PROWLER and PROWLER REGAL - Travel Trailers and Fifth Wheels - 2006

Prowler

Time to ride.
AN INTEGRATED MAGAZINE RACK (top left) is the perfect place to keep your favorite publications on your travels.

THE DROP DOWN SOFA KICK PANEL (middle left) conveniently provides additional storage space under the sofa.

UNDER-THE-DINETTE STORAGE (lower left) is accessible under the seat cushion or through the side door for your storage needs.

While competitors often build their own furniture, Fleetwood focuses on building and designing a superior RV with trusted name brands like comfortable Flexsteel® furniture with a lifetime warranty on the frame. Other notable name brands include Dometic®, Magic Chef® and Hydroflame.

OVERHEAD STORAGE (top right) is a great place to keep books, board games, CDs or anything else for your travels.

AN ENTERTAINMENT CENTER (middle right) features a large TV shelf with overhead/underneath storage (TV & VCR not included).

THE AM/FM RADIO W/CD PLAYER (lower right) allows you to play your favorite music, listen to the game or talk radio programs.

Prowler 320DBHS shown in Beige Bounty interior decor with Windsor Birch wood finish.
On the Prowl.

Other competitors are simply no match for Prowler with its superb construction and dynamic looking design. There is no beating Prowler’s style with the absolute best looking interior decor motifs at its price point. If that wasn’t enough, Prowler also boasts awesome looking exterior graphics with features like radius entry and luggage doors, giving it a very clean look. Strong, smooth and laminated hard wall construction also looks fantastic, while providing improved insulation and increased rigidity over the competition’s design. The sidewalls are also very easy to clean, so you can always keep your Prowler looking its best on the road.
Room to Relax.

You'll always have plenty of room to rest in peace and quiet after a long day of adventure. Sleep well in the comfortable innerspring mattress and recharge for the days that lie ahead. Prowler is designed with comfort and function in mind, making your travels convenient and easy. Choose from several different floor plan configurations, giving you the option of single or double bunk beds to best suit your needs. You'll also enjoy under-the-bed storage for extra linens and towels. In the bathroom, enjoy a power vent for air circulation, residential towel racks and a medicine cabinet with mirrored door just like home.
Setting the Standard in Travel Trailer and 5th Wheel Quality.

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don’t survive are redesigned until they do. This sets the standard in safety and durability.

PASS THROUGH STORAGE (most models) is perfect for storing oversized items like snowboards, or fishing poles.

THE EXTERIOR SHOWER (optional) is a very convenient feature for a quick rinse off after a day of playing.

CUBE SPEAKERS AND SUB-WOOFER will make your favorite music sound even better.

GARAGE STORAGE (optional) is great for storing all kinds of gear, and is lined with a special easy-to-clean material.

ENGINEERED RADIUSED CEILING TRUSS ensures strength, water runoff and reduced weight.

5/8" FLOOR DECKING provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using “tongue in groove” construction.

2X3 FLOOR JOIST allows for the placement of in-floor furnace ducting without compromising structural integrity.

SMOOTH GLOSS FIBERGLASS EXTERIOR SIDING adds more structural integrity than aluminum siding, which provides a glossy surface that is easy-to-clean and adds long lasting beauty.

REINFORCED CAMBERED STEEL CHASSIS provides optimal strength, durability and performance.

A WATER FILTER (optional) is a very functional feature, providing you with fresh filtered water for drinking.

TINTED SAFETY GLASS WINDOWS help keep the sun out and also aid in reducing the likelihood that fabrics will fade.

A LOW PRESSURE PROPANE CONNECTOR allows you to hook up a BBQ for great cooking while camping.

LARGE LEND-A-HAND ENTRY ASSIST HANDLE (optional) makes it easy to enter or exit.
THE BATHROOM features an elegant single handle faucet that’s easy to operate and a standard 3-bulb vanity light, providing additional lighting.

THE FIBERGLASS FRONT CAP is aerodynamic, sleek and appealing to the eye, for an upscale look and feel.

ALUMINUM FRAME CONSTRUCTION Prowler Regal’s welded aluminum frame construction coupled with Fleetwood’s lamination process provides superior sidewalls which are not just strong and corrosion resistant, but also lightweight.

DECORATIVE LIGHTING in the living room adds to the upscale atmosphere, making your travels that much more enjoyable.

SWIVEL READING LIGHTS in the bedroom make it easy and convenient to curl up to a good book.

A Step Up.
The Prowler Regal turns it up a notch with its elite look and features. This stylish RV boasts breathtaking graphics and design, sure to turn heads while you’re out on the road. You’ll love the fiberglass front cap combined with a deluxe graphic package (not available on Prowler) that’s nothing short of spectacular. Prowler Regal also features strong aluminum framing, creating a lightweight but strong vehicle skeleton, ideal for towing. You’ll also love the standard enclosed and heated water tank, which will minimize the chance of freezing even in colder temperatures. Optional enclosed, heated grey and black water tanks are also available to make your camping experience that much more convenient.
FOUR INTERIORS. THE CHOICE IS YOURS.
For '06, choose from diverse interior fabric motifs. With each interior, you can choose from two beautiful wood finishes.

To Our Customers...

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you're planning to buy. Don't rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and cargo carrying capacity. These are usually available in the manufacturer's sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.

2. Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer do not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

Happy Camping!

Sleeping capacity based on standard layout. Optional furniture may increase or decrease sleeping capacity.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
2. All dry weights are based on the standard model and do not include optional features or equipment.
3. Cargo Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Cargo Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.
4. Length taken from hitch or pin box to rear bumper (excludes accessories). Trailer length includes 3’ 6” for hitch; fifth wheel includes standard pin box.
5. Add 9” if equipped with optional roof air conditioner.
6. Approximate.
7. Water weight equals 8.3 lbs per gallon. Propane weight equals 4.2 lbs per gallon.
8. Add 10” if equipped with optional spare tire and carrier.
9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.

* = Estimated weights

N/A = Not available at the time of printing.

**IMPORTANT— PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
## Standard Features

What Drives You?

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.

RV OWNERCARE*

The Fleetwood One-Year Hitch to Bumper Warranty Coverage*
This comprehensive program includes systems, appliances, components and construction – with no additional costs to you.

One-Year Full Warranty*
Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving Fleetwood’s commitment to your satisfaction behind. This complete warranty is unique because it’s just that – complete.

Fully Transferable*
Because we don’t hesitate to stand behind our products, the complete warranty is fully transferable during the 12 months of warranty coverage, which is a plus for resale value.

National Coverage
Traveling to Spokane? Buffalo? We’ve got you covered with one of the nation’s largest trained service networks. In fact, 1,100 Fleetwood dealers are just a phone call away.

Require these features when you purchase your new RV...
Fleetwood does.

FLEETWOOD TRAVELCADE CLUB
As a Fleetwood owner, you’re eligible to become a member of our owners’ group, Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit www.fleetwood.com/clubs to learn more and join the fun!

FLEETWOODRV.COM

IMPORTANT—PLEASE READ
Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
