AN ALL AMERICAN DREAM

from American Coach

The American Dream
2001 Season
When you become an American Coach owner, you also become a member of the American Coach team. A winning combination of sales, manufacturing and service professionals who take a great deal of pride in every coach we build.

American Coach embodies the very essence of what it takes to always emerge a winner. Hard work. Winning attitudes. And an unrelenting passion for being the best at what we do.

Many of the same values embraced by legendary coaches such as Knute Rockne. A coach who constantly raised the bar and brought out the best in all his players and those around him.

American Coach works to instill pride of ownership and a sense of belonging. And nowhere is that more evident than at American Coach Team Rallies... where hundreds of owners travel hundreds of miles to savor the moment and taste the victory.

WELCOME TO THE TEAM. WELCOME TO AMERICAN COACH.
