PRESIDENTIAL™ 03
You’ve Arrived
Choosing the right fifth wheel can be a difficult decision — until you see the 2003 Presidential. One look, and you’ll know that this RV is a cut above. With a fine-tuned balance between luxury and convenience, beauty and functionality. It all starts with your choice of 10 different floorplans, with double, triple and even quad slide-outs. Next, you choose between five exquisite interior decors — including Champagne, featuring fabrics by Martha Stewart Home Collection. Then, you give it all the finishing touch, with your choice of three stunning cabinet styles, Western Oak, Autumn Haze Oak, or Walnut. And that’s only the beginning. As you’ll see here, the Presidential offers many attractive options to help you customize it to meet your every need. So it’s time to get started. Because the sooner you begin choosing the details, the sooner you’ll be on your way.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing.
