At Entegra Coach, we build our RVs to handle every adventure, then back them with an outstanding warranty. Our 2-year limited warranty has you covered for 2 camping seasons. That's 730 days. For a copy of our 2-year limited warranty with complete terms and conditions, please contact your local Entegra Coach dealer.

Floorplan	GVWR (lbs.)	GCWR (lbs.)	Wheel Base	Overall Length	Exterior Height w/ A/C & Satellite	Exterior Width	Interior Height	Fresh Water Capacity (gal.)	Grey Waste Water Capacity (gal.)	Black Waste Water Capacity (gal.)
18C (US)	8,550	12,000	136"	17' 10"	9' 3"	83"	74"	21	24	4.75
18C (CSA)	8,900	12,000	136"	17' 10"	9' 3"	83"	74"	21	24	4.75

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity. Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.
