

Pleasure-Way

OUR STORY

In 1986, my father, Merv Rumpel, set out to build a Class B motorhome of exceptional quality—one that would stand the test of time. While others pursued high-volume production, he focused on craftsmanship, precision, and integrity. That vision continues to guide us and has helped establish Pleasure-Way as a trusted name in the RV industry.

Each motorhome is handcrafted to our exacting standards, resulting in one of the industry's lowest warranty claim rates and reinforcing our leadership in the Class B market.

We're proud of our dedicated team—many with us since the beginning—whose passion drives everything we do.

As we celebrate 40 years, our commitment to quality, safety, and innovation remains at the core of every Pleasure-Way motorhome. We look forward to the journey ahead.

Sean Rumpel
CEO, PLEASURE-WAY IND.

PW ADVANTAGE

Since 1986, Pleasure-Way has focused on quality over quantity—handcrafting Class B motorhomes with premium materials, expert craftsmanship, and industry-leading attention to detail. Unlike mass-produced RVs, each unit is custom-built for long-term performance, comfort, and value.

Every motorhome is backed by a 5-Year Coach and Battery Warranty, and new owners receive 90 days of personalized support from a dedicated Pleasure-Way Personal Assistant—real help from real experts, just a phone call away.

With luxurious interiors, smart design, and unmatched customer service, Pleasure-Way offers more than a motorhome. It's peace of mind, performance, and pride of ownership—built to go the distance.

- ✓ Unmatched Quality & Craftsmanship
- ✓ Built To Last - Backed By Peace Of Mind
- ✓ Real People, Real Customer Service
- ✓ Personalized Support - Seamless Start
- ✓ Exclusivity That Lasts - Holding Its Value

HAND CRAFTED

At Pleasure-Way, every motorhome is handcrafted with precision and care—from cabinetry to appliances—using premium materials and advanced technology. We never cut corners; each build reflects our commitment to quality and detail.

Over 400 hours go into a detailed, multi-step process led by skilled artisans and technicians. The result is a quiet, solid, one-of-a-kind motorhome—built to inspire, and built to last.
