# DELTA 27

**DELTA** FACTS

LIGHTWEIGHT BY DESIGN, BUILT FOR ENDLESS ADVENTURE

**PURE** FUN
+
ADVENTURE

BUILT FOR THE **100TH** TRIP + BEYOND

**DRY WEIGHT** 3,990 – 8,253 LBS

Alliance RV began with a name rooted in purpose—forming a team united by common goals. That idea evolved into a clear vision: assembling a team of industry veterans, carefully selecting a dealer network, and building strong, lasting relationships with our vendor partners. Seven years later, Alliance remains firmly committed to the core values that shaped us from the start.

## RELENTLESS IMPROVEMENT

As an independent manufacturer, one of our greatest strengths is the ability to listen closely to customer feedback and implement improvements quickly, so we can adapt, innovate, and keep raising the bar for quality and performance.

## DEVOTED TO RELATIONSHIPS

Relationships and trust are what drive Alliance. We value personal connections with our customers at dealerships, rallies, shows, and on social media, while also fostering strong employee relationships built on pride, purpose, and craftsmanship.

## CUSTOMER OBSESSED

Alliance is dedicated to improving the customer experience by building long-term relationships with our dealer network, sales team, and customer support teams beyond the sale. Our goal is simple: get you back on the road faster while working together to find the right solutions.

## CERTIFIED FOR: **CREATING LONG-TERM ALLIANCES**

### 2019

Alliance RV was founded by seasoned RV industry veterans, brothers Coley and Ryan Brady. They embarked on a mission to transform the market as independent manufacturers, driven by a shared passion to enhance the RV ownership experience.

### 2020

Alliance introduced the Paradigm fifth wheel, designed with innovative customer driven features gathered from thousands of RVers on the Alliance RV Group Facebook page.

### 2021

Alliance expanded its operations with a 2nd production facility (Plant 2) and launched the Valor Toy Hauler. Dubbed the "Master of 12-Volt", the Valor series got customer feedback that took living off the grid to a new level.

### 2022

Alliance completed yet another production facility, Plant 3, now home to Delta. At the same time, Alliance introduced its new Avenue Mid-Profile fifth wheel line. Avenue is a direct reflection of our customer-first approach, featuring a long list of innovations.

# DO THE RIGHT THING

## 2023

By January 2023, Alliance had built its 10,000th unit. In July, we introduced the Delta travel trailer, further establishing Alliance as one of the fastest-growing independent RV manufacturers, supported by our creative community of Allies.

## 2024

Paradigm and Avenue received interior makeovers, enhancing their appeal. The Avenue line also introduced the All-Access model, providing increased towing flexibility. By the end of 2024, Alliance reached over 10,000 subscribers on YouTube.

## 2025

2025 kicked off with the introduction of Benchmark luxury destination trailers. Benchmark sets a new standard in the category, blending thoughtful design, and premium features. Alliance celebrated building over 30,000 units.

## 2026

Alliance RV continues to embody the vision of the Brady brothers, delivering unparalleled comfort, innovation, and craftsmanship to discerning travelers, all while adhering to the mantra, "Do The Right Thing."

# FUEL YOUR ADVENTURE.

At Alliance, we believe freedom starts with innovation and strong construction. Our Delta models are crafted with quality products and designed to support active lifestyles, so you can focus on the road ahead.

1. Oversized awning with fusion light
2. Rack and pinion on main slide out
3. Goodyear® Endurance tires with Counteract® Balancing Beads
4. Composite entry step
5. 200 watt Solar panel
6. (2) A/C's with 50 amp service (1) A/C with 30 amp service on Ultra Lite & Solo
7. Aluminum framed wall with composite outside / inside & block foam insulation
8. Atrium windows
9. Fiberglass exterior
10. Aluminum framed floor with double composite layer & block foam insulation
11. PVC roof
12. 3/8" Decking
13. Radiant foil barrier
14. Batten insulation
15. 5 ½" Wood trusses
16. Fiberglass molded front cap
17. 4-Point electric auto leveling option (N/A UL & Solo)
18. Power tongue jack (N/A Solo)
19. Drop frame storage

This rendering is intended to highlight our construction features and may not accurately represent the current model year.

**ESSENTIAL INGREDIENTS** FOR LIFE ON THE MOVE

## **COUNTERACT®** BALANCING BEADS

This system re-sets to the balancing requirements of the assembly with every trip compared to traditional methods that are weighted at the time the assembly was newly mounted.

## INCREASE TIRE LIFE

Counteract Balancing Beads reduce rolling resistance by up to 18% which reduces tire wear. Counteract is known to increase tire life by at least 30%.

### FURRION® KITCHEN APPLIANCES

Delta's kitchen gets a full Furrion package for 2027. One brand across the appliances means a consistent look, matched finishes, and a single place to go when you need service or a part.

### A/C & CLIMATE

Delta is now all Furrion for cooling. Ultra Lite models add the option to step up to an 18K Chill Cube in place of the 15K, with a low-profile design that trims the shroud off your roofline.

### EXTERIOR FEATURES

A sharper look for 2027, including domed Delta logos that sit raised off the sidewall instead of printed flat. Paired with white awning and gutter rails, the whole profile reads cleaner and more sleek.

### SOLAR POWER UPDATES

Every Delta now leaves the line with a 200 watt solar panel standard. The 30 amp (15 amp on UL & Solo) controller allows you to add panels down the road. Boondock straight off the lot, then grow the system when you're ready.

### NEW KIRKWOOD DECOR PACKAGE

A complete interior refresh with new valances, sofa, dinette, headboard, and bedsheet in the Kirkwood palette. Plus a new cabinet color and hardware, residential solid surface countertops, commercial grade flooring, hardwood dinette table and nightstand toppers, and richer slide fascia tones are all part of the 2027 Delta.

## DELTA KEY BENEFITS

- Residential queen size mattress
- Under-bed storage
- Flip-up countertop extension (most models)
- Hang or fold closet
- No carpeting throughout
- Flush floor kitchen slide
- Black kitchen sink
- JBL® Bluetooth speaker
- Pull-out trash can cabinet (most models)
- 10 cu. ft. 12 volt Refrigerator
- Pantry with pullout shelves (most models)
- Oversized awnings with fusion lighting
- (3) Temperature controlled spray ports
- Patio side LP quick connect for grilling or patio heaters
- Slam latch pass through baggage doors
- 6' folding table in pass through
- 50 amp service standard
- Power tongue jack with built-in light and soft cover
- Oversized aluminum ladder
- Starlink® prep
- MORryde® CRE 3000 Suspension

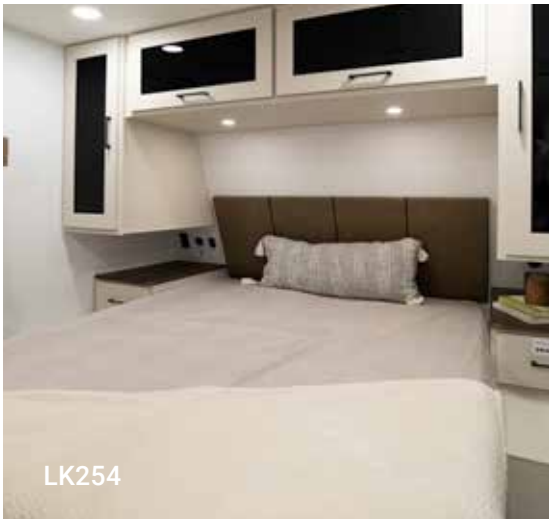

## ULTRA LITE KEY BENEFITS

- Queen bed
- 10 cu. ft 12 volt Refrigerator
- Oversized Atrium windows
- 30,000 BTU furnace
- 15,000 BTU A/C unit
- Flush floor slide-outs
- Pantry with pull-out shelving
- Hidden storage night stands
- Under bed storage
- Reinforced drawers
- Built-in silverware drawer
- 40" or 50" Smart TV
- Roller shades throughout
- LED can ceiling lights
- 30 amp service standard
- 42 cu. ft of pass-through storage
- (3) Temperature controlled spray ports
- 60K On-demand tankless water heater
- Exterior ladder with built in towel rack
- Oversized awnings with LED lighting
- 200 Watt Solar Panel

## SOLO KEY BENEFITS

- Residential cabinet doors with magnetic catch
- Soft close hidden hinges
- Residential can style LED ceiling lights
- Queen size mattress or murphy bed
- Porcelain toilet with foot flush
- 10 cu. ft. 12 volt Refrigerator
- Multiple location hot/cold spray ports
- 60K On-demand tankless water heater
- Mylar reinforced exterior seals
- LP quick connect
- Heated & enclosed underbelly
- Oversized exterior ladder with built in towel rack
- 2" Accessory hitch
- Pre-wired for backup camera
- Tire monitor prep
- Motion light in pass through
- Easy access water pump for winterization
- Exterior switches for slide-out and awning control
- Slide topper prep
