Year after year, the Endeavor leads the way with a remarkable combination of luxury and value. So what’s new for 2004? An amazing quad slide-out floorplan. You simply have to see it for yourself to experience the added spaciousness and versatility. Other exciting features include optional deluxe full-body paint — for an attractive top-of-the-line finish and superior durability, as well as the Sirius satellite radio system (requires subscription) and power reels for both the cord and water hose. Looking for a high-end diesel coach with a down-to-earth price tag? It’s right here — the 2004 Endeavor.
The 2004 Endeavor is ready to pamper you with style and comfort. The large living area features plush furnishings in beautiful fabrics or optional Ultraleather™ coverings. In the kitchen, you’ll enjoy plenty of storage space and a full complement of standard and optional appliances. You’ll also appreciate the convenience of the pull-out faucet and separate faucet for filtered water. The cozy bedroom is highlighted by a 20” stereo TV, stylish bedspread and pillows, black-out shades and attractive decorative lighting. The bathroom is bright and roomy and features a solid surface countertop with integrated sink.
As part of our celebration, the Endeavor is available in a 50th Anniversary Golden Heritage Package. This special edition includes many extra interior touches, including 50th anniversary logos on the cockpit seats, upgraded fabrics and carpeting, an embroidered throw, and additional pillows in the living room and bedroom.

**Better Stain Protection**
Manufactured in, not added on. 3M Scotchgard™ Carpet Stain Release is applied during the carpet manufacturing process for a higher level of protection. Dupont Teflon® soil repellant is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of carpet or upholstery fabric protection may vary depending on date recreational vehicle was manufactured.
