To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you’re planning to buy. Don’t rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and cargo carrying capacity. These are usually available in the manufacturer’s sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.

2. Verify the towing capacity of your tow vehicle. If you don’t know, or aren’t sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer does not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

Happy Camping!

1. **GVWR (Gross Vehicle Weight Rating):** is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.

2. All dry weights are based on the standard model and do not include optional features or equipment.

3. **Maximum Carrying Capacity** is determined by subtracting Gross Dry Weight from GVWR. Maximum Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.

4. **Trailer length** includes 3’ 6” for hitch; fifth wheel includes standard pin box.

5. Add 9” if equipped with optional roof air conditioner.

6. Approximate.

7. Water weight equals 8.3 lbs per gallon. LP Gas weight equals 4.2 lbs per gallon.

8. Add 10” if equipped with optional spare tire and carrier.

9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.

1. GVWR (Gross Vehicle Weight Rating): is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.

2. All dry weights are based on the standard model and do not include optional features or equipment.

3. Maximum Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Maximum Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.

4. Trailer length includes 3’ 6” for hitch; fifth wheel includes standard pin box.

5. Add 9” if equipped with optional roof air conditioner.

6. Approximate.

7. Water weight equals 8.3 lbs per gallon. LP Gas weight equals 4.2 lbs per gallon.

8. Add 10” if equipped with optional spare tire and carrier.

9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.

What Drives You?

Maybe it’s feeling like you’re the only one on earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you.

Once you do, you’ll see what it is that drives us — it’s you.

RV OWNERCARE*

The Fleetwood One-Year Hitch to Bumper Warranty Coverage*
This comprehensive program includes systems, appliances, components and construction – with no additional costs to you.

One-Year Full Warranty*
Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving Fleetwood’s commitment to your satisfaction behind. This complete warranty is unique because it’s just that – complete.

Fully Transferable*
Because we don’t hesitate to stand behind our products, the complete warranty is fully transferable during the 12 months of warranty coverage, which is a plus for resale value.

National Coverage
Traveling to Spokane? Buffalo? We’ve got you covered with one of the nation’s largest trained service networks. In fact, 1,100 Fleetwood dealers are just a phone call away.

Require these features when you purchase your new RV… Fleetwood does.
