

AIRSTREAM® International

About International

Design-centric and filled with serene comfort, the International Travel Trailer is ready for grand adventures and relaxing retreats alike. Every inch of the International is designed with balance and comfort in mind – from the calming energy of the earthy wood tones and the cool blues in the fabrics, to the clean, modern lines and natural seashore textures throughout. And with an expansive galley where you can exercise creative culinary expression, a Rear Hatch option that brings the outdoors in, and premium appliances and fixtures, International is the perfect recreational vehicle for escaping the day-to-day.

- Available in **five floor plans** from 23 feet to 30 feet.
- Ultraleather® seating is comfortable, durable, and easy to clean.
- Dinettes and sofas convert easily into **expansive**, additional sleeping areas.
- **Handcrafted cabinetry** is built in-house with high-quality materials that stand the test of time.

Coastal Cove with Aqua Ultraleather®

We love the aqua blue color in the seating, and how it balances with the warm wood tones of the surfaces and the dark wood pattern in the flooring." **TISHA AND ROB** INTERNATIONAL 27FB Owners

Luxury vinyl flooring in wood herringbone pattern anchors the expansive interior, with marine hues that play out in the lounge and seating Ultraleather®.

2026 TRAVEL TRAILERS (INTERNATIONAL

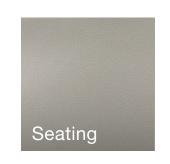

Coastal Cove with Seashell Ultraleather®

It's so inviting – I just love coming back after a walk on the beach or a sunset hike, curling up with a blanket, and enjoying the evening." MATT INTERNATIONAL 28RB Owner

The warm, sandy shade of Seashell Ultraleather® provides a serene color tone in the seating.

2026 TRAVEL TRAILERS (1) INTERNATIONAL

Floor Plan Options

Queen or twin beds are optional on all floor plans

We upgraded from a smaller single-axle trailer, but even at 23 feet it's a joy to tow and it's easy to navigate into most campsites."

TAYLOR AND MARTI International 23FB Owners

Our biggest reason for purchasing the 25FB was the Rear Hatch option – it's a game-changer. We can't imagine not having it open while we eat or read."

WILLIAM AND RUBY International 25FB Owners

23FB
Base Weight: 5,100

2026 TRAVEL TRAILERS (1) INTERNATIONAL

More Information

From the panoramic windows at the front and rear to the effervescent colors and patterns throughout, International's interior is airy and filled with light. Open the windows and let the breeze flow through, enjoy the landscape as you cook a meal, or watch the sunrise from the comfort of your bed. And with options like the Rear Hatch that blurs the line between inside and out, International gets you closer than ever to the soothing, restorative power of nature.

- International's kitchen is as beautiful as it is functional.
 Cook a delicious meal on the three-burner gas cooktop,
 quickly reheat leftovers in the microwave, and store
 pantry items in convenient drawers and overhead storage
 compartments.
- The optional Rear Hatch is the perfect portal for easy gear loading and unloading. Bring along bikes, kayaks, and everything else your travel requires.

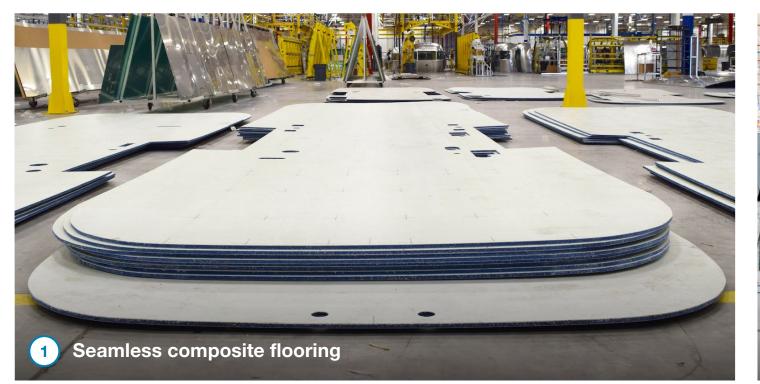

How It's Made

Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used - from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell. In building our world-famous travel trailers, we rarely do things the easy way. That's why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.

AIRSTREAM®

1001 West Pike Street, P.O. Box 629 Jackson Center, OH 45334 USA 937-596-6111

Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in other countries.

WARNING – The recreational vehicle weight must remain within the manufacturer's specified chassis weight limit. Do not overload the recreational vehicle through the addition of water, options, cargo or otherwise. Your safety depends on not overloading the trailer, axles, and tires.

AIRSTREAM®, the Airstream travel trailer trade dress, and all related model names, slogans, logos, trade dress, and trademarks are owned by their respective owners.
