Holiday Rambler’s Savoy is all about choice. Travel trailer or fifth wheel? LX or the super lightweight SL model? You make the call. One thing you can be sure of is, regardless of which you choose, you know you’re getting a quality RV from a name you trust — Holiday Rambler. So the choice really comes down to preference. Both the LX and SL models feature laminated wall construction for durability without added weight. While the LX is long on amenities and options, the lighter weight SL offers charms all its own. So take your time and choose the model that’s right for you, because once you decide to go with the Savoy, there’s no chance of making a bad choice.

The Savoy brings the comforts of home on the road with cozy swivel back chairs, a sleeper sofa and a queen bed. Entertainment isn’t a problem with the optional home theater with a captivating surround sound system.

Standard day/blackout shades on all models provide privacy and block out light for those who prefer to sleep in.
The 2007 Savoy accommodates your every need. Just take a look at this gorgeous and practical kitchen complete with vintage oak cabinetry, a touch-control microwave and a Wedgewood high-output 3-burner range with oven. And because no one wants to spend vacations cleaning and scrubbing, the Savoy features easy-to-clean linoleum, a deep double-bowl sink with high-profile double handle faucet and sturdy laminate countertops. Or choose the standard Corian® edge countertops with optional extensions in the LX, for even more room for meal prep.

The fashionable neo-angled shower with glass door is now standard in all Savoy models. The bathroom also features a handy medicine cabinet with mirror.

Sleep comfortably on a spacious queen-size bed. The bedroom also makes it easy to keep everything in its place with a large, mirrored closet (on select models).

The Savoy SL fifth wheel’s lightweight construction makes it easy to tow without sacrificing quality or style.
Savoy’s system control panel monitors water tank levels and battery charge. It also houses switches for the water pump, gas water heater and electric water heater — all in one place.

Drawers and pullouts operate smoothly thanks to metal drawer guides. What’s more, they’ll stand up to years of wear and tear.

From cleaning hiking shoes to rinsing off after a dip in the lake, the outdoor shower feature with hot and cold controls is a welcome convenience.

Stay cool and comfortable with the dependable 13,500 BTU Carrier rooftop air conditioner. You can also upgrade to the more powerful 15,000 BTU Carrier rooftop air conditioner complete with dehumidifier and remote control.

Savoy’s Super Lube Axles provide easier packing of your wheel bearings.

The triple entry step is mounted directly to the frame for the ultimate in safety and durability.

EXTERIORS, FABRICS AND WOODS

A BEAUTIFUL REFLECTION OF YOU.
Holiday Rambler makes it easy to take your style on the road. We offer a variety of decors — each as lovely as the next with rich fabrics, lustrous woods, eye-catching accents and stunning exterior graphics. So the problem isn’t finding a look you like, it’s narrowing it down to just one.

SAVOY HARDWARE
Our cabinet hardware features an elegant yet durable brushed nickel finish.

BETTER STAIN PROTECTION
Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.
SLIDE-OUT:
When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you’ll find anywhere. In addition, the actuator has a mechanical room lock that is built in, and there are adjustable built-in stops for in and out positions.

A Bearing packs are bolted in 4 places, locking the gear and rack in place.
B A manual crank and extension rod comes standard with every unit, to serve as override if needed.
C Actuator motor is positioned to provide smoother movement and reduce twisting on the slide-out room.

*Weights may vary by options.

**Variances in the fabrication and installation of the tanks may cause the actual “usable capacity” to be greater or less than the capacities designated above.

***Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.
1. **Super Lube Wheel Bearings**  
   Easier packing of your wheel bearings.

2. **15” Radial Tires**  
   Notice the word “radial” (no bias plys here).

3. **ABS Molded Fender Skirt**  
   One-piece for a great look.

4. **Triple Entry Step Mounted to Frame**  
   Low first step, and the mounting bracket is welded to the frame.

5. **Heated, Insulated and Enclosed Underbelly, Including All Tanks**  
   Enjoy your Savoy longer in the fall and earlier in the spring.

6. **Oversized Pass-Through Exterior Storage**  
   Check out all the room.

7. **I-Beam Chassis with Powder Coating**  
   Strong foundation helps prevent rust and corrosion.

8. **Upgraded Carefree® Awning**  
   High-end awning with better hardware and great dependability, includes remote release.

9. **2-1/2” Fully Insulated Bathroom Deck**  
   Compare here — even the bathroom floor is insulated (not all are!)

10. **Steel Frame Floor for Superior Strength**  
    We use only steel for superior strength — no wood or aluminum like the rest.

11. **5/8” One-Piece Sturdi-Wood Decking**  
    No seams and superior strength.

12. **Radius Entry Door**  
    No square doors here.

13. **Upgraded Residential Carpet and Padding**  
    Check out the cushion of this pad.

14. **UV Resistant Fiberglass Exterior**  
    Upgraded shine vs. other types.

15. **Dark-Tinted Windows**  
    Look how these will keep your unit cool in the summer and protect your upholstery.

16. **Fiberglass Insulation under Bedroom Floor**  
    More peace of mind — no corners cut where you can’t see.

17. **Lamiplast Underbelly Material**  
    Enclosed underbelly and more aerodynamic.

18. **Welded Aluminum Studs**  
    Fully welded and engineered for extra strength and lighter weight.

19. **1/8” Luau Wallboard**  
    Complete coverage for more strength.

20. **Solid Block Foam Insulation**  
    No insulation voids here.

**Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.**

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not included in every unit. We use only steel for superior strength and durability. The floor is insulated (not all are)! Compare there — even the bathroom floor is insulated (not all are!). We don’t buy it! We make it! With more than two dozen possible combinations, the Savoy offers plenty of floorplan options. Fifth wheels, travel trailers, no slide-outs or as many as three, the choices are yours to make. Savoy's quality construction ensures that every floorplan is built to our exacting specifications for quality, safety and durability.

Savoy brings convenience to exterior storage with large pass-through storage areas and split baggage doors that make access possible even when you’re hooked to your tow vehicle.
THE POWER BEHIND THE NAME.

At Holiday Rambler, every one of our RVs shares something special – something that’s hard to describe, but easy to recognize. It’s that unique touch that makes Holiday Rambler stand apart. It’s our complete dedication to quality at every level – from the designers who create unique looks to the craftsmen who apply the finishing touches. It’s our unbeatable service, which gives you 24-hour availability, 365 days a year. It’s a commitment to safety and a tradition of innovation. And finally, it’s the best people in the business. The Holiday Rambler difference. It’s in every RV we make – including yours.
