## **WINNEBAGO ONE**

### TRAVEL TRAILERS

Winnebago ONE represents the first new product bearing the Winnebago name after a hiatus of nearly 30 years. The appropriately named ONE is a light weight, all-aluminum framed travel trailer line which is full of industry-first features for towable products. It includes great floor plans and satisfies consumer demands for affordable luxury.

Unique features include standard high gloss gel coated fiberglass exteriors, radius cathedral ceilings, industry best kitchen countertop space, spacious private bathrooms, and bountiful available storage. Unique options include: sectional sofa, hide-away computer table, and more. Discriminating consumers seeking countertop preparation space, abundance of storage, spacious baths and more will love the **Winnebago ONE**.

## **WINNEBAGO LITE FIVE FIFTH WHEELS**

Winnebago Lite Five fifth wheels are for those that desire a great towable size and weight without sacrificing features, comfort and quality. Lite Five exteriors sport high gloss gel coated fiberglass that won't fade over time. In fact, it's the same exterior that can be found on \$500,000 motorhomes.

The front end of the Lite Five fifth wheel features Turn Plus engineering for increased turning radius for short bed pickup trucks. Insulated pass thru storage is very ample!

Interiors of the Lite Five fifth wheels will make one feel at home...literally! Available sectional sofa, rocker recliners, computer work station, Corian countertop, and more in well thought-out, spacious floor plans allow for the perfect escape.

## KITCHEN DESIGNED FOR A CHEF!

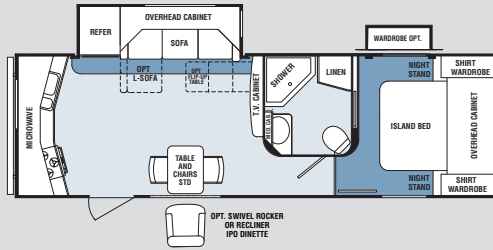

While most RV's leave you wondering what you'll leave behind due to limited space... Winnebago would like to encourage you to take it with you! Each floor plan maximizes storage space opportunities with more drawers, overhead cabinets with shelves, and large pantries.

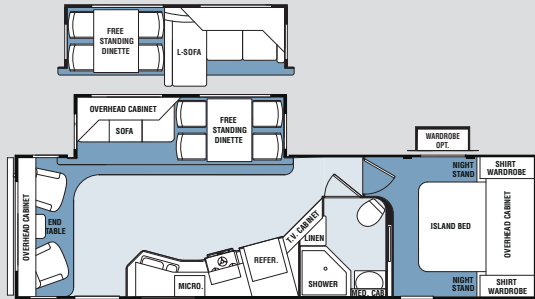

Some floorplans offer an outside kitchen option for outside entertaining convenience.
