## NEW FOR 2026 THE LF PONTOON

Fun is out there aboard the all-new LF Pontoon, the brand-new fishing boat from Lowe. From spacious layouts with premium fishing seats to redesigned consoles and modern furniture, the LF's fishing-first focus gets families like yours all aboard for angling—at a surprisingly low cost.

# PONTOONS BUILT BETTER SINCE 1979

How do you make everything you do on the water a thrill? It starts with the right pontoon, built better.

Say “hi” to Lowe. Since 1971, we’ve built boats stronger and safer for all with smooth performance, plush comfort, robust construction, tons of options, and a lifetime of durability. And in 1979, we introduced quality pontoons to the lineup, hand-designed to meet your needs.

Our experience over these last 50 years has made us a leader in the pontoon industry. But don’t worry—despite our age, we know how to have a great time. See how Lowe brings out the adventurers in you and your family.

# CONSTRUCTED FOR ADVENTURE

For over 50 years, Lowe has been perfecting its pontoon-building process. From thoughtful design to robust chassis construction to the finest aluminum welders, Lowe brings the peace of mind you expect, the value you need, and longevity proven by thousands of our pontoons being passed down to the next generation.

[LEARN MORE](#)

## Lifetime warranty

Our limited lifetime warranty\* gives you peace of mind, covering the structural hull, wood decking, component material, and workmanship. Pontoons used commercially come with a 12-month limited warranty.

## Safer docking mechanisms

Full-width cross members provide protection and support for the rub rail when docking.

## Rock-solid deck-to-tube connection

Full-length M-brackets unify the pontoon tubes to the deck for the strongest, most steadfast connection in the industry.

## Extruded aluminum bow bumpers

Provide extra support for the bow when docking or traversing rough waters.

## Pressure-tested tubes

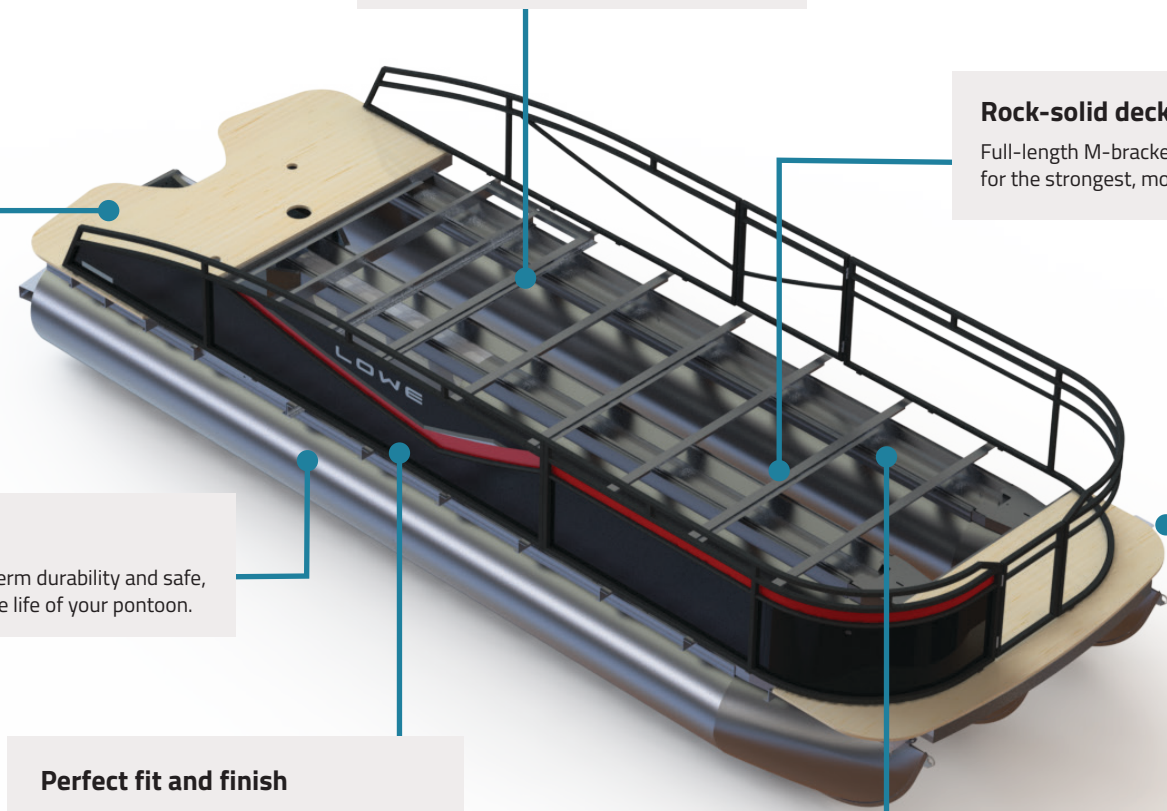

Pressure-tested tubes ensure long-term durability and safe, puncture-free reliable flotation for the life of your pontoon.

## Perfect fit and finish

CNC-machined fence panels for a perfect fit and finish, with rattle-free performance and a bold, head-turning design.

## Larger-than-life connections

Oversized bolts and washers ensure solid connections that stay tight.

# A WARRANTY YOU CAN COUNT ON

Lowe Boats is known for dependable products, but should an issue occur, our goal is to make your experience hassle-free.

## Hull Warranty

Lowe will repair or replace, at its sole discretion, any defect in material or workmanship of the pontoon tubes, M-brackets, cross members, fence/gate rails, deck structure, and motor mounts.

## Decking Warranty

Lowe will repair or replace any structural defect in material or workmanship of the plywood deck panels for the original owner.

## Components Warranty

Lowe will repair or replace any defect which is not covered, limited, or excluded by any other provision of the warranty, if reported within ten (10) years from the date of initial sale.

## Transferable Warranty

Lowe boat warranties are transferable through your local Lowe dealer adding to the resale value of your boat.
