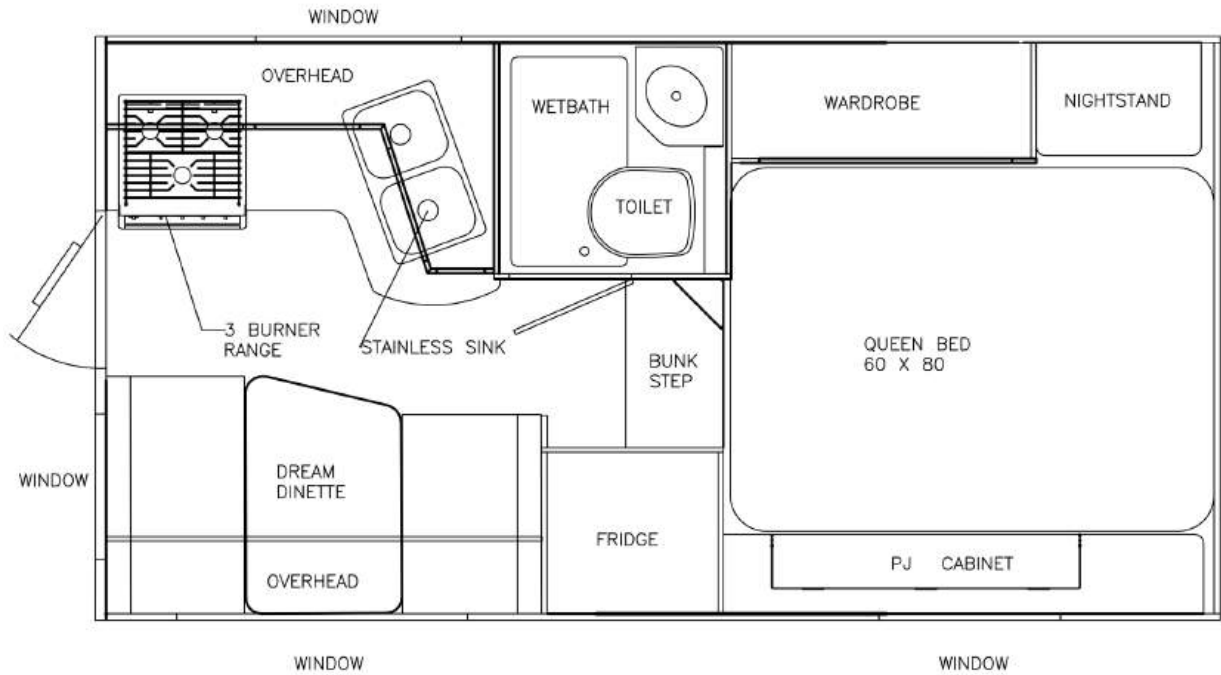

Convertible Dinette

The face-to-face Dream Dinette® easily converts from a dining space to an extra bed with a smooth, no-fuss glide system.

Storage That Works

Including a mirrored double-door wardrobe and heated basement space - keep your gear organized and your living space open.

Dry (lb / kg)	Fresh Water (gal / L)	Gray Water (gal / L)	Black Water (gal / L)

ADVENTURER

89RB

A full-featured, four-season truck camper for short- and long-bed trucks, with a spacious layout and smart storage to keep gear organized. A large wet bath,, a well-appointed galley with generous fridge capacity, and a multi-use dinette make cooking, dining, and relaxing effortless - pairing residential comforts with rugged capability for extended adventures.

Face-to-Face Seating

Roomy Dream Dinette®. A pedestal-free glide-rail table gives smoother movement and more space for dining, working, or turning the area into an extra bed.

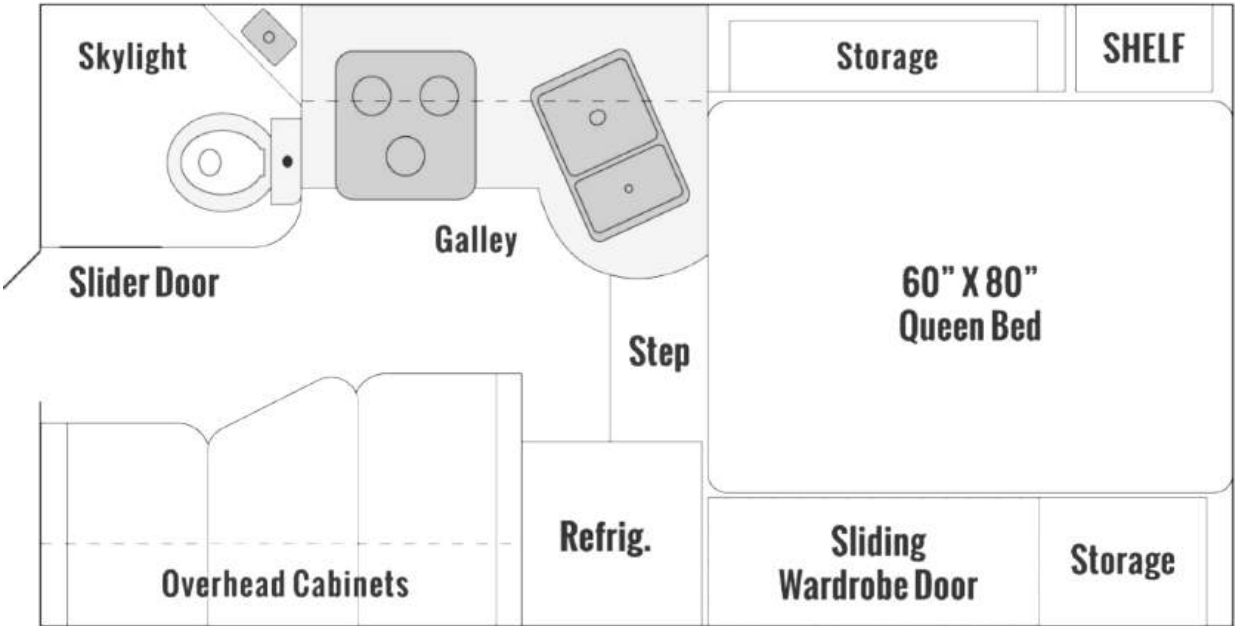

Expansive Kitchen

Cook like you mean it. The kitchen includes a full-height fridge, three-burner stove, and deep sink - smartly laid out to maximize prep space and functionality.

Largest Wet Bath in Class

Complete with a bright skylight and plenty of room to move. Because comfort shouldn't stop at the bathroom door.

ADVENTURER

89RBS

Roomy hard-side camper for short- and long-bed trucks: a full-wall slide opens to a large Dream Dinette® and the biggest 7 cu. ft. stainless fridge in its class. The largest wet bath, recessed entertainment center, ample storage, and TCC® four-season construction with a 3-year structural warranty deliver a residential feel on the road.

Largest Wet Bath in Its Class

Thanks to the slide-out design, the 89RBS fits in a spacious wet bath with a skylight, smart plumbing, and real room to move - proving comfort doesn't have to be sacrificed for life on the road.

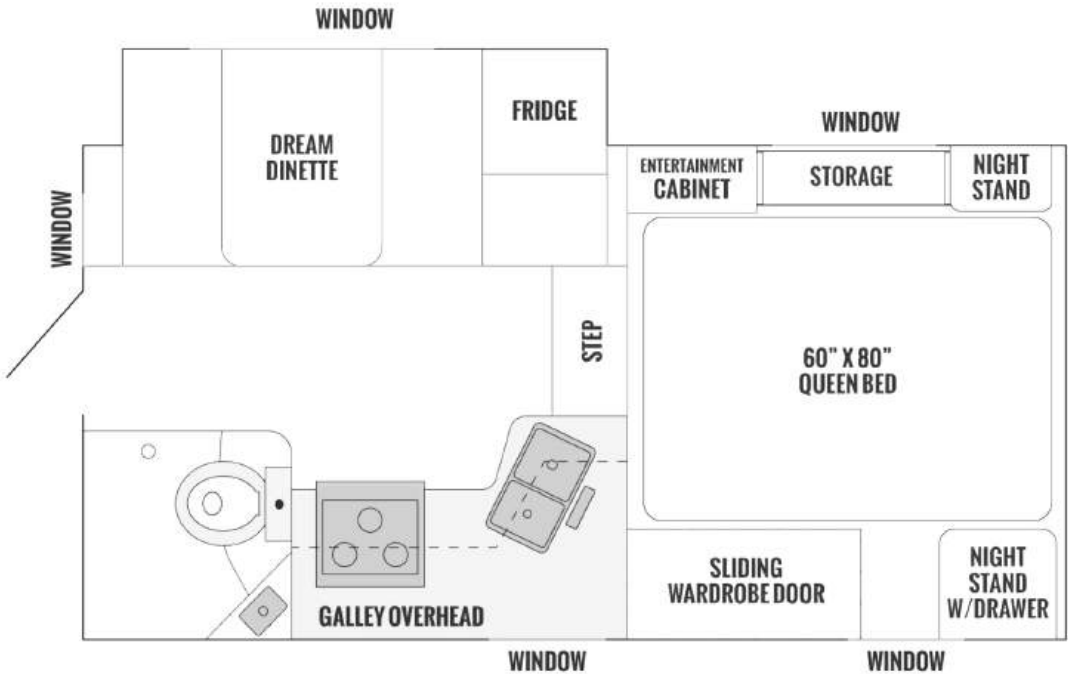

Residential-Style Galley

From the double-bowl stainless steel sink and 3-burner sealed cooktop to the full-size oven and sleek range hood, the 89RBS kitchen delivers full-function cooking in a compact, road-ready space.

Overlander Edition

Adds 400W rooftop solar, portable Bluetooth speakers, synthetic leather seating, and exclusive graphics for rugged style and easy upkeep.

ADVENTURER

901SB

The Adventurer 901SB is a classic hard-side camper built for long-haul comfort - without the complexity of a slide-out. With a full-featured galley, queen bed, and generous storage throughout, the 901SB blends everyday practicality with four-season performance - perfect for adventurers who value simplicity, comfort, and time-tested durability.

Bright + Airy Interior

A fully opening acrylic moon roof and dual skylights fill the space with natural light, making the interior feel open, fresh, and connected to the outdoors.

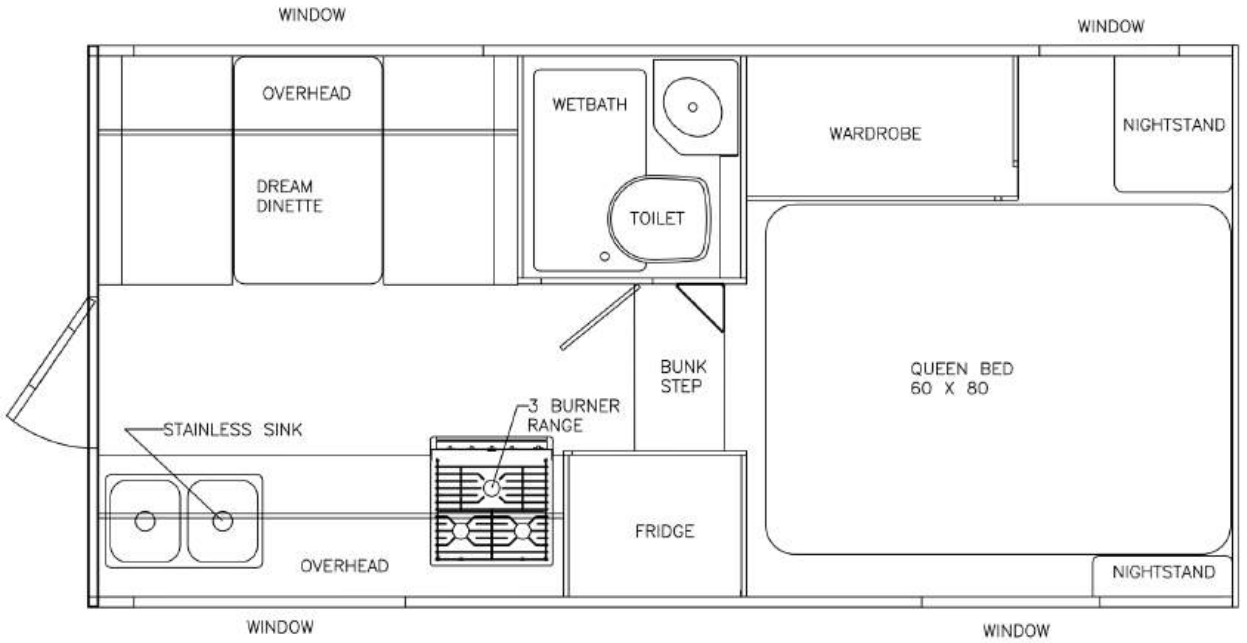

Full-Size Storage

From the mirrored double-door wardrobe to deep overhead cabinets, the 901SB packs a surprising amount of storage into its streamlined design.

True Four-Season Build

With insulated walls, thermal pane windows, and all-weather materials, the 901SB is built to handle whatever season (or elevation) your trip throws at you.

Dry (lb / kg)	Fresh Water (gal / L)	Gray Water (gal / L)	Black Water (gal / L)

EAGLE CAP

1165

A luxury hard-side truck camper with three slide-outs for unmatched interior space, including a full dry bath, residential kitchen with peninsula, dinette, and rear sofa lounge. Built on an all-aluminum frame with top-tier insulation and heated systems for year-round use, the 1165 pairs with heavy-duty DRW long-bed trucks for maximum comfort, capability, and long-haul reliability.

Triple-Slide Spaciousness

Fifth-wheel feel on a truck. Three slide-outs create a roomy interior with a dinette, rear sofa lounge, and queen bed—distinct spaces for dining, relaxing, and sleeping.

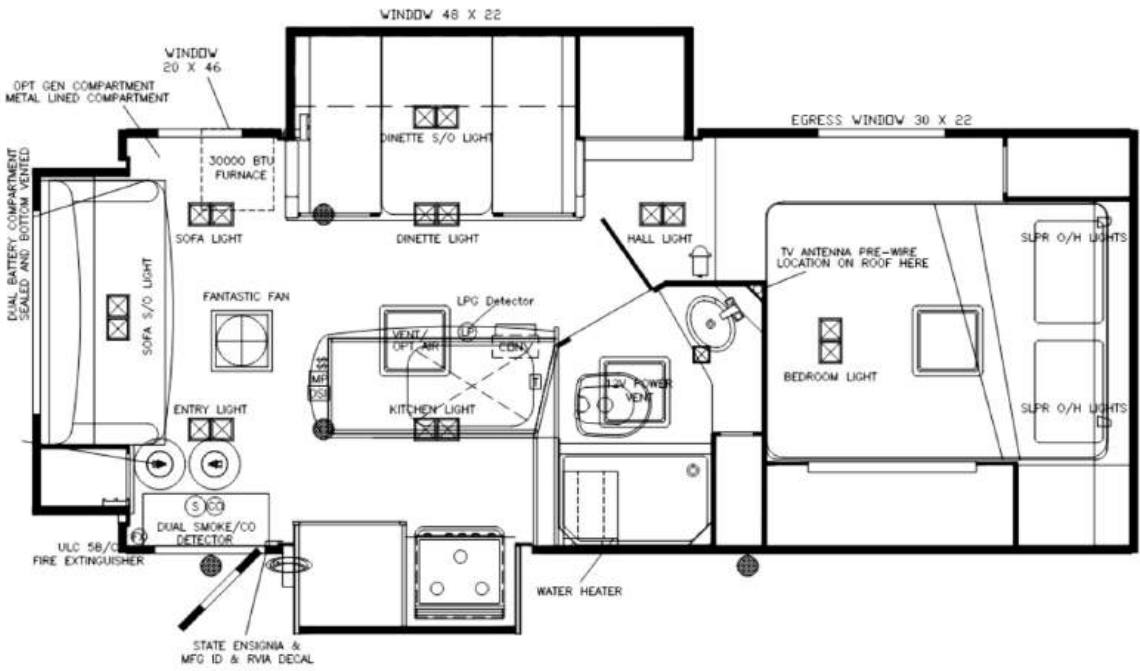

Residential-Style Kitchen

Chef-ready peninsula kitchen. Granite-coat counters, deep drawers, and full-size appliances maximize prep space for comfortable cooking on the road.

Basement Storage and Utility

All-season readiness. A heated, insulated basement protects tanks, systems, and gear—secure storage that works in any weather.

Dry (lb / kg)	Fresh Water (gal / L)	Gray Water (gal / L)	Black Water (gal / L)
