...STANDARD ON EVERY NASH!

Exclusive Options for:

Aussie Stainless Swing-out BBQ Grill

Mounts directly to the bumper on swing-out arm. Rugged, easy to clean, stainless steel construction, and custom black vinyl travel cover.

ObeCo Convenience Center

Multi-function work center for the outdoor chef! Spacious work surface with under side storage basket for all your BBQ tools, paper towel dispenser rack and trash bag holder.

A great combination when used with the Aussie Grill!

NASH

Aussie Stainless Swing-out BBQ Grill & ObeCo

Outdoor Chef Convenience Center

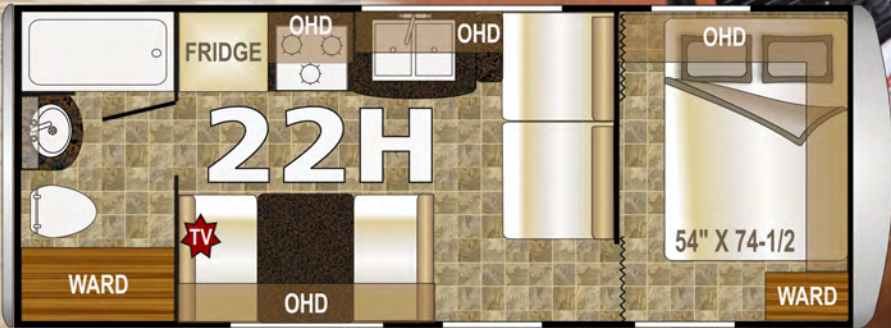

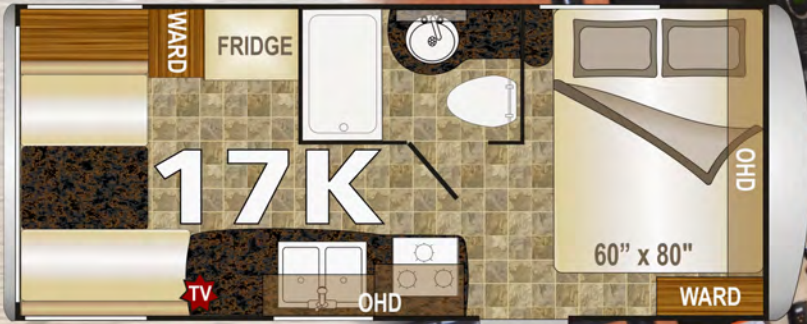

"I still spend most of the year disperse camping off-the-grid. I like to drive up spurs off the main forest and desert roads looking for quiet, isolated spots. It wasn't long before there were scratches down both sides of the Nash. But what the hey, it is a recreation vehicle and some of the spurs roads are tight. I'm a full time hard-wall camper. The Nash 17K is proving to be a good home for my two cats and me, and it sure is holding up to all the miles of rough roads."

Sierra Vista, AZ. Sebastian Halyard

What is ABSOLUTE NORTHWOOD?

When you purchase a Nash, you are investing in the best quality materials, construction and craftsmanship. That is why the resale value in a Nash remains higher, and your investment retains its value longer. If you ever decide to trade in your Fox, you will get top dollar. That is why you don't see many used Nashs on the market, folks buy them up as quickly as they become available because Nash has a reputation for durability and longevity.

ABSOLUTE CHASSIS 
✓ Custom Built, Tested, Certified

ABSOLUTE FRAME 
✓ Thick Wall Aluminum
w/Solid Anchor Blanking

ABSOLUTE INSULATION 
✓ A True 4 Season Coach

ABSOLUTE CABINETS 
✓ Wall & Ceiling Mounted,
Face Frame Construction

ABSOLUTE ROOF 
✓ Full Walk On, Bonded Roof Truss System

OUR BONDED ROOF TRUSS SYSTEM ENSURES A FULL WALK-ON ROOF

BONDED ROOF TRUSS SYSTEM

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade plywood panels are bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.

Northwood's Bow Trusses offer up to 5-1/2 inch center height, giving the roof plenty of runoff slope to eliminate standing water.

NORTHWOOD BUILT CERTIFIED CHASSIS

WE BUILD OUR OWN HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

We are one of the few manufacturers that build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

NORTHWOOD BUILT ONE PIECE LAMINATE FIBERGLASS WALLS

- 'SELECT' Grade Lumber
- 16" O/C Framing
- 2x6 Slide Headers
- 2x4 Wheel Wells
- One Piece Fiberglass
- Hot Glue Pressure Applied
- Luauun Backing
- Structural Joints Reinforced w/Steel Hurricane Plates

- Continuous Seamless Fiberglass
- Steel Reinforcing Plates
- Bonded One Piece Wall Sections

CUSTOM BUILT FACE FRAME CABINETS

CABINERY w/SOLID WOOD DOORS, BUILT USING RESIDENTIAL FACE FRAME CONSTRUCTION METHODS & INTEGRATED WITH THE WALL & CEILING.

BEAUTIFUL & STRONG

Solid Wood cabinet doors ensure lasting beauty and rugged strength.

Face Frame construction gives our cabinets 'high end' residential quality.

Structurally Integrated cabinetry is anchored to the walls and ceiling structure of our coaches making both the RV and the cabinets stronger.

A TRUE FOUR SEASON ALL CONDITIONS UNIT

HEATED ENCLOSED HOLDING TANKS & DUMP VALVES DESIGNED FOR COLD NORTHERN/ HOT SOUTHERN CLIMATES

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing. Our 4-Season coaches are insulated with various types of residential quality Rigid Foam, Batten & Reflective Foil insulation to protect you from the winter cold & summer heat.

 Bike Rack
 Safari Tuff Rear Rack (17K, 22H, 23D, 24M)
 2nd Rear Rack Basket (17K, 22H, 23D, 24M)

"We camped 3 nights in Two Medicine Campground, Glacier National Park with our new 24M Nash. As a test, we camped in the no generator loop, which was very quiet and were very pleased with the attached solar panel. We had no problems with not having enough power. For that trip we had plenty of water for showers and washing dishes. There is so much room in the trailer that we still have empty cabinets, what a change from before. The trailer is so well insulated that the heater only came on one night. Next trip next week, Icefields Parkway and Jasper National Park in Canada."

-Jim Streefer
