What is ABSOLUTE NORTHWOOD?

Our Guarantee of Quality Strength Durability

When you purchase an Arctic Fox, you are investing in the best quality materials, construction and craftsmanship. That is why the resale value in an Arctic Fox remains higher, and your investment retains its value longer. If you ever decide to trade in your Fox, you will get top dollar. That is why you don’t see many used Arctic Foxes on the market, folks buy them up as quickly as they become available because Arctic Fox has a reputation for durability and longevity.

- A True 4 Seasons Coach

NORTHWOOD BUILT CERTIFIED CHASSIS

We are one of the few manufacturers who build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

NORTHWOOD BUILT CERTIFIED CHASSIS

CERTIFIED CHASSIS

PACIFIC WEST ASSOCIATES, INC

Utilizing aerospace interface grid technology design analysis for optimum performance and safety

BUILT BY NORTHWOOD

WE BUILD OUR OWN HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

THICK WALL TUBULAR ALUMINUM SUPERSTRUCTURE

.125"-.060" (Up to 1/8" Thick) heavy gauge thick wall aluminum tubing in our travel trailers & fifth wheels

SOLID CORE ANCHOR BLOCKING AND CONTINUOUS WELDS

ABSOLUTE ABSOLUTE ABSOLUTE ABSOLUTE ABSOLUTE

Solid Core Anchor Blocking

CONTINUOUS BEAD WELDS

ALL THREADS ARE SECURING THE FASTENER

SPOT WELDS

ONLY ONE OR TWO THREADS ARE SECURING THE FASTENER

WEAKER ANCHOR SCREWS

Now that’s an ABSOLUTE Quality Superstructure!
OUR BONDED ROOF TRUSS SYSTEM
ENSURES A FULL WALK-ON ROOF

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

BONDED ROOF TRUSS SYSTEM

UP TO 5 1/2" OF CROWN

Northwood’s Bow Trusses offer up to 5-1/2 inch center height, giving the roof plenty of runoff slope to eliminate standing water.

CUSTOM BUILT FACE FRAME CABINETS

CABINETRY w/SOLID WOOD DOORS, BUILT USING RESIDENTIAL FACE FRAME CONSTRUCTION METHODS & INTEGRATED w/ THE WALL & CEILING.

BEAUTIFUL & STRONG

Solid Wood cabinet doors ensure lasting beauty and rugged strength.

MATERIALS

Face Frame construction gives our cabinets ‘high end’ residential quality.

CONSTRUCTION

Structurally Integrated cabinetry is anchored to the walls and ceiling structure of our coaches making both the RV and the cabinets stronger.

INSTALLATION

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing. Our 4-Season coaches are insulated with various types of residential quality *Rigid Foam, *Batten & *Reflective Foil insulation to protect you from the winter cold & summer heat.

HEATED ENCLOSED HOLDING TANKS & DUMP VALVES. DESIGNED FOR COLD NORTHERN/HOT SOUTHERN CLIMATES

A TRUE FOUR SEASONS ALL CONDITIONS UNIT

Northwood's Bow Trusses offer up to 5-1/2 inch center height, giving the roof plenty of runoff slope to eliminate standing water.

29-5K Shimmering Sands
In 2009 we towed our 29V over 3000 miles of the northernmost roads in North America—with all unpaved primitive roads—in addition to the usual Alaska Highway stuff. The trailer experienced only trivial problems even though the trip killed our Chevy 2500HD Duramax/Allison.

Left: "In 10 years of use our 2002 25R has followed our 4x4 Dodge wherever we have gone, on and off the pavement. It has aged better than we have! Thanks for a great product and wonderful, personal service, Northwood!"

We've been Northwood owners since 1996 with our Nash 26J.

We sold it in 2002 for a new 25R. At our age we probably won't be in the market for another trailer, although I want the new Nash 23D!

Linda and Dave Wiley ~ Sublimity, Oregon

Left: Our campsite...
...a few miles north of Atigun Pass on the Dalton Highway, Alaska.

Right: We currently have an Arctic Fox 24-5N.
We enjoyed our trouble free AF24-5N for 5 years. So when it was time to upgrade the decision was simple: May I present our 2011 AF27-5L. Oh by the way, we just exceeded 6,000 miles and everything is working just fine!

Jay & Jackie Yake ~ Bend, Oregon

...and of course “Ping” the Border Collie

Arctic Fox trailers are the best for all weather Fishing. I always catch bigger Fish when I'm in my Arctic Fox!” Started with a 2009 Arctic Fox 22H. Loved it so much we upgraded to the 30U. We like to dry camp right at the rivers edge all year round. The Arctic Fox keeps us warm colder months and cool in the Summer. There is enough room for me, my wife, 2 dogs and all the fish! Thanks for a great product,

Art & Joanne Host

Laura and I have owned 3 Northwood products now. We started with a 2006 Nash 25S, moved to a 2007 AF 29V and then last year had the chance to move up to our dream rig a Arctic fox 365V. We have always been very impressed with the build quality, and the fit and finish on the Arctic Fox is 2nd to none! We make 2 trip to Phoenix AZ from Springfield OR for the NASCAR races and camp at the track with our friends who also have a Arctic Fox (29 5E). The pictures are from our Nov. 2010 trip to the track. We love our Fox and always look forward to spending time camping in it no matter where we go.

Scott and Laura Lahey, Springfield, OR

Our purchase of a 2007 22H Arctic Fox has proven to be great decision. The quality of the Artic Fox out-performs any other new unit I've seen or researched. Thanks, Bretan Baumgardt Calgary, AB
