Always dedicated to our customer's ultimate satisfaction, Coachmen is proud to introduce the new Freedom Express Ultra-Lite Laminated Series travel trailer. Through state-of-the-art construction using extremely durable, yet lightweight materials, the Freedom Express can be easily towed by today's lighter duty vehicles. Add in our wide selection of family friendly floor plans and easy-to-use features, and you'll soon experience how every trip can become fun and relaxing with the Freedom Express.

After 45 years as a leader in the RV industry, Coachmen remains committed to manufacturing quality, value-priced products that are consumer driven. And with our recent acquisition by Forest River, America's largest producer of towable RVs and a division of Berkshire Hathaway, when you buy the Freedom Express you can be confident of your decision for years to come.

There's no place like home, so why not take it with you into the great outdoors. From the tastefully decorated interior using easy-to-clean fabrics to the hardwood cabinets and no-slip floors, durable enough to withstand the rigors of family camping, the Freedom Express is designed for maximum livability without breaking the bank.

MODERN KITCHEN

Meals are a cinch with the abundance of counter space and storage, deep sink, high-rise faucet, high-output range with oven and exhaust, microwave and double-door refrigerator.

Not to mention a full-sized silverware drawer with removable tray.

FUNCTIONAL FLOOR PLANS

Several options offer practical solutions for any size family or needs, including double bunks or a single bunk with a double bed. Each featuring under bed storage. Plus, the large dinette and sofa convert into additional sleeping space.

FULL BATHROOM

Attention to detail offers residential amenities such as a generous tub with surround and shelves, vanity with mirrored medicine cabinet and storage, foot-flush toilet and a skylight to brighten the room. An exhaust fan and vent is also provided for maximum comfort.

SPACIOUS MASTER SUITE

Experience all the comforts of home with a TV that swivels for viewing in master suite or living room*; walk-around queen bed with storage and a night stand area with outlets and reading lights. Residential-style doors for privacy are available in some models.

FEATURES

PROTECTIVE UNDERBELLY

Fully enclosed underbelly protects holding tanks and other components from the elements and animals, while reducing turbulence for safer and more efficient towing.

STABILIZING JACKS

Four scissor-style stabilizer jacks equally balance each corner of the trailer for added security and safety, remaining sure-footed on softer ground with included sand pads.

GRILL STATION

10,000 BTU, full-sized Coleman® grill station conveniently slides out from the trailer exterior and is removable for added versatility at the campsite or family picnic.

OUTSIDE SHOWER

Equipped with hot and cold water, the exterior shower rinses sandy feet and facilitates cleanup from outdoor barbecues. Also sprays sewer hose following disconnection for a quicker, cleaner departure.

EXTERIOR GRAB HANDLE

Extra large, fold-away grab handle provides additional stability while entering or exiting the trailer.

PASS-THROUGH STORAGE

Easily access camping gear, fishing poles or toys from either side of the trailer when using expansive pass-through storage compartments.
