

THE 2026 SERIES

WORK. PLAY. TRAVEL... ANYWHERE.

REMOTE VANS®

ABOUT US

Remote Vans® was created to fill a gap in the Adventure Van industry: the ultimate Adventure Van with the technology to keep you connected, no matter where you go. We take pride in the cutting-edge **Power, Comfort, and Connectivity** that is seamlessly and strategically integrated into every van built at our headquarters in Cincinnati, Ohio.

At Remote Vans, every vehicle tells a story of careful craftsmanship and hours of dedication. From custom cabinets to hand-stitched upholstery, every detail is meticulously crafted in-house. **Quality is something we never compromise on.**

We build futuristic, technology-focused Adventure Vans using the highest quality components that deliver the best in Power, Comfort, and Connectivity.

ROLLING NOMADS COMMUNITY

2026 SERIES LINEUP

SEE-THROUGH PRICE: \$174,900

You've arrived at the gateway to the Adventure Van lifestyle. The T-45™ is designed with all the amenities including a kitchen, shower, and queen-sized bed. The T-45™ has the baseline of everything you need to get started on your journey, but leaves room for you to customize it later down the road.

SEE-THROUGH PRICE: \$194,900

The Friday® Series includes double the power that the T-45™ has and comes with 16.8 kWh battery storage! Not only does it have more power, it also comes with heavy duty opti-leaf springs, a tire carrier, a 5th wheel, and the Vanhalla™ Tire Carrier. Enjoy the internet anywhere with the Starlink™ Mini included.

SEE-THROUGH PRICE: \$224,900

Go off the grid, longer. An upgraded X3 A/C, a 4.3+ suspension system with Baja Brackets for an off-grid experience, Alpine Sound System, Starlink Standard installed, Lighthouse Security Feature, with added exterior accessories including: Vanhalla Front Bumper, Vanhalla Loot Box XL, Hood Struts, and Air Compressor Kit.

SEE-THROUGH PRICE: \$247,900

The unrivaled Aegis™ Series. Everything included on the Oasis® plus a High Performance Starlink Dish, Lighthouse 360° Security Feature, Bump Stops and Rally Struts on your suspension package, Grill Lights, Side and Corner lights, and added exterior accessories including: Vanhalla Rear Bumper, Rear Panel Storage Lockers, and Skid Plates protecting the Engine, Transmission, and Rear Diff.

MAKE YOURSELF AT HOME... ANYWHERE.

VANHALLA SEAT

The patented, first-ever 90 degree "swing," two-person sleeper seat, with 6 different seating positions including Chill, Sleep, Sunset, and Travel (Sunset and Sleep are pictured). The Vanhalla Seat comfortably seats 2 adults, and is compliant with all FMVSS regulations. Need an extra bed? Fold down your Vanhalla seat and your Adventure Van has got one!

Crafted from high quality materials, this revolutionary seat can either swing to appreciate a view, or fold flat to be used as a bed for 2 children, or for an adult when used together with your front swivel seat.

Sunset Position

Sleep Position

CYBER SHOWER

The Cyber Shower™ has an in-house designed and fabricated non-slip tray, and a removable shower curtain. The shower system is discretely housed in an upper cabinet, and the tray is housed in the carriage box. Raise the shower curtain into place and activate the shower. The curtain's unique, expansion design keeps the fabric away from you while in the shower and the removable curtain means that you hang it up to get completely dry before storing.

The Friday®, Oasis®, and Aegis™ Series include an optional recirculation feature. This feature is capable of unleashing 10+ minute showers using less than 3.5 gallons of water. Activate the recirculation system to enjoy extra long showers without using any extra water.

Shower Curtain Down

Shower Curtain Up

GAME CHANGERS IN 2026

The Vanhalla™ Seat

The first ever 90° “swing,” rotating, two person sleeper seat with 6 positions, including: Chill, Sleep, Sunset, & Travel. Developed by Remote Vans, patent pending.

48V Nomadic Cooling™ A/C

Powerful and efficient A/C. Capable of multiple nights use without battery recharge. *T-45™ and Friday® come with an X2, Oasis® and Aegis™ come with an X3.

“Pennyworth” Van Control System

11" high definition touch screen to monitor battery, tank levels, and temperature. *Oasis® and Aegis™ come with a 11" AND 5" screen. Includes Lighthouse (*Oasis) and Lighthouse 360° (*Aegis) Security Feature.

Lightweight Aluminum Kitchen

Lightweight, aluminum kitchen with solid surface top and control panel, large sink with collapsible faucet, 65L drawer fridge/freezer, portable cooktop, and microwave.

Premium Exterior Accessories

Remote Vans uses only the best Vanhalla™ and Van Compass™ products.

MoPoWa™ Power System

51V Lithionics “NEVERDIE™” power system with an industry-first Low Idle Rapid Charging Alternator/Generator. *T-45™ has 8.4 kWh 100% resusable battery storage, Friday®, Oasis®, Aegis™ include 16.8kWh 100% reusable battery storage.

MoPoWa™ Water System

These vans come with a 30 gallon fresh tank and a 24 gallon gray waste tank with heating loop. Fitted with Pex A plumbing with compression and brass fittings.

MoPoWa™ Housing System

State-of-the-art, futuristic, aluminum housings with easy access panels to ensure quick and efficient maintenance and servicing.

The Cyber Shower™

Re-designed, lightweight aluminum shower with removable shower curtain and convenient storage caddy. *Friday®, Oasis®, and Aegis™ include a recirculation option.

Starlink™

Enjoy high-speed internet from literally anywhere in the country. *Friday®: Starlink Mini, Oasis®: Starlink Standard, Aegis™: Starlink High Performance Dish.

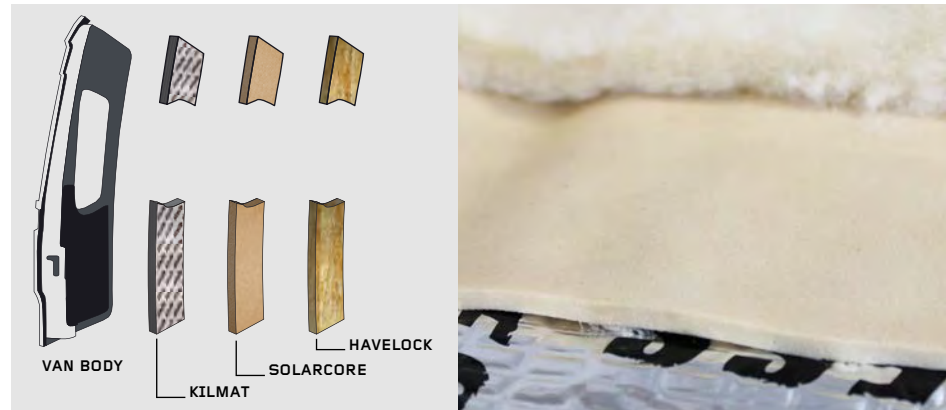

***Note:** Some features are series dependent.

PREMIUM, DURABLE, LONG-LASTING = QUALITY

Ultra-Lightweight Overhead Cabinets

Ultra-lightweight, removable overhead cabinets with upholstered and carpeted interior. Made from high-end materials, with metal compression latches for a completely rattle-free cabin.

Ultra-Efficient, Thermal & Sound Insulation

Industry-first SolarCore® Thermal Insulation delivers unmatched performance, increasing R-value by 35% compared to any other RV on the market. Combined with natural Havelock wool insulation and Kilmat sound dampening, our build offers superior comfort and temperature control.

Comfortable Night's Sleep

Enjoy a wonderful night's sleep or daytime nap in your queen-sized, Bascule Bed. Combined with side pods, the bed sleeps up to 6'6" (east-to-west). Inspired by the original London drawbridge, the bed folds-up providing 16.7ft² unobstructed garage space beneath for extra storage space.

Premium Quality Exterior Accessories

Vanhalla™, known for premium, rugged outdoor accessories, collaborated with Remote Vans to create an exclusive line of Sprinter accessories for our 2026 vans. Engineered for durability, exceptional strength, and easy installation.

FLEXIBLE SPACE

SPACE FOR YOU, AND ALL YOUR GEAR

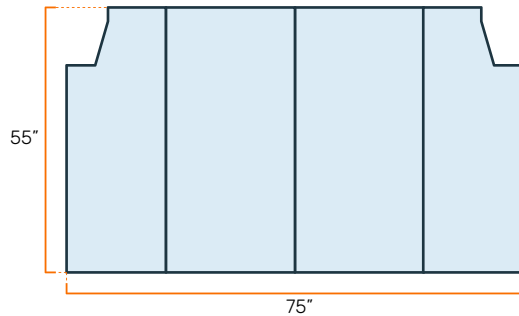

THE GARAGE

Store all your gear with space for up to 3 bikes.

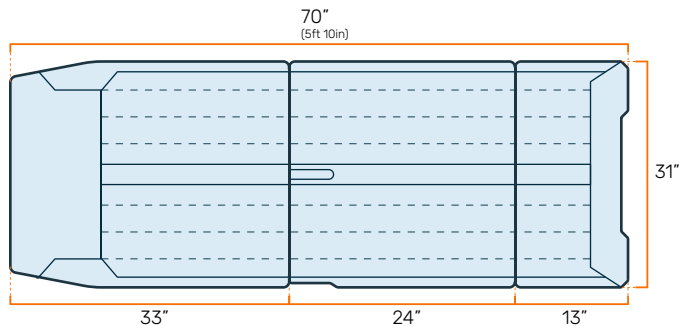

QUEEN SIZE BED

A legless design to maximize space that also converts to a stand-up desk.

VANHALLA SEAT

Multiple configurations to choose from: Travel, Kickback, Sleep and Sunset.

VANHALLA™ PARTNER

We're thrilled to unveil our exclusive collaboration with Vanhalla Overland Accessories engineered to bring rugged capability and refined comfort to every 2026 Adventure Van. Known for premium craftsmanship and tested design, Vanhalla upgrades now come standard across all Series, inside and out. From the versatile roof rack and side ladder to blackout insulated window covers and the innovative CyberShower curtain, every detail is built to enhance your journey.

Each Series builds on the next, with the Friday® featuring a driver-side Rear Door Carrier and Tire Mount, the Oasis® adding even more adventure-ready gear like the XL Loot Box and Front Bumper, and the top-tier Aegis™ Series rounding it out with the Rocker Lockers, and a heavy-duty Rear Bumper.

WHAT SETS US APART?

ABOVE & BEYOND

We believe in going the extra mile for our customers.

Our “Go Above and Beyond” philosophy is instilled in our team, our suppliers, our dealerships, and service centers.

Because we know the journey doesn’t end when you drive off the lot; in fact, it’s just beginning! We’re excited to be part of all the adventures that lie ahead and can’t wait to cheer you on every step of the way.

SERVICE NETWORK

We work with a group of dealer partners that are committed to exceptional service for their customers. Together they combine to form a service network that will maintain and upfit your Remote Vans Series. Consult your dealer to determine which locations are closest to you.

ACTIVE COMMUNITY

Whether you've swapped working in an office for working in the great outdoors, or whether you want to disappear into the mountains for a few days, and live-stream a movie after a long day's hike—you're officially part of the Rolling Nomads tribe.

SEE-THROUGH PRICING

Our see-through, haggle-free pricing model guarantees consistent pricing nationwide. No surprise markups, no regional upcharges — just clear, honest pricing that reflects our commitment to transparency, fairness, and a stress-free buying experience.

A WORD FROM OUR ROLLING NOMADS

Michelle W.

"The other bonus is how quiet it is when you're inside. We've been close to some noisy folks but nothing bothers us once we're inside with everything closed"

Billy P.

"I can't explain just how much Jetta and I love our Aegis #063! We are one week into a long trip to the Four Corners area and she has already effortlessly carried us to new adventures. Thank you, Remote Vans, for all you put into these vans!"

Derek M.

"I have researched competitors and followed this company since the beginning. Remote Vans has more skill, passion and intuitive design than anything I've seen. I am bought in. And I can't imagine better value or quality."

Jim A.

"The shower not having dedicated walls for something with limited use was a main selling point for me. It feels really open. The seat is comfortable enough for sleeping. My son actually loves the seat. The build quality is great and when I've dealt with their customer service, I don't feel like a number."

Jana M.

"My husband and I were at the Off-Grid expo in Denver last month, and walked past Remote Vans and met Jonathan and Micky. Lots of education on specs, stories about their own vans, a few pinky swears and laughs later...we bought their Oasis #117 right off the floor! What service. Above and beyond!"

Xiya L.

"The team went above and beyond. We work in tech and Remote Vans ticked all our boxes for remote work!"

Ronnie W.

"Loved the Service! Great van. Daryn and Tony are very knowledgeable."

Michael K.

"We love the A/C unit and the insulation of the van. We started a trip in Vegas where it was 115 degrees outside, but a very pleasant 78 inside! At night, when it cooled down, we used the fan and reversed it to bring the outside air, in. Plus we only used 10% of our battery that afternoon/evening. It was all regenerated within a couple hours leaving Las Vegas - just awesome!"

WHERE TO FIND US

Remote Vans is growing and expanding our reach to bring adventure closer to you! Stay tuned and visit our website for the latest updates on new dealer locations.

PROUDLY BUILT IN CINCINNATI, OHIO

Ask your dealer about **local pickup options** in Cincinnati, Ohio, and be sure to visit us for a factory tour when you come by to collect your Remote Van Series.
